**Stop by the Waterside Grill
for a refreshing drink this Summer!**

From the Club Manager

The year is flying by and it's hard to believe it's already July, until I walk outside and feel the heat in full force. Always remember to drink plenty of fluids and wear sunscreen when you're out and about.

One way to beat the heat is by taking advantage of our two pools. The entire family can come enjoy the Family Pool that is staffed with lifeguards and an attendant who will be glad to serve you a drink, sno cone or snack. The Adult Pool is reserved for those members and guest that are 18 and older; there are no lifeguards on duty. Both are a great way to cool down on a hot day, so check the pool schedules listed in this newsletter.

Congratulations to all of the winners of our golf association tournaments in June, which included the LGA Ringer and SMGA Member Partner events. We would also like to congratulate the Weston Lakers Swim Team on a successful season and for representing the community. The swim team will hold their end

of the season banquet on July 1st at the club.

We're looking forward to our annual 4th of July Celebration. Be sure to decorate your golf cart, bicycle or classic car and come be a part of our parade in the neighborhood. The parade will start at 10:30 a.m., and then back to the Club for the water slides. We'll also be serving a lunch buffet, and it will be a fun time for all.

Other events in July will include the MGA Pinehurst on Saturday the 7th, Homestyle Brunch will be on Sunday the 8th, Kid's Splash on Tuesday the 17th, Live Music in the Courtyard on Thursday the 19th, and SMGA Red Ball on Saturday the 21st. Please contact the club for more information about these events or to make a reservation.

Have a wonderful summer, and I look forward to seeing you at the club.

Getting to know you
Getting to like you

Getting to know all about you
Getting to hope you like me

You may remember these lyrics from the King and I, but more recently we have heard them on TV commercials. Either way, the lyrics portray the opportunity WLWA offers the women in our community. The opportunity to get to know each other. Since we don't meet in the summer, the July and August articles will highlight a few members, so we can get to know them better. We already like them!

Tammy Lenney is fairly new to Weston Lakes:

Tammy Lenney

My husband and I moved to Weston Lakes from Cinco Ranch in December 2017. We ended up in Weston Lakes after visiting good friends (and former neighbors) Rick and Maureen Pedersen and falling in love with the place! We found a great lot and built our retirement home. I left my job as a secretary at Cinco Ranch High School in June 2016 and my husband retired from the oil business in January of this year.

We have 3 children and 4 grandchildren. My husband is an avid golfer and is trying to get me to play, but I'm more interested in the yoga classes and exercise machines at the Fitness Center! And we love going to Astros games!

Tammy's favorite thing about the WLWA is, "having the opportunity to meet all of the awesome women who live in Weston Lakes." She started coming to the meetings in the fall of 2017. Tammy and her husband really enjoyed the Progressive Dinner and the Christmas Home Tour. She will be on the Programs Committee next year. When asked why women should join WLWA, she responded, "to help the community through scholarships and for the socialization and getting to meet new people." She would like to see more younger women involved in the group.

Donna Rodgers is the WLWA Treasurer this year. She is fairly new to WLWA as she explains:

Donna Rodgers

I retired a year ago when I moved to WL. For numerous years, I had worked in corporate business as a director. I continue to exercise and read almost daily as I did when I was working! I will be learning to play the piano this summer as it's too darn hot to be outside! I love TX for the generosity and friendliness of the people and the weather.... even the summer.

When asked about her experience in WLWA, she noted her favorite thing was that everyone was welcoming, warm, and generous. "She enjoys learning from the programs and she enjoys the fashion shows. She feels women should join WLWA as it is a "Great way to meet your neighbors who, so far, are just lovely people. She feels you will experience "pride in your relationships, neighborhood, and the positive environment."

"My picture is my very first cow 'girl' hat. Though I have to share, I now have two pairs of cowboy boots and will wear them forever. I had no idea how comfy and great they are!"

WLWA meetings will resume in September, where you can get to know these two women better!

Jean Lobo
WLWA Corresponding Secretary

From the Golf Shop

This month we will be replacing our fleet of golf carts with the New 2018 Tempo Club Car. The new carts will have Tempo connect with Hole Overview, GPS Yardage and much more.

The annual SMGA Member Partner tournament was held and everyone seemed to have a great time. We're also looking forward to the events in July including the MGA Pinchurst on July 7th and the SMGA Redball on July 21nd.

