# From the Club Manager

**T**hank you to everyone that attended the Cinco de Mayo Party and Mother's Day Brunch at the Club. Our annual Mother's Day Brunch was held out again with over 200 guests attending. Big thanks to all of the mothers who were in attendance, and letting us take part in your special day. Please remember to make your reservations early next year.

As we come into summer, the activities around the club will be increasing. The Weston Lakes Sports Tennis courts is in full swing, and will be hosting two swim meets this summer at the pool. The sessions will be very busy on Sundays, June 18th, and Wednesdays, June 20th, so be very mindful of the little ones. The LCA Regatta will take place on June 1st and 2nd, Homestyle Brunch will be back on June 10th, our first Kid's Splash of the summer will be June 12th and the SMCA Member Picnic is on June 17th.

With June 15th being the last day of school, our Family Pool will be open for the summer season on June 16th. Please remember that during the summer we have more children around the clubhouse, so I would ask that you keep an eye out for these as you drive around the club. Children are always welcome at the club, but for their safety we require them to be accompanied by parents or adults at all times. We also ask that they refrain from playing in the parking lot, fence beds or wet golfing areas on their carts and to avoid damaging the grounds. Thank you for your cooperation with these items.

Have a great summer, and I look forward to seeing you at the club!

## Property Owners Association

**S**ummer is upon us. Work is underway for the walking trail at Point Park, as well as a bicycle only entrance/out at the Walking/Winding stream area.

The new Outhouse at the Restroom is also moving forward. Construction will begin this summer.

Road repairs will be ongoing, so please be mindful if road closed signs are present.

The POA would like to thank the Keep Western Lakes Beautiful volunteers for their ongoing beautification efforts at both the Winford and main cemeteries.

There have been many questions to the POA regarding Texas Parks garbage services. Please note that the POA does not contract with them; this service is provided by MUD #1. If you have questions/concerns regarding your trash/recycle with Texas Parks, please contact your MUD representative. Also, if you see a maintenance of Best Trash questions/concerns should be directed to Best Trash, not the POA.

The next scheduled POA meeting will be June 28th, hope to see you there.

## From the Golf Shop

**I** hope everyone has been enjoying the summer so far. As the days are getting hotter now, please make sure to take care of yourself while out in the heat by drinking plenty of fluids. We have complimentary cups and lids in the pro shop for the water and ice machines.

The annual Member Open to members was held last month with a full course of 48 teams. Everyone seemed to have a great time raking with friends new and old through all of the different activities. The Putting Contest for the ladies had a big turnout. What great fun for all. So be ready to sign up early next year if you couldn't participate this year.

Coming up this month is the LOA Ranges on June 1st and 2nd. We also have registration open for the July Summer Junior Golf Camp, which will be held July 30th - 19th for ages 6-9 and July 17th - 26th for ages 9-12 and older. Registration for juniors at the pro shop, so be sure to get your junior signed up. For more details or any question on the camp you can contact Ed Manning directly at 281-914-6697.

As always we ask for your assistance in requesting ball marks, divots and stragging the proper distance away from the green.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simonsen  
Director of Golf

## Golf Course Maintenance

**S**pring transition is in full swing the greens are converting from winter grass to summer grass. We will be pushing them to get 100% coverage of the Bermuda on the greens. We appreciate your patience during this time as it will only take a couple of weeks to get our greens to full coverage. I would like to thank everyone for the positive comments we have been receiving on course conditions. I hope to see you on the course, and as always please report your ball marks and sand your divots.

Shannon Donaway  
Golf Course Superintendent

# POKER NIGHT

Thursday, June 23rd at 6:30 p.m. in the Club Room

Men & Ladies Welcome!

Questions? Call  
**(281) 346-1967**

## Ladies' Golf Association

**O**ur match this month is at Heartstone on June 18th. I know Wonder would be thrilled to get 13 players. Heartstone is hard to beat so we need a lot of participation. Please consider playing this month.

If you are new to Western Lakes and are interested in playing in the ladies golf league, we would love to have you join us. We play on Wednesday and Saturday mornings. Contact Susan Murray [msmurray@yahoo.com](mailto:msmurray@yahoo.com) or call her at 281-457-9452 if you are interested.

