From the Club Manager

I hope 2019 has started off being a great year for you so far. To stick with your new year's resolution, stop by the fitness center and say "Hello" to our new fitness director, Ross Kilpatrick. He would be glad to show you around or help get you signed up with a membership. Our maintenance crews have been busy with the second phase of our irrigation project on the golf course, and we would like to thank our golfing members in advance for your patience during this work.

We didn't waste much time in 2019 getting started with new member activities. The LGA held their annual Ice Breaker tournament on January 9th, and thankfully all the dedicated players survived the weather. We also had a great turnout for our Elvis Night event on Friday, January 25th. The event was sold out and everyone seemed to have had a wonderful time watching the King in action.

We will be having our annual Valentine's Dinner on Thursday, February 14th, this year. Please be sure to make your reservations early because this is always a very popular event and seating is limited. We will also have our Sunday Homestyle Brunch on February 10th. We appreciate getting reservations for the Homestyle Brunch, but if you didn't make a reservation and you're looking for a place to eat after church, please feel free to come anyway. We always have a few extra tables. The MGA will hold their first event of 2019 with the Kickoff Dinner on Friday the 8th, and the Kickoff Scramble on Saturday the 9th. If you aren't a member but would like to get involved with the MGA, LGA or SMGA in 2019, please check with the staff in the Golf Shop for more details.

I look forward to seeing you around the club soon.

SMGA UPDATE

The SMGA 2019 golfing year is underway! Everyone seems to be recovering from the Christmas Holiday Season and ready to get out and play golf. We had 60 golfers brave the cool weather Tuesday, January 8th. What a great turnout! The Weston Lakes course maintenance crew is working very diligently on the outer loop irrigation system. We will continue to work with Keith and the Pro Shop to understand which hole is out of play each play day as the workers continue to install the new irrigation system.

We want to welcome **new SMGA member Paul Davis**. Paul joined the SMGA at the January 15th play day. Welcome Paul. In the event you haven't paid your 2019 SMGA dues, please do so as soon as possible. You can give your 2019 Dues (cash or check) to Dan Bishop, any SMGA Board member, or leave it in the Pro Shop in the SMGA wicker basket above the Handicap Computer. **Please include your name and SMGA 2019 Dues on the envelope.**

The 2019 SMGA Board met on Wednesday, January 9th. The board is working on some minor edits and updates to the SMGA By-Laws to be presented to the membership at the first quarterly meeting Saturday, February 23, after the completion of the Member-Member tournament. The Tournament Directors for the 2019 SMGA Tournaments are:

Tournament	Date(s)	Director	Quarterly Meeting
Member-Member	Saturday February 23	Mike Bednarz	First Quarter
Ringer	Friday & Saturday - April 5 & 6	Rob Yarbrough	
Scramble	Saturday May 11	Mike Bednarz	Second Quarter
Member-Partner	Saturday June 22	Dan Bishop	
Red Ball	Saturday July 27	Rodney Bartek	Third Quarter
Club Championship	Friday & Saturday - October 4 & 5	Louis Stoerner	Fourth Quarter
Weston Cup	Saturday Sunday - November 2 & 3	Louis Stoerner	
Christmas Party	Tuesday December 10	Rodney Bartek	

Mark the dates on your calendar and contact the Tournament Director with your suggestions on improving each tournament. Rodney Bartek is the Tournament Director for the 2019 SMGA Match Play event. The Match Play Tournament gets underway February 4th. The 2019 SMGA Member - Member tournament is Saturday, February 23. The sign-up sheet is in the pro shop or contact Mike Bednarz, Tournament Director.

CONGRATULATIONS to James McDonald! James shot his "career" lowest score of 81 at Weston Lakes while participating in the Thursday, January 10th, play day. While discussing his accomplishment after the round, James attributed his success to "Playing it Forward". James moved forward to the red tees last year in celebration of his 70th birthday. When playing the Gold tees the last couple of years, he would predominately use driver, 3-wood, wedge and putter on most, if not all, of the par four holes. Now he finds himself utilizing more of his irons and enjoying the round much more. Congrats James.

SMGA COMMUNITY INVOLVEMENT GROUP

The SMGA Community Involvement Group was formed last year. The group continues to identify local area faith based missions to support. In January the group presented monetary donations to Family Hope Missions and Manna House. The donations were proceeds from a Raffle at the 2018 SMGA Christmas Party.

