From the Club Manager

I think we have experienced our last cool temperatures of the spring in April, and I'm expecting that the summer heat is just around the corner. We've been changing out the landscaping around the clubhouse and planting our spring flowers, so I hope you enjoy seeing them when you stop by the club. Our golf associations were busy in April and each organization had an event. The SMGA held their Interclub on the 19th with teams from other clubs in the area, the LGA held their Member-Member tournament on the 18th, and the Annual Member-Guest was on the 27th through 29th. Congratulations to all of the winners of those events.

May should be a great month around the Club with our Cinco de Mayo event on Saturday, May 5th, and the monthly Live Music is back in full swing on the 10th.

We will be having our traditional Mother's Day Brunch on May 13th, so make your reservations early. The Family Pool will be open on weekends beginning May 19th, so stop by and cool off. Don't forget the club will be open on Monday, May 28th for Memorial Day, and closed the following day.

It's been nice to see so many new faces around the clubhouse, along with our long time members and friends. I think you'll find Weston Lakes is a very special place, and you'll feel right at home in no time.

Thank you again for your continued support.

Golf Course Maintenance

April flew by or I should say blew by and we had unfavorable conditions for growing Bermuda grass with all the cold fronts that came in April. May should be a better month to get things growing and fill in the ditch line from the irrigation project. As I make my way around the course, I see a lot of ball marks not being repaired on the greens. It's not fair to the golfer playing behind you so please fix your ball marks when playing the course.

We will be taking up the sand buckets that are located by the tees. We will be building a rack for sand bottles so you can exchange bottles instead of having to fill them yourselves. Hope to see you on the course and as always please repair your ball marks and sand your divots.

Shannon Donaway
Golf Course Superintendent

From the Golf Shop

We are looking forward to the SMGA Scramble that will be held on **Saturday, May 12th**. There is also a Callaway Demo day set for **Thursday May 3rd from 12 p.m. - 4 p.m.** that was rained out last month.

Check out the closeout clubs we have on sale along with remaining items from the Member Guest. Don't miss out on this great savings opportunity! You never know what you might find.

The summer heat has arrived so please make sure you take care of yourself while out in the heat by drinking plenty of fluids.

As always we ask for your assistance in repairing any ball marks and divots and also appreciate you staying the proper distance away from the green.

Our goal is always to provide a quality experience for all of our members and their guests.

Weston Lakes Residents Only

Women's Association

May...The month of flowers. It is also the month that signals the end of school and the start of summer vacations. This time of the year inspires us to get out and talk to our neighbors, exercise and play sports, fire up the grill outside, and eat healthy. We have all of those things at the WLWA meetings in May!

WLWA Speaker Heather DeAnna

We started off our spring meetings in April with Weston Lakes resident Heather DeAnna. Heather shared her life journey and the touching story that led to her heart transplant. She is a true inspiration.

The plans for May begin on the evening of the 17th. WLWA takes pride in our community and has set aside a special time to honor and give accolades to some deserving Weston Lakes students. As school draws to an end, it is nice to look back at everything our students have accomplished. The Weston Lakes Women's Association Community Foundation will be awarding scholarships at a meeting in the clubhouse. (The funds for these scholarships are available because of your participation in our fund-raising events, so mark your calendars for our fall Casino night!) We realize that these scholarships are made possible by the generous donations of WLWA members and the community.

Summer vacations are not just for students. WLWA will not have a formal meeting again until the fall. BUT, we will have a party! The progressive dinner is somewhat of a tradition. This year the theme is a "Tail Gate Party". We will be having all of the favorites. Brag on your chosen team by sporting any shirt you want. (We will not judge!) We will meet as a large group for appetizers, then separate into small randomly selected groups, then congregate again to stuff ourselves with dessert. This is designed to be a fun time for all.

Mark your calendar:

May 15: Evening meeting at 7 p.m.

May 19: Progressive dinner

(Contact Earlene Hopkins for reservations.)

NEIGHBORS AND FRIENDS ALL ENJOYED THE BEAUTIFUL DAY CELEBRATING EARTH DAY!

Garden Club

If you're wondering if we have fun and enjoy each other - just wait till May 21st when the joyous sound of laughter will be ringing aloud as a merry caravan of Garden Club Members makes its way through the golf course on our annual golf cart tour. One might mistakenly think that being in our club means being an expert in all things horticulture; however, our group is really about community, friendship and learning about the beauty around us together. There are a few talented garden experts in our group that inspire us, but having a green thumb is thankfully not a requirement for joining in the fun.

As part of our May meeting we will be thanking the previous board and welcoming the new crew. You'll be glad to see many familiar faces and we are so grateful for their service.

Just to entice you into joining us in September, here's a look at a few of last year's wonderful programs: We started the year off with a bang celebrating our 25th year by giving gratitude to all who came before us while learning about our local history. As our year progressed, we toured the painted churches on an amazingly gorgeous hill country day, learned from fascinating garden and arbor experts, hosted a beautiful art show, and let us not forget that wine tasting last month!

We'd love to have you with us next year!

Correspondence Secretary

Couples Golf

Weston Lakes Couples Coughatta Spring Fling.

Eight Weston Lakes couples decided to ignore the dire weather warnings and compete in the first semi-annual Weston Lakes Couples golf tournament at Kosati Pines golf course at Coughatta Casino Resort this past March 27th - 28th. In spite of expected monsoons, the rains held off until we completed our second round. Pictured from left to right are the Courts, the Skeens, the Martins, the Murrays, the Rougeaus, the McDonalds, the Ruffins and the Hensleys in the back row!

When not tearing up the course, most everyone won some money in the casino. We quickly found out who our "professional" slot players were! There were others who we had to pry away from either the blackjack or poker tables in order to tee off on time!