Kings Tournament is June 1st - 2nd. Good luck everyone!

Tip to speeding up play: When leaving the green, get in your cart with your clubs in hand. Put your clubs away and make your move down on the next tee box.

### June Birthdays

Idona Fogo - June 1st, Caroline Macdonald - June 22nd,  
Penelope Murphy - June 26th, Nancy Wood - June 28th

I want to say a great big thank you to all who supported me through my personal tragedy recently. It's been very, very hard to get a group of things and try to move on. My life will come by the more again. Right now, I am taking baby steps through this ordeal. Thank you all for your thoughts and prayers. Please continue to pray for me.

Paula

## Women's Association

**S**uccess is not a destination, but the road that you're on. Being successful means that you're working hard and walking your walk every day. You can only see your dreams by working hard to reach it. That's how you dream.

By Marie Wayne

When Marie Wayne said this, she could have been describing the dedicated women in the Western Lakes Women's Association or she could have been using the words to her husband/partner/roommate for both of these groups smiled last week and the support of the community.

During the May meeting, the WLWFA Community Foundation, has awarded several scholarships and grants to local students:

Jessal Burns	Scholarship-winner
Miya Taylor	Grant
Alyssa Kuschal	Grant
Dylan Wilson	Grant
Lance Krasak	Grant
Darlene Drey	Grant

The Community Foundation, with a 7 member board of directors, was established in August 2000 to manage and disburse funds received primarily from:

- Memorial Contributions
- Fundraising efforts of the WLWFA volunteers.

It is rewarding to be able to help our students and their families achieve their educational goals. Thanks to Berna Burton and Robin Schulz we will be able to refresh our coffee while partaking the night away. "Luck Be a Lady Tonight" Casino night, the 2013 fundraising event, will occur in October.

May was a busy month for WLWFA. A few days after the scholarship awards, the association held its annual "Progressive Dinner". The theme, "Show Your Team Spirit", coated the festive atmosphere, which was obvious as everyone sported their favorite team shirt. Many thanks to Earlene Hopkins for organizing the festivities and compliments to these hostesses for creating an environment conducive to fun, food, and friendship: Marjorie Pedersen, Shirley Meyer, Jean Lobo, Dana Sarias, Jamie Johnson, Earlene Hopkins, and Betty Kunkler. Of course, a tail gate is all about the food, and the cash in the pot goes through with incredible desserts and appetizers. Their efforts made this night one to remember.

The WLWFA will now have their monthly Tuesday meetings again with a free exercise break. Our next meeting, September 18th at 10:00 am, will feature a special fall fashion show. How is that for a fall kickoff?

Jean Lobo

WLWFA Corresponding Secretary

# City of Weston Lakes

## Mayor's Comments

**T**he City of Weston Lakes' Emergency Management, working with FEMA and the Corp of Engineers, were responsible for removing the tree, which fell during Harvey from Pecan Lake.

The City of Weston Lakes protested the preliminary Flood Insurance Rate Map (FIRM) and Flood Insurance Study (FIS) Report with a technical appeal.

Mayor pro tem Linda Hamist attended the "Harvey Community Forum". They stressed that recovery is a lengthy process and that Bay St. Louis, Louisiana is still recovering from Katrina.

Alderman Bill Ragle and Emergency Management Barrett Shephard attended "Hurricane Harvey Workshop #2", which was on Further Proofing the State of Texas Through Mitigation. They will be attending workshop #3 at the end of June.

The Mayor attended the Mayor's Luncheon in Katy.

The City will be hosting the Small Town Mayor's Meeting this month.

Emergency Management is an important and active part of the Weston Lakes Community. Please consider, join and make a difference. For more information about the Emergency Management give City Hall a call at 281-533-0907, or email us at [twestonlakes@sbglobal.net](mailto:twestonlakes@sbglobal.net).

The City Council meeting will be cancelled in July.

As always, remember that school is out so children are out and about. Please watch your speed.