The summer heat has defiantly arrived, so please make sure you take care of yourself while out in the heat by drinking plenty of fluids.

As always we ask for your assistance in repairing ball marks, divots and staying the proper distance away from the green. We have added two new sand boxes to fill your sand bottles. One is on Hole # 1 and another by the Driving Range.

Our goal is always to provide a quality experience for all of our members and their guests.

City of Weston Lakes

Mayor's Comments

We regret to announce that Mr. Cliff Aldrich will be resigning July 1, 2018 as Emergency Management Coordinator. Ten years ago, a few residents in Weston Lakes saw a need for change. Cliff Aldrich was one of those residents. He and many others had a vision of Weston Lakes growing and having a lasting impact on our small portion of Fort Bend County. Cliff is no stranger to service. He served his country admirably. He continues to serve his church and up until this month he served as the City's Emergency Management Coordinator. As our EM Coordinator he ensured that an All Hazard Mitigation plan was developed. He also represented our City on the Subsidence District and was our voice and advocate at many County functions over the years. His dedication, planning and support for these last 10 years have been invaluable. We thank him for his dedication and service.

Barrett Shepherd is our new Emergency Management Coordinator. The Emergency Management Committee (EMC) will hold regular meetings on the 3rd Monday of each month at Simonton City Hall at 6:00 pm. If you are interested in being part of Weston Lakes' growing EMC please contact Barrett at 281-612-3977.

The City hosted the Small Town Mayors dinner in June, which was well attended by the small cities of Fort Bend County.

The City will host the Fort Bend County Mayors Luncheon this month.

There is not a City Council meeting in July.

As always, remember that school is out so children are out at play; please watch your speed.

Golf Course Maintenance

Summer is officially here and the temperatures are starting to get hot. The golf course is in great condition. The rains we received in May and June have helped us fill in some of the weak areas in the rough. The maintenance staff has been busy keeping up with the mowing and edging to keep the course in good shape.

Our next tournament will be July 7th. It will be a 3-man Lone Ranger. Pick your team. More detailed information will be forthcoming.

Shout out to John Meloy who shot 69 from the white tees and had a lip-hanger on hole 17, which if it had fallen, John would have shot his age. Congratulations to John on a great round!

Golf's Modernized Rules Released

The USGA and The R&A have unveiled the new Rules of Golf, to be implemented January 1, 2019.

While the majority of proposed Rules remain intact in the final version, several important changes to the initial proposals and further clarification of many Rules were incorporated. The most significant adjustments made following review of the feedback received from golfers around the world include:

▶ **Dropping procedure:** When taking relief (from an abnormal course condition or penalty area, for example), golfers will now drop from knee height. This will ensure consistency and simplicity in the dropping process while also preserving the randomness of the drop. (Key change: the proposed Rules released in 2017 suggested dropping from any height).

▶ **Measuring in taking relief:** The golfer's relief area will be measured by using the longest club in his/her bag (other than a putter) to measure one club-length or two club-lengths, depending on the situation, providing a consistent process for golfers to establish his/her relief area. (Key change: the proposed Rules released in 2017 suggested a 20-inch or 80-inch standard measurement).

▶ **Removing the penalty for a double hit:** The penalty stroke for accidentally striking the ball more than once in the course of a stroke has been removed. Golfers will simply count the one stroke they made to strike the ball. (Key change: the proposed Rules released in 2017 retained the existing one-stroke penalty).

▶ **Balls Lost or Out of Bounds: Alternative to Stroke and Distance:** A new Local Rule will now be available in January 2019, permitting committees to allow golfers the option to drop the ball in the vicinity of where the ball is lost or out of bounds (including the nearest fairway area), under a two-stroke penalty. It addresses concerns raised at the club level about the negative impact on pace of play when a player is required to go back under stroke and distance. The Local Rule is not intended for higher levels of play, such as professional or elite level competitions. (Key change: this is a new addition to support pace of play)

Major proposals introduced in 2017 that have been incorporated into the modernized Rules include:

▶ **Elimination or reduction of "ball moved" penalties:** There will be no penalty for accidentally moving a ball on the putting green or in searching for a ball; and a player will not be responsible for causing a ball to move unless it is "virtually certain" that he or she did so.

▶ **Relaxed putting green rules:** There will be no penalty if a ball played from the putting green hits an unattended flagstick in the hole; players may putt without having the flagstick attended or removed. Players may repair spike marks and other damage made by shoes, animal damage and other damage on the putting green and there is no penalty for merely touching the line of putt.

