From the Club Manager

As we look back on January, we should all feel relieved we survived the extreme weather that we have encountered. With rain, ice, snow, sun and temperature swings from the 20's to the 70's, we had no idea of what we would wake up to. The ladies had a great turn out for the LGA Icebreaker, which had to be rescheduled to January 10th, due to the cold weather. It was a tournament that truly lived up to its name. Thank you to everyone that attended Dancing through the Decades, the band was great and everyone had a good time.

February should be another busy month around the club. We're looking forward to our annual Valentine's Dinner on Wednesday, February 14th. The menu for the evening will

feature a four course gourmet meal and wine pairing with dinner entrees. Please make reservations, as we are limited to seating.

On the golf course we'll be hosting several tournaments during the month including the MGA's Kickoff Banquet and Scramble on February 9th and 10th and the SMGA Member Member on February 24th.

I wish you all a wonderful Valentine's Day, and I look forward to seeing you around the club soon.

Thank you for allowing us the opportunity to serve you.

LaDonna Bergman, Feb. 9; Helen Ihrke, Feb. 17;
Eileen Murray, Feb. 25.

From the Golf Shop

The New Year is off to a great start and the activities at the club are picking up, so make sure to call in and get your tee times set up early. We didn't waste much time in getting started with our tournament season. It all started with the LGA's Icebreaker Scramble on January 10th, and I am pleased to say the Ladies had a good turnout.

The MGA will begin their 2018 season with the **Kickoff Banquet on Friday, February 9th**, and their **Kickoff Scramble** tournament the following day, **February 10th**. The SMGA will begin their season with the **SMGA Member-Member on February 24th**.

Also, we have updated our Tournament player system to the New Golf Genius. Keeping up with the times, the Golf Genius combines traditional golf experience with innovative cloud technology. As we move into the new year we will be integrating Tournament and League play into the system.

So, if you happen to get an email about signing up please do so. Also feel free to contact me at the Pro Shop at any time with questions on it.

As always our goal is to provide a quality experience for all of our members and their guests.

Director of Golf

Property Owners Association

The POA will soon be adopting a new policy regarding the EZ tag access through all of the resident gates. The EZ tag system was set up to ease the congestion at the front gate and to make it easier for residents to enter, by not having to stop at the attendant each time. The EZ Tag system is not a right of ownership, but a benefit to residents. In the near future, residents that have unpaid annual maintenance fees, unpaid gate damage/strike fees, unresolved deed violations, unpaid maintenance fees, and unpaid ACC violation fees will have their EZ tag access suspended until fees are paid or approved payment plans are in order. In 2017 there was a point in which over \$70,000.00 dollars was owed to the POA by residents who did not pay their bills. These funds are vital to the operation of the POA. It is not fair that residents get to use this benefit while not paying their dues like everyone else. There will be a full policy shown at the next POA meeting and at that time many questions can be answered, and details can be provided. If you are one of these residents and would like to avoid interruption to your EZ tag, please contact KPM for payment. We all understand that life can rapidly change directions and that we all can fall on hard times; therefore, this suspension policy will not apply if you have established and are current on your payment plans, or if you have specifically worked out a plan with the POA. We hope to see you at the next POA meeting **February 22nd, 2018 at 7:00 p.m.**

DID YOU KNOW?

Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!

Weston Lakes Women's Association

There is no better way to enjoy the cool mornings of "Houston's winter" than enjoying a cup of coffee with friends. Well the coffee is on at the WLWA meetings! Unfortunately, the weather was a little too cold on January 16th, and our meeting was cancelled. That just adds anticipation for the upcoming February meeting.

WLWA is a social organization, but at the heart of the organization is the Community Foundation, whose main purpose is to support our youth. WLWA has one fund-raiser a year to generate scholarship money to be distributed through the Foundation. The fund-raiser this year was scheduled for February, but has been moved to the fall. Robin Schill and Bette Burton have put together a night of entertainment that is the closest you are going to get to a Vegas trip without shelling out the expense of airline tickets! "Luck be a Lady Tonight" Casino Night and Dance will include all of your favorite games, an auction for the shopper in you, food to keep you going, and drinks to keep you smiling. This event is open to everyone, so plan now to invite your friends and neighbors for this fall fund-raiser.

Bette and Robin need some help to pull off an event of this size and scope. They need volunteers to help with Casino Night, and they need donations for the auction. Please call Bette and/or Robin at 281-346-1614 or 713-818-4821.

Our scheduled speaker for January was the Director of Texana Children's Center for Autism. Many of you were prepared to donate items to help the center. Please bring your donations to the February meeting.

Classroom Supplies - Crayons, markers, stickers, 3" binders, file folders, tape construction paper, batteries (AA & AAA), umbrellas, etc...

Non-Perishable Items - Individual Chips, Popcorn, Goldfish, Juice Boxes, M&Ms, Pudding, Raisins, Gatorade and small bottles of water, etc....