Mary Rose Zdunkewicz, Mayor

# Garden Club

**W**hat is a friend? Ok, ok - even I can't be that sappy, but not far from it are the feelings I hold for the members of this wonderful club. What a privilege it has been to be a part of our board for these last five years. God truly assembled an amazing team in them. Thinking of the joy we've shared together, my heart is overflowing with gratitude for the honor of a sm all role in serving this beautiful community. We are looking forward to all of the fun they will plan for us starting in September - fabulous speakers, fun outings and warm and welcoming fellowship.

A word of advice to the ladies of Weston Lakes wanting to meet and enjoy the company of fine friends - "Join the Garden Club!" Monthly gatherings are always packed with fun, and you may have even heard that gardening ability is Not required; just a desire to enjoy the beauty around us.

I'd like to thank you for allowing me the privilege of sharing a few words with you each month, and I'm certain you'll give a hearty welcome to Kevin Stoerner as she takes on the role of Correspondence Secretary. It is clear the ladies of the board are thrilled to have her with them, she'll do a great job!

Signing off with a grateful heart and warm wishes for you and yours,

Elizabeth Robbins,  
Correspondence Secretary - retired

*Give Thanks! Thou who has given us so much,  
mercifully grant us one more thing - a grateful heart.*

The next MGA tournament is the Pinehurst on July 7th.

Summer is here so make sure you drink plenty of fluids, use sunscreen and use bug spray accordingly.

## 17 golf rules you definitely need to know when playing in a tournament

### > Count your clubs

Oh come on. No one would ever have more than 14 sticks in the bag, right? Wrong.

### > Ball falls off tee

There's a shocking amount of players that aren't 100 percent sure what to do when this happens. Simple: You get to re-tee without penalty. (Exception: You've already whiffed on the first shot. If the ball then falls off, you have to play it as it lies.)

### > Giving advice

On the weekend, you may ask your friend what iron they just hit, or, while on the green, point to a spot and say, "I think this is the line." While such behavior is standard in a normal round, it's deemed illegal in competitive play. The penalty is two strokes. (Exception: In a team match, you and your partner, as well as respective caddies, can discuss strategy.)

### > The difference between water and lateral hazards

A water hazard is marked in yellow, lateral in red. If you aren't going to attempt to play from the hazard ~ and unless you have a clean shot, we advise you don't ~ you are facing a one-shot penalty.

For a water hazard, a player has three options:

- Go to the designated drop area (not all hazards have this)
- Identify where your ball last crossed the water hazard, then drop as far back as you want from that spot and the pin.
- Play your next shot by dropping a ball nearest to the point where your last stroke was played. You can re-tee if it was your first shot.

A lateral hazard is slightly different. Like with yellow stakes, you have to identify where the ball crossed into the hazard. However, you are given a two club-length area to drop. You can also go on the other side of the hazard ~ assuming no closer to the hole ~ and drop there as well.

### > Improving your lie or position by moving growing things

Your ball comes to rest under a tree, and it appears you have a shot. Only problem is a pesky limb interfering with your backswing. No worries; you can break that branch off, yes?

Nope: You cannot improve the position or lie of your ball. This includes moving or bending anything growing or fixed in the realm of your envisioned swing.

### > Beach rules

The two biggest infractions in the sand are grounding your club and moving impediments from the bunker.

### > Rake in bunker

This is another area that causes confusion, but if your ball comes to rest against a rake, you are allowed to move the tool, as the USGA defines it as a "movable obstruction."

### > Tapping down your putts

This doesn't come up as much anymore, as many players wear soft-tipped spikes. Nevertheless, you'll occasionally come across spike marks on the green and be tempted to press them down. DON'T: That act constitutes a two-stroke penalty.

### > Lost ball time

You have five minutes to search for a ball. The clock begins when you start looking, not after you've hit your shot. After five minutes, the ball is considered lost.

### > Announcing the provisional

A player must announce "I am hitting a provisional" to competitors. You must

abandon your provisional ball if your original isn't lost or out of bounds, or you determine that it's in a water hazard. If someone finds it before you play a shot with the provisional, the first ball is the one you must play.

### > Relief from cart paths, ground under repair, immovable objects

You take your stance, from there getting one club length of relief. The new spot has to be without interference from what caused the drop. From the USGA: "For example, if the ball lies on a cart path, the ball must be dropped at a point where the cart path does not interfere with the lie of the ball, his stance, and also the area of intended swing. If the ball comes to rest in such a position, it must be re-dropped."

