# From the Club Manager

**I**t's hard to believe we have already reached November and we'll be coming to the end of 2016 before you know it. I always look forward to the holidays, but we've still got time to enjoy this cooler weather before the busyness of the holiday season begins. It's the perfect time to get out on the golf course, the tennis courts, or take a bike ride around the neighborhood. Congratulations to the LGA and SMGA Club Champions that were crowned during the month of October. We also had wonderful turnouts for the Fitness Field Day and Zumba Party that raised money for breast cancer awareness, Karaoke Night in the Courtyard, and our annual

Spooktacular event to celebrate Halloween.

In November we're looking forward to the Weston Cup golf tournament on the weekend of the 5th and 6th, the Veteran's Breakfast on the 11th, and our last Homestyle Brunch of the year on Sunday the 13th. If you are interested in ordering a Thanksgiving meal from the club, the deadline for placing your order is November 15th. If you are interested in any of these events, please contact the club at (281) 346-1967.

I wish you a wonderful Thanksgiving with family and friends.

Jason

# Garden Club

**Q**: What makes the Garden Club such a special group?

**A:** All the beautiful, generous hearts! Once again, giving to our community will play a key role in our November gathering. Note: due to the Thanksgiving holiday we will meet **Thursday the 17th** at the club.

We'll enjoy an inspiring presentation by Weston Lakes own Shellie Broyles as she teaches us how to create holiday arrangements to last throughout the holidays. You'll surely want to be there!

The **Toys for Tots Drive** will be held at the meeting and will welcome your donation of new and unwrapped toys for Fort Bend children who might otherwise be without any gifts this holiday season. Just look for the handsome marines 10 a.m. – 2 p.m. in the ballroom foyer. Donations can also be taken to the POA office **Tuesday, Thursday and Friday 9 a.m. – 5 p.m.** until **Tuesday the 15th** – thanks Don! Contact [WLToysForTots@gmail.com](mailto:WLToysForTots@gmail.com) for additional assistance if needed.

The Blood Bank will be there as well. Make your life-giving appointment at [giveblood.org](http://giveblood.org). **Kathy Smith** has done a great job coordinating this event and can be reached at **281-748-4094** if you need further assistance. Walk-Ins are also welcome. Come make a difference!

Our members are looking forward to a wonderful tradition, tour and luncheon at Brookwood on **Tuesday, December 13th**. Paid reservations required prior to **November 20th** for this limited space event.

Give Thanks! Oh, Thou who has given us so much, mercifully grant us one more thing - a grateful heart.

(George Herbert)

**Elizabeth Robbins**, Correspondence Secretary

# Property Owners Association

**F**all is finally upon us, and brings a flurry of activities with it. The November POA meeting will be held on the 17th to accommodate Thanksgiving. This will be your opportunity to "Meet the Candidates" for the 3 open POA positions as well as the 2 open ACC positions. Voting for the positions begins prior to this meeting on November 4th and concludes at the December meeting.

We will once again offer gate passes for your Thanksgiving guests. Per the November 1st blast, please respond per the instructions and a customized pass(s) will be provided.

Repair/replacement work on the walkways in Lake Village has been completed.

The first Parks and Recreation Survey is complete. The response was tremendous with 371 property owners weighing in. Full results have been distributed via an earlier E-Blast, but the following were #s 1 and 2.

Walking Trails and fitness stations ..... 143

Playground equipment/Playgrounds ..... 139

The Committee thanks all that responded. The results give them data to help them move forward with their short and long term plans.

## "Mine and Two More"

All MGA members should be following the "mine and two more policy". Pitch marks on greens and divots in fairways do not repair themselves. When you repair your pitch mark on the green, look around and repair two others. If your ball did not make a pitch mark, repair two pitch marks which weren't repaired by inconsiderate players. Each time you hit a ball from the fairway (or rough) repair your divot and find two others to repair. Be stewards of the course. Lead by example.

# Senior Men's Golf Association

**W**e had a very successful Club Championship Tournament held on October 7th & 8th and God blessed us with two beautiful days of golf and the course was in great shape. John Kemper and the Weston Lakes Pro-Shop put the tournament together and the scores turned out to be close in all the flights. The main thing was that

everyone had a good time. We had a lunch provided after each of the two days of golf and the event ended with a sit down dinner, with significant others, on Saturday night. The Weston Lakes Restaurant staff provided a prime rib dinner for each of us, and it was delicious.

**Thanks to everyone who made the tournament a success.**

Also, matching par or better was **Dick Farris**-37 and **Louis Stoerner**-36. Congrats to **Rick Kimbrell** for a closest to the pin. Other players were **John Kemper**, **Rodney Bartek**, **Mike Surface** and **Mike Bednarz**. Although, our team scored high, it was a competitive day as our team came in 5th place out of 8 teams.

The Ft Bend Interclub was held on October 13, 2016 and our team came in 5th. High point players were **Marty Dubroc** with 36 and **Benny Bixenman** with 35. **Paul Danni** won a closest to the pin. 7/12/2016: **Clarence Bedsole** shot 73, one under his age from the Red Tee Box.

# Fitness Center

**T**hanksgiving is right around the corner, and more often than not, it's the time of year that weight tends to fluctuate and healthy habits are kicked to the curb! Holiday season is the toughest time of the year to stay on track with your Fitness Goals because everything is centered on food...and LOTS of it! Here are five tips and tricks to help you stay on track through the Holidays!