These couples are only partially representative of all the couples that play our regular "nine and dine" on Friday evenings at 5 p.m. and Sundays at 4 p.m. If you are new to Weston Lakes, please email Diane Benson at dbensonathome@aol.com to be added into the couples email grouping or just call the pro shop an hour before our tee time. We play a scramble format so no handicap needed!

Since we all had so much fun during this trip, we decided that come this fall, we'd like to do this again. If you are interested in going please make sure we have your email address. I believe that almost everyone won some money in the golf tournament over the two day period, so overall this was a very profitable and fun trip for all!

Keep Weston Lakes Beautiful News!

CONGRATULATIONS WESTON LAKES!

The Keep Texas Beautiful, Governor's Community Achievement Awards (GCAA) have officially been announced!

For more than thirty years, Keep Texas Beautiful, in partnership with the Texas Department of Transportation (TxDOT), has awarded the prestigious Governor's Community Achievement Awards to Texas communities for their outstanding overall efforts to keep their communities beautiful.

This year, Weston Lakes, in only its first year of existence garnered 3rd place overall for all Texas cities with a population of less than 3,000 people, as well as the Award of Excellence for receiving a score of 90 or above. Sara Nichols, Keep Texas Beautiful Program Director, announced it had some truly amazing nominations this year and are proud of what all our communities are doing to Keep Texas Beautiful.

This recognition positions Keep Weston Lakes Beautiful well for the 2018 GCAA and we will continue to strive for 1st place and the \$90,000 award grant that comes with it!

Keep Weston Lakes Beautiful also received "Silver Star" Affiliate 2018 Recognition Standing. Affiliates who have completed their recognition requirements to meet Good Standing or higher are the only communities eligible for Keep Texas Beautiful pass through grants, Don't Mess with Texas collateral for litter prevention events, bonus incentive items for Great American Cleanup/Don't Mess with Texas Trash-Off, and ability to apply for a scholarship to

the KTB conference. It is also an important requirement for Keep America Beautiful certification. Keep Weston Lakes Beautiful is currently meeting KAB requirements. Again, very impressive for a first-year city.

Finally, Keep Texas Beautiful announced that Weston Lakes' resident, Carol Fairbanks won the top honor of Volunteer of the Year for the State of Texas. The Volunteer of the Year Award recognizes the single individual in the State of Texas who, during 2017, supported the mission of KTB through extraordinary efforts and contributed to the betterment of their community.

Honorees will receive their awards at the Keep Texas Beautiful Annual Awards Meeting, June 11th through 13th, in Georgetown, Texas.

Keep Weston Lakes Beautiful Announces its Volunteers of the Year:

Clifton H. Aldrich

Clifton H. Aldrich, for his invaluable dedication and information of Weston Lakes' Randon Bottom Cemetery. With his research and ideas, dating back to 2010, the ground work was laid for what would become the catalyst for the creation of Keep Weston Lakes Beautiful. The cemetery is now a candidate for designation as a Texas Historic Cemetery.

Carolyn Martinez, for her leadership in the restoration, beautification and rededication ceremony, of the Randon Bottom Cemetery. With her patience, grace and follow through, Carolyn and her committee, restored this hallowed land within our gates, and will be an educational source for all.

Carolyn Martinez

Valerie Planchard

Valerie Planchard, Chairwoman of KWL B's Cookbook, "A Taste of Goodness." Valerie and her husband, Hans, were one of the 86 homes flooded during Hurricane Harvey. Even through the hardships, her commitment and attention to detail never faltered. "A Taste of Goodness" went to press on schedule and will be enjoyed for generations to come.

It is because of individuals like these, that Keep Weston Lakes Beautiful, continues its mission of instilling pride and improving our community. Congratulations, we thank you for your volunteerism and dedication!

Simply Recycling Program

Simply Recycling comes every Wednesday to pick up your qualified recycling material which includes clothing, shoes and household discards (like small appliances, bedding, toys, towels, kitchenware, etc.) in the Orange Bags provided to you. This service is not intended for recycling paper or plastics like you normally leave for the local trash service. Please watch your mail for Simply Recycling's notice mailer on how the FREE service works and what materials to recycle. After you receive your mailer, Simply Recycling will drop off ORANGE recycling material bags to your front door or driveway. After that, simply place your Simply Recycling bag out at your curbside on any Wednesday and POOF! It will be gone. This

costs nothing to you or Weston Lakes, but the best part is, based on volume, Simply Recycling will give money back to our community for Keep Weston Lakes Beautiful projects. This is an easy way to support Keep Weston Lakes Beautiful, beautify Weston Lakes and improve our environment by keeping these materials out of our landfills.

Other dates to remember:

May 5, 2018 - KWLBS Shred event - 10 a.m. to 12 p.m. in Riverwood Park. \$10 per household, Weston Lakes resident only. Perfect opportunity to clear out those old tax documents. ALL ITEMS SHREDDED ON PREMISES.

May 19, 2018 - WaterWise Cleanup event - More details to follow later.

Weston Lakes Cookbooks:

"A Taste of Goodness" is absolutely beautiful and **RESOURCEFUL!** Weston Lakes residents, friends, family, local chefs and dignitaries contributed 398 mouth-watering recipes into a single cookbook compiled by Committee Chair, Valerie Planchard and her amazing volunteer team. Everything you need including appetizers, salads, soups, main entrees, side dishes and desserts are contained in "A Taste of Goodness" to be treasured for generations to come. The profits benefit community beautification, education, recycling and litter prevention programs for Keep Weston Lakes Beautiful, as well as our co-sponsors Weston Lakes Women's Association and Garden Club. DID YOU KNOW?

Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