### > Unplayable lie

Unlike above, your point of drop doesn't start from a place without interference. You have three options:

- Play a ball as nearly as possible to the spot from which the original ball was last played, no nearer to the hole. If it was on the tee, you can re-tee.
- Take a drop within two club lengths of where the ball is at rest, not nearer the hole.
- Draw a line from the hole to where the ball is located and drop anywhere behind that point, keeping the point between you and the hole.

### > Order of play

This mainly comes up in match play, but whoever is farthest away from the hole is up. And if someone breaks that order, a competitor is allowed to cancel the shot, forcing them to re-plot it.

### > One-ball condition

This is rare: You usually only see this in professional tournaments, most recently when Phil Mickelson was dinged for using two different types of mallets at the Presidents Cup.

### > Sprinkler heads

This falls under the immovable object umbrella, but happens so often that it deserves its own section. Relief is granted from sprinkler heads only if your ball, intended stance, or swing is interfered with. Line of play isn't covered, meaning if you're putting from the fringe through a sprinkler towards the green, well, you might want to break out a wedge.

### > Identifying your ball

Buried in the rough and can't tell if it's your ball? You are allowed to lift the ball for ID purposes. From the USGA: "The player must announce his intention to lift the ball to an opponent, fellow-competitor or marker, and mark the position of the ball. He may then lift the ball and identify it, provided that he gives his opponent, marker or fellow-competitor an opportunity to observe the lifting and replacement."

### > Flagstick

Your group has made it to the green; the hole is almost behind you. And, look at that, your ball has come to rest just inches from the pin. You're so excited that you blurt it in without thought, walking off the green thinking you just made birdie.

Except, the pin was in, and you hit it. That drops your score from a birdie to a bogey and sinks your heart into your stomach.

Other violations include hitting a pin that has been taken out and lying past the hole, or if you purposefully leave the flag in while attending it to cause a penalty on your opponent.

## KEEP WESTON LAKES BEAUTIFUL IS THANKFUL TO ALL VOLUNTEERS AND SUPPORTERS!

### An Amazing Last Few Weeks!

We at Keep Weston Lakes Beautiful can't begin to express our thankfulness and gratitude to so many in our community who have stepped up to volunteer and/or support this community organization. Without your support, we could not begin to accomplish all the wonderful things for our community which benefit each and every one of us and our families. Weston Lakes is truly blessed to have such the thoughtful and conscientious residents ready to support this non-profit organization dedicated to making Weston Lakes the very best Texas community to live in. Thanks to our mayor, our city council, the Surface family, our POA, our civic organizations and volunteers for making the first official year since we formed our 501(c)(3) sixteen months ago. We, as a community, have so much for which to be proud.

In our continued commitment to serve our community, KWLB Board members and volunteers recently participated in a webinar hosted by Keep America Beautiful (KAB) to help us establish plans, efforts and quantify the impact of the KAB affiliate programs and projects. KAB's expertise in community improvement includes litter prevention, beautification, waste reduction and recycling in our community.

### 2nd Annual Boots & Bling Gala a HUGE Success!

*Boots & Bling centerpiece designed by Tania Anton*

Can you say, WOW!!! On April 21, 2018, KWLB's 2nd Annual Sold Out Boots & Bling Gala was an absolute great event. Not only was it a great evening of support for our community, great food, music and dancing, but KWLB raised over \$36,000 to help continue to fund its community efforts for 2018. Volunteer Awards for the 2017 year were bestowed on Clifton H. Aldridge, Carolyn Martinez and Valerie Planchard for their dedication to some of our most prominent 2017 projects, including the Randon Bottom Cemetery Beautification and Restoration, the KWLB Cookbook, "A Taste of Goodness."

Your continued support through 2018 will allow KWLB to realize the fulfillment of its goal to complete the new landscaping at both Waterford and Weston Lakes main entrances.

### Riverwood Park Shred Event

On May 5th, KWLB held its most successful shred event at Riverwood Forest Park. For only \$10 per household, our residents took advantage of this opportunity clear out their homes and garages of years of paper and documents for an excellent cause. Shredding paper is not only a safe and secure way of preventing valuable information from getting into the hands of the wrong people but is also a great way to contribute to helping the environment.