▶ **Relaxed rules for "penalty areas" (currently called "water hazards"):** Red- and yellow-marked penalty areas may cover areas of desert, jungle, lava rock, etc., in addition to areas of water; expanded use of red penalty areas where lateral relief is allowed; and there will be no penalty for moving loose impediments or touching the ground or water in a penalty area.

▶ **Relaxed bunker rules:** There will be no penalty for moving loose impediments in a bunker or for generally touching the sand with a hand or club. A limited set of restrictions (such as not grounding the club right next to the ball) is kept to preserve the challenge of playing from the sand; however, an extra relief option is added for an unplayable ball in a bunker, allowing the ball to be played from outside the bunker with a two-stroke penalty.

▶ **Relying on player integrity:** A player's "reasonable judgment" when estimating or measuring a spot, point, line, area or distance will be upheld, even if video evidence later shows it to be wrong; and elimination of announcement procedures when lifting a ball to identify it or to see if it is damaged.

▶ **Pace-of-play support:** Reduced time for searching for a lost ball (from five minutes to three); affirmative encouragement of "ready golf" in stroke play; recommending that players take no more than 40 seconds to play a stroke and other changes intended to help with pace of play.

K eep Weston Lakes Beautiful stands out in Georgetown!

Keep Texas Beautiful Annual Conference, Georgetown, Texas

Awards were presented June 11th - 13th at the 51st Annual Keep Texas Beautiful Conference, in Georgetown, Texas.

Several Keep Weston Lakes Beautiful Board members and volunteers were on hand as Keep Texas Beautiful awarded Weston Lakes, 3rd place overall for all Texas cities with a population of less than 3,000 people, as well as the "Award of Excellence" and "Silver Star" Affiliate 2018, and "Volunteer" recognition. Amazing accomplishments for Keep Weston Lakes Beautiful's first year.

This recognition positions Keep Weston Lakes Beautiful well for the 2018 Governor's Community Achievement Award and allows Weston Lakes to apply for pass through grants from numerous donors and agencies. We will continue to strive for 1st place and the \$90,000 2019 Grant that comes with it!

New information, tools, and ideas came home with those who attended, and we look forward to sharing all those improvement projects with our volunteer community.

If you would like to get involved, please contact us at:

Kid Fish

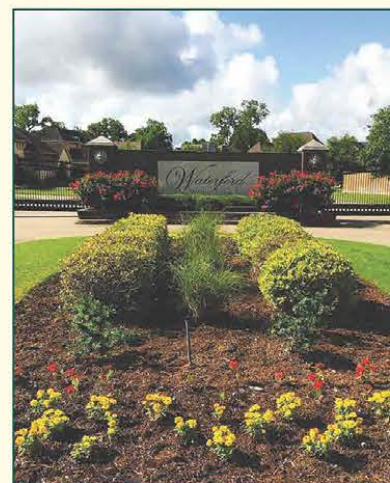

Keep Weston Lakes Beautiful is proud to partner with our neighborhood West Side Stories magazine at what we hope is the first of many Kid Fish events. Amanda Hurst, Publishing Assistant, did a great job organizing this very successful, FUN, family friendly affair. The event included over 225 participants and included our local Game Wardens who provided all tackle and taught our children the proper way to safely bait a hook! Game Wardens also brought along a small alligator to touch and educated on how to live with these creatures in our community!

Keep Weston Lakes Beautiful provided T-shirts to all children and had a teaching table with information on ways to keep our waterways free of litter and showed plants that naturally clean our water the way nature intended! A great lunch was provided by the family of Texas Game Warden Justin Hurst in memory of his service. I think it's safe to say that Weston Lakes would like to continue with these family friendly events!

KWLB Front Gates Beautification Project:

Phase 1 of the front entrance beautification project, which included both Waterford and Weston Lakes entrances, was completed May 26th. Landscaping designs featuring native Texas plants have been prepared and adhere to the Keep Weston Lakes Beautiful commitment to beautification and the reuse and recycling of some existing plants to be transplanted within our community. Our Weston Lakes POA was instrumental in the project and contributed to the repair and redesign of the sprinkler systems necessary to support the beautification. Our next projects will include an **Adopt-a-Spot** at Oxbow, Fairway Villas, Weston Lakes Estates, The Village, Bradford On the Bend, The Reserve, Town & Country and Riverwood. If you are interested in participating in the **Adopt-a-Spot** program. Please contact us at: keepwestonlakesbeautiful@gmail.com

Simple Recycling Program Reminder...