1. Fit it all on one plate. Prevent over-stuffing yourself by fitting your Thanksgiving feast all on one plate (This works best if you don't use an oversized plate filled to the brim). Sample small portions and avoid going back for seconds. If you're tempted to return for more, give yourself 20 minutes (about how long it takes to feel full) first.
2. Eat slowly. Thanksgiving foods are likely to be richer and more filling than your everyday fare, so eat slowly and savor every bite.
3. Enjoy the company of family and friends. Socialize during your meal and festivities. You can't eat and talk at the same time ~ so the more conversation you enjoy, the less you'll eat.
4. Get moving. Sign up for a local Turkey Trot 5K or 10K and spend your Thanksgiving morning getting some exercise. Not only will you burn some calories, but you'll also enjoy some holiday fun!
5. Make some easy Turkey day substitutions. For example:
  - Eat the white meat without the skin instead of the dark meat with skin and shave off 190 calories.

**Turkey** – white meat, no skin (6oz): 180 calories, 3g fat

**Turkey** - dark meat, with skin (6oz): 370 calories, 20g fat

# Women's Association

**C**lear November 15th on your calendar because you will definitely want to be at the WLWA meeting on that day. **Designs by Kay and Carolyn** will be presenting ideas on how to dress with style and even repurpose outfits you already own. **Carolyn Martinez** and **Kay McIlvoy** joined forces in this endeavor five years ago, but both ladies have many years of experience in fashion and interior design. Kay began her career in the Couture Salon at Sakowitz. She was instrumental in opening the Designer Salon at Macy's Galleria and culminated her long retail career at Neiman Marcus as a Designer/Salon Manager/Buyer. Carolyn is a well-known and loved member of the WL Women's Association who has helped many clients in our neighborhood and throughout the metropolitan area with their wardrobes and homes with a fabulous sense of style and pizzazz! Come on November 15th and find out how to dress for those upcoming Holiday events with ideas for repurposing items you already have for a fresh new look!

We had great weather for the "perfect 5K" event on October 8th! There were hundreds of walkers/runners, and many great sponsors who made the day a huge success. We extend our thanks to **Daniel**

**Ward**, principal of the newly opened Fulshear High School, for welcoming us so graciously to use his beautiful new facility. **Kelsie Brown** and her cheer squad were a great asset for helping get everyone pumped up. Also thanks to the many volunteers with Dr. Kean's Fulshear High School group who came out to help the event run smoothly. Our thanks to all who supported this year's WLWA Fulshear 5K, which benefits our community members and students with grants and scholarships. It will be even bigger and better next year—so be watching for that date after the first part of the year.

WL Women's Association is open to all ladies residing in Weston Lakes. There are inspiring programs each month, with educational tips on personal and home improvement planned by **Carolyn Martinez** and **Jamie Johnson**. Please come and visit, enjoy the many fun and diverse programs and events, and meet some interesting and fun women in our community! Meetings are the third Tuesday of each month beginning at 10:00 a.m. Dues are \$30.00, with a reduced rate for new members in November and December. We would love to have you visit and join!

WLWA Corresponding Sec.

### BOOK CLUB

**November 14th at 2 p.m.**

**At the home of Linda Haffaker**  
**at 32610 Waltham Crossing**

**Rosemary:**  
**The Hidden Kennedy Daughter**

*by Kate Elizabeth Larson*

Joe and Rose Kennedy's strikingly beautiful daughter Rosemary attended exclusive schools, was presented as a debutante to the Queen of England, and traveled the world with her high-spirited sisters. And yet, Rosemary was intellectually disabled — a secret fiercely guarded by her powerful and glamorous family. Major new sources — Rose Kennedy's diaries and correspondence, school and doctors' letters, and exclusive family interviews — bring Rosemary alive as a girl adored but left far behind by her competitive siblings. Kate Larson reveals both the sensitive care Rose and Joe gave to Rosemary and then — as the family's standing reached an apex — the often desperate and duplicitous arrangements the Kennedys made to keep her away from home as she became increasingly intractable in her early twenties. Finally, Larson illuminates Joe's decision to have Rosemary lobotomized at age twenty-three, and the family's complicity in keeping the secret. ( 320 pages)

## Golf Course Maintenance

**O**ctober ended up being a good month for the golf course we had little rain and cooler temperatures to help our winter seed. The winter seed is well established and the mowing heights are back to normal. The course is in great condition due to the hard work of the maintenance staff doing such a great job keeping it in shape during the hot summer months. Hope to see you on the course soon and please remember to repair ball marks and sand your divots.

**Shannon Donaway**  
Golf Course Superintendent

## From the Golf Shop

**N**ovember is here!!! Along with the cooler temperatures, this will be a great month for golf.

These cooler temperatures also tell us the holiday season is near, so if you are looking for that special gift, stop by the pro shop and check out our FALL MERCHANDISE. We will have several HOLIDAY SPECIALS through the end of the year. So don't be the one to miss out!

Also, use your "Pro Bucks" will be expiring so use them before the end of the year.

We hosted the SMGA and LGA Club Championships in October and congratulations goes out to all of the new club champions. In November, we are looking forward to the Weston Cup tournament on the 5th and 6th. The event is always fun as the MGA and SMGA compete against each other for the Weston Cup and bragging rights for a year.

I look forward to seeing you in the Golf Shop soon.

Our goal is always to provide a quality experience for all of our members and their guest.

Weston Lakes Resident

## DID YOU KNOW?

## Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*