Family Hope

On Friday, January 11, 2019, the SMGA Community Involvement Group presented Dr. Dale Olson - Family Hope with a \$900 donation. Family Hope is one of the area missions that the SMGA supports. Family Hope is a Fulshear - Simonton area mission that supports families in the area. It was formed in 2014 by a group of pastors and community leaders that came together to address the need of family services in the Fulshear-Simonton areas. Family Hope was formed to be a place of COMPASSION and TRANSFORMATION for the community of Fulshear and Simonton in Fort Bend County. (From left to right in the photo: Bob Brown, John Dunn, John Kemper, Dr. Dale Olson, Marty Dubroc, Charles Wisdom, Mike Bednarz and Rob Yarbrough).

Manna House

Also on Friday, January 11, 2019 the SMGA Community Involvement Group presented the Manna House with a \$900 donation. For over 20 years, the Manna House has been operating in Brookshire, Texas, as a residential addiction recovery and rehabilitation campus. It is a unique program that utilizes biblical principles and the Christian *Twelve Steps of Recovery* in a safe, peaceful residential setting. SMGA members John Kemper, Mike Bednarz, Charles Wisdom, John Dunn, Marty Dubroc, Bob Brown, Richard Delmar and Rob Yarbrough provided pizza, salad and homemade cookies for dinner. The members also participated in a Life Values class conducted by SMGA Community Involvement Team member Mike Ellaby. The photo above is of John Kemper presenting the check to Larry Haywood - Assistant Director.

Ladies' Golf Association

It was so nice to see a great turn out once again for the Icebreaker Scramble. We had a nice lunch afterwards and our first meeting of the year.

We have our Putt Pot, Chip-in Pot and Most-Putt Pot again this year. Total cost is \$3. This is strictly voluntary. You can give your money to Ting if you want to participate.

Match play will begin on Feb. 1 and conclude on May 25. If you are interested, the cost is \$10 (cash only). Mona will send out an Email on this with the brackets. Stipulation is you cannot have more than 2 weekends between matches.

Our Pot of Gold Tournament is vastly approaching on March 13. We will need assistance in many ways. Our sponsorship levels this year are \$200 and \$100. We need raffle baskets donated. Pair up with another team member and put together a "themed" basket. Thanks in advance for this.

Just a reminder if you are 70 years of age or older, you are eligible to use the orange tee boxes. They are located in front of the red tee boxes, except on Par 3s. Word is, they're pretty nice!

We have only 29 paid members. Where are you??? If you have not yet paid your dues to Bonnie, please do so now and come out and play with us.

FEBRUARY BIRTHDAYS:

Dot Dowden, Feb. 3; Irene Brackenridge, Feb. 5;
LaDonna Bergman, Feb. 9; Helen Ihrke, Feb. 17; Eileen Murray, Feb. 25

2019 Rules of Golf

Here is a great USGA web site that contains great information about the 2019 rule changes. Go to www.usga.org Select videos from the home page or type in 2019 rules in the search window (I got 16873 results, you decide which is better). There are boxes where you can select various rules videos including 2019 rules. Did you know when a ball drop is required when taking relief, it must be let go at knee height and it does not touch any part of the player's body or equipment? Rule 14.3.b.

Upcoming MGA event

The next MGA event is the Member-Member tournament on March 23.

Etiquette

Last month we talked about Respect for the course. The rough remains long so more work is needed on repairing our divots. We will finish part one (respect for the course) this month. Respect for the course means leaving the course as you would like to find it by repairing pitch-marks, replacing divots and raking bunkers.

Expectations: we have a beautiful golf course in Weston Lakes, but it is not Pebble Beach or Augusta National. (Nor are the green fees.) It takes months and years to prepare a course for a championship round. We play on our course through maintenance projects with little difficulty. Players must ensure they do their part in keeping the golf course in its best condition. It should not be left to Shannon and his team to keep Weston Lakes in top condition. Golfers have a role to play as well.

Unknown damage: did you know that taking practice swings on the tee box creates twisting and turning of your feet and can create significant wear and divot damage? Solution: complete your stretching and warm up swings, especially the first tee, off the box. Also, leaving your broken tee on the tee box is not respectful of the course or other golfers. Pick up your broken tee and four more.

Bunkers: Bunkers require special golfer etiquette. Please be mindful of your enter, exit, and play from bunkers to avoid causing damage or personal injury. Use the lowest point of access when entering a bunker, even if that means taking a slightly longer walk. Most important, avoid entering or exiting bunkers on steep slopes. Try to disturb as little sand as possible when walking in a bunker and use a nearby rake after your shot to smooth any footprints or imperfections that you create. After smoothing any imperfections and exiting the bunker, make sure to place the rake parallel to the line of play with the teeth oriented downward on the outside of the bunker, unless instructed otherwise. Before walking away from the bunker, knock any sand off your shoes.