Simple Recycling comes every **Wednesday** to pick up your qualified recycling material, which includes clothing, shoes and household discards (like small appliances, bedding, toys, towels, kitchenware, etc.) in the Orange Bags provided to you. This service is **NOT** intended for recycling paper or plastics like you normally leave for the local trash service. Simple Recycling picks up your recycled items that have been placed in your **ORANGE** bag, will drop off a new **ORANGE** recycling material bags at your front door or driveway. This costs nothing to you or Weston Lakes, but the best part is, based on volume, Simple Recycling sends money back to our community for Keep Weston Lakes Beautiful projects. This is an easy way to support Keep Weston Lakes Beautiful, beautify Weston Lakes and improve our environment by keeping these materials out of our landfills.

We are aware on inconsistencies with pick-up and delivery of bags and are working closely with Simple Recycling to rectify this problem. Please contact us at: keepwestonlakesbeautiful@gmail.com

Weston Lakes Cookbooks:

"A Taste of Goodness" is a beautiful and **RESOURCEFUL!** Weston Lakes residents, friends, family, local chefs and dignitaries contributed 398 mouth-watering recipes into a single cookbook compiled by Committee Chair, Valerie Planchard and her amazing volunteer team. Everything you need including appetizers, salads, soups, main entrees, side dishes and desserts are contained in "A Taste of Goodness" to be treasured for generations to come. The profits benefit community beautification, education, recycling and litter prevention programs for Keep Weston Lakes Beautiful, as well as our co-sponsors Weston Lakes Women's Association and Garden Club. Cookbooks are available to purchase for \$20 at www.cookbooks4sale.com. You may also purchase them by calling Tricia Wright at (469) 826-3564 cell and we'll deliver directly to you. These make wonderful gifts for friends and family members, both inside and outside our gates.

Property Owners Association

Summer has arrived early and with a vengeance. The walking trail has been completed in Pecan Park and we are now developing plans for trees, water to irrigate the trees, a new fence to keep large vehicular traffic off the field, etc. In addition, the playing fields and surrounding areas had new dirt brought in and they have been leveled. The POA and the Parks committee hope that you enjoy the addition.

Effective June 30th, KPM Management will no longer be our management company. As of the deadline for this publication, we have not selected their replacement. As soon as that decision is made an E-Blast will be sent to all residents. If any resident has a question/concern prior to the transition to a new company, please call or e-mail any Board Member, or the POA on-site office.

There will not be a POA meeting in July or August. Please plan to attend the September 27th meeting.

Garden Club

The Weston Lakes Garden Club would like to wish each of you a happy July 4th and we hope that you are keeping cool during these long, hot summer days. What a pleasure it is to drive through Weston Lakes and see that our neighbors take such pride in maintaining beautiful, creative landscaping and manicured lawns.

As the Garden Club enters its 26th year, we look forward to September when we reconnect with our many longtime members and welcome those who are new to the organization. WLGC officers have been busy planning another wonderful year of education, activities, and entertainment! The Garden Club meets September through May, and our 2017-18 season kick-off will be Tuesday, September 25th. Our treasurer, Julie Janek, is ready to receive your dues. Julie's address is 5042 Westchester Drive. Early bird membership dues of \$25 should be paid by September 15th, with dues being \$30 thereafter. Checks should be made payable to the WLGC X 77441.

If you enjoy making friends, visiting beautiful places, learning about gardening and having fun, you will feel right at home with our group! Even if you are not a member, you are welcome to come to a meeting and join in the fun.

DID YOU KNOW?

Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!

Fitness Center

As the heat settles in for the summer, make sure you are practicing safe workout techniques. Stay hydrated, wear sunscreen, and avoid working out in the hottest parts of the day! If your finding the humidity slowing your workouts down, we've got plenty of gear at the Fitness Center to help your workouts stay effective.

Let the Fitness Staff help encourage you with group fitness classes, break your exercises down with personal training, or help your body recover with our massage therapist. We are committed towards

helping you feel you're best!

If you have any questions, would like more information about group fitness classes, personal training, or scheduling a massage, please feel free to stop by the front desk today. Call (281) 346-2266, or contact Kylee Ford at kylee@westonlakes.net.