Cleaning Supplies - Clorox Wipes, Lysol Spray, Hand Sanitize, Dish Soap, Sponges, Baby Wipes, Latex Gloves, Reusable Plastic Ware, Laundry Detergent, etc....

What's next? For Valentine's Day, we tend to spread the love and focus on everyone else. The speaker at the February 20th meeting, Dr. Kelly McCullagh, will turn the focus on you and explain how to use new technologies to stay healthy in our 40s, 50s, 60s, 70s and beyond.

We can't help but get excited for the upcoming events planned by Rachel Durham and Maureen Pedersen for 2018. We all remember the great times we had with the WLWA in 2017. Below are pictures of the December Dance and the meeting featuring inspirational speaker Rebekah Gregory.

The meetings are always the third Tuesday of each month at the WLCC. We have social time from 10 - 10:30 a.m. and the meetings begin at 10:30 a.m. The club makes a special effort to offer a ladies' lunch after the meeting. We strongly encourage you to stay for lunch and take advantage of one of the benefits of living in a community with these services.

Garden Club

You're invited! Come join us as we spread some Valentine's cheer. This year we'll start a new tradition by hosting the Valentine's party for the dear folks at the Irene Stern Community Center. We will serve some tasty cake, share the gift bags for which so many of you generously donated, and sing a few songs (no talent required, just a heart to share). **Tuesday the 13th** carpools will leave the club at 10 a.m. for the limited parking spaces then head to a local hot spot for a yummy lunch. Won't you share a bit of your time to brighten their day? We'd love to have you with us!

Mark your calendar for a great meeting when Ace, the fabulous floral designer from Fulshear Flowers, will teach us how to make beautiful spring wreaths. Check in starts at 10 a.m. **Tuesday, February 27th** in the ballroom. It will be a great time!

There's a great opportunity to get more involved in our community while having a whole lot of fun! The Nominating Committee is looking forward to speaking with those wishing to serve on the Garden Club board for the 2018/2019 year. As a testimonial, I've never served with or felt closer to a group of such fine ladies as on our board. It's a great experience! Contact Terri Oliver at westonlakesgc@gmail.com for more information.

Weston Lakes Cookbooks:

"A Taste of Goodness" is absolutely beautiful! Weston Lakes residents, friends, family, local chefs and dignitaries contributed 398 mouth-watering recipes into a single cookbook compiled by Committee Chair Valerie Planchard and her amazing team. Everything you need, including appetizers, salads, soups, main entrees, side dishes and desserts are contained in "A Taste of Goodness" to be treasured for generations to come. The profits benefit community beautification, education, recycling and litter prevention programs for Keep Weston Lakes Beautiful, as well as our co-sponsors Weston Lakes Women's Association and Garden Club.

Cookbooks are available to purchase for \$20 at www.cookbooks4sale.com. You may also purchase them by calling Tricia Wright at 469-826-3564 cell. These make wonderful gifts for friends and family members, both inside and outside our gates.

Fitness Center

Group fitness classes are now included in your Fitness Membership! Spend this month finding a class you enjoy! Enjoying your workout is one of the best ways to keep up with your fitness goals, unless you have an unlimited supply of discipline, which let's face it, most of us don't!

Let's kick February in gear and start working on that strong core you've always wanted! The Fitness Center is challenging you to complete its 28-day Feb/uary challenge meant to progressively push you in the right direction. While this is a great routine and goal to work towards, we can't emphasize enough how important nutrition is. If a stronger core is truly what you desire, stop by the fitness center to obtain a copy of our 28 days to Abs workout plan.

If you were an existing fitness member and are looking to rejoin the Fitness Center for the New Year, we are waiving the enrollment fee for returning Members now-March! Stop by the Fitness Center's front desk and sign up today!

If you have any questions, would like more information, or are interested in signing up for upcoming events, please feel free to stop by the front desk today. Call (281) 346-2266, or contact Kylee Ford at kylee@westonlakes.net.

-Fit is not a destination. It is a way of life!

Golf Course Maintenance

This year has started off with a few hard freezes and snow and the forecast looks like we will have a cold winter. We have started the irrigation project, and the first hole we completed went very well. Our goal is to do holes 1-6, 17 and 18 by the end of March if the weather will cooperate. When we finish irrigating the holes we will begin the detail work such as leveling and sod repair. We apologize for the inconvenience of closing a hole while we work on it but in the long run it will improve the quality of the course and improve the way we irrigate. Thank you for your patience and as always please repair your ball marks and sand your divots.

DENTAL IMPLANTS REPLACE MISSING TEETH

"I made the right choice with Dr Lathrop to reverse 18 years of neglect. He calmed my fears with sedation and gave me back the ability to smile with dental implants. I can't wait to take the next step to improve the cosmetics with new crowns and veneers." Fernando D.