**Fun Fact:** Enough shredded paper can be used as a substitute for Styrofoam peanuts when packing products. Not only is this cost effective, but the shredded paper is less harmful to the environment

than the Styrofoam. Shredded paper can also be composted rather than thrown into a landfill. Composting helps break the paper down naturally. Also, when shredding paper instead of throwing it out, you open up numerous environmentally healthy alternatives to disposing of it rather than simply throwing it in the dumpster. The next Shred Event will be held in November, so stay tuned.

*Bonnet Shepherd, Chris Fairmore, Tania Campbell and Rolando Velazquez break it down*

*Ready, Set, Shred!*

### Party in the Park

Several Board members attended the Parks & Recreation's "Party in the Park" April 22nd at the newly improved Riverwood Park. This fun afternoon provided many residents the opportunity to bring their children and grandchildren out to enjoy newly renovated park, sample some of the yummy treats provided by local food trucks and celebrate Earth Day.

### Keep Texas Beautiful Annual Meeting in Austin Texas

Keep Texas Beautiful has awarded Weston Lakes, in only its first year of existence, 3rd place overall for all Texas cities with a population of less than 3,000 people, as well as the Award of Excellence for receiving a score of 90 or above and received "Silver Star" Affiliate 2018 Recognition. Amazing accomplishments for only a first year organization and positions KWLB for pass through grants. This recognition positions Keep Weston Lakes Beautiful well for the 2018 GCAA and we will continue to strive for 1st place and the \$90,000 Governor's award grant that comes with it!

Keep Texas Beautiful announced that Weston Lakes' resident, Carol Fairbanks won the top honor of Volunteer of the Year for the State of Texas. The Volunteer of the Year Award recognizes the single individual in the State of Texas who, during 2017, supported the mission of KTB through extraordinary efforts and contributed to the betterment of their community.

Awards were presented in June at the Keep Texas Beautiful Annual Awards Meeting in Georgetown, Texas.

### Simple Recycling Program Reminder...

Simple Recycling comes every Wednesday to pick up your qualified recycling material which includes clothing, shoes and household discards (like small appliances, bedding, toys, towels, kitchenware, etc.) in the Orange Bags provided to you. This service is NOT intended for recycling paper or plastics like you normally leave for the local trash service. Simple Recycling pick up your recycled items that have been placed in your ORANGE bag will drop off a new ORANGE recycling material bags to your front door or driveway. This costs nothing to

you or Western Lakes, but the best part is, based on volume, Simple Recycling will give money back to our community for Keep Western Lakes Beautiful projects. This is an easy way to support Keep Western Lakes Beautiful, beautify Western Lakes and improve our environment by keeping these materials out of our landfills.

**Western Lakes Cookbooks:**

"A Taste of Goodness" is absolutely beautiful and **RESOURCEFUL!** Western Lakes residents, friends, family, local chefs and dignitaries combined 198 mouth-watering recipes into a single cookbook compiled by Committee Chair, Valerie Marchand and her amazing volunteer team. Everything you need including appetizers, salads, soups, main entrees, side dishes and desserts are contained in "A Taste of Goodness" to be treasured for generations to come. The profits benefit community beautification, education, recycling and litter prevention programs for Keep Western Lakes Beautiful, as well as our sponsors: Western Lakes Women's Association and Garden Club. Cookbooks are available to purchase for \$10 at [www.cookbookstake.com](http://www.cookbookstake.com). You may also purchase them by calling Thera Wright at 409-426-4564 cell and we'll deliver directly to you. These make wonderful gifts for friends and family members, both inside and outside our gates.

*Keep Western Lakes Mission Statement:*

Keep Western Lakes Beautiful is a volunteer group, co-sponsored by the Western Lakes Women's Association and Garden Club, whose goal it is to reach into every segment of the City of Western Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the P.O.K, and civic, public and parent/teacher organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and surrounding environment, all to raise the pride level of our community.

Keep Western Lakes Beautiful is non-political. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Western Lakes Beautiful. Please contact us. If you would like more information on how you can get involved, please go to: [keepwesternlakesbeautiful.org](http://keepwesternlakesbeautiful.org)