On behalf of the MGA Board, we wish all of you a prosperous and great year golfing at our club.

Jonathan Henson
Secretary, WLMGA

Fitness Center

It's time to hold yourself accountable to those New Year's Resolutions. Spend this month finding an exercise you enjoy! Enjoying your workout is one of the best ways to keep up with your fitness goals, unless you have an unlimited supply of discipline, which let's face it, most of us don't!

If you find it tough to self-motivate or commit to a regular workout routine, try working with one of our Personal Trainers. We are here to help keep you accountable, push you past what you thought you were capable of, and create a program suited to your individual fitness needs.

With February being American Heart Month, make sure to take care of yourself and your loved ones! 30 minutes of exercise a day can drastically make a difference in your heart health. Heart disease can often be prevented when we make healthy food choices and manage our health conditions. This Month we will be hosting a challenge for all Weston Lakes Fitness Center Members! Let's see if we can collectively log 500 hours of cardio in February! Who's in?? Swing by the gym and ask for more info!!

For class schedules, or updates, please look for our E-blasts or check out our Facebook page at www.facebook.com/wlccfitnesscenter/. For more information, or to schedule a massage or an appointment with a Personal Trainer, please email Ross Kilpatrick at ross@westonlakes.net.

From the Golf Shop

The New Year is off to a great start and the activities at the club are picking up, so make sure to call in and set up your tee time early. We didn't waste much time getting started with our tournament season, which began with the LGA's Icebreaker Scramble on January 9th, and I am pleased to say the Ladies had a good turnout!

The MGA will begin their 2019 season with the Kickoff Banquet on Friday, February 8th, and their Kickoff Scramble tournament will be held the following day on February 9th. The SMGA will begin their season with the SMGA Member Member on February 23th.

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the carts any closer than 30 yards to the green. Also, the irrigation project is moving along very well and should finish up by the end of February. Thanks to Shannon and his staff for working overtime and 7 days a week to get the job done.

As always our goal is to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

Meeting Information

We are looking forward to another great meeting on **February 26th**. Our guest speaker will be professional photographer Ron Grimes, who will be sharing **Nature Photography Tips and Tricks**. We will be in the ballroom at the Clubhouse at 10:00 a.m for social time, with the meeting set to begin at 10:30 a.m.

Our treasurer, Julie Janek, will begin collecting money at the February meeting for our upcoming March and April day trips.

March - Tour the Bayou Bend Collection and Gardens

As our Bayou Bend tour requires a reservation for each person, your \$10 cash or check will confirm your ticket. Plans are to lunch at Maggiano's following the tour.

April - Tour the Museum of Fine Arts and Florescence Exhibition

The MFAH tour will also require tickets to be purchased in advance. The cost for the ticket is \$16. After the tour, we will lunch at Hotel ZaZa.

Outreach Update and Opportunity

Thanks to those of you who donated items for our annual Valentine gift bags that we put together for residents at the Brookshire Nursing Home and for senior citizens at the Irene Stern Community Center. The Valentine party at the Community Center is scheduled for February 12. Gift bags for nursing home residents will be delivered on February 14. We are looking for a few volunteers to assist in delivering gift bags to the nursing home. Please contact Sharon Gormanson at 281-217-3238 if you would like to help. We would also like to send a special Valentine to Sharon to thank her for planning and coordinating our gift bag outreach.

Golf Course Maintenance

I would like to start by thanking all the members for their patience during the irrigation project on holes 7-15. We should be finished by the 2nd week of February as long as we don't have any heavy rain events. The staff has been working hard to complete the project in half the time it took last year so we can work on cleanup and getting the course ready for the ladies Pot of Gold Tournament. Thanks again for your patience and as always please repair your ball marks and sand your divots.

The nice thing about living in Weston Lakes, when February arrives you get to start seeing the first hints of spring. It is like you get to experience the renewal of energy almost 2 months before other parts of our fellow Americans, and the winter doldrums seem to fly out the door.

Well, WLWA is right there with you in that spring renewal/energy stage. We fought the winter doldrums with our January "New Year, New You" program. Carol Fairbanks provided artistic inspiration on how to make our eyes, those windows to the soul, be one of our greatest assets. (Thank you Rachel Durham for being the pallet, the final picture was beautiful.) If nothing else, we were truly inspired to make sure to remove eye makeup every night, apparently there are small critters that cling to your lashes...who knew? Dana Sarles not only can make your house shine, she can add sparkle to your wardrobe. Dana gave us insights on new fashion trends and how to accessorize. But you can't feel good about yourself without taking care of the physical you. Thanks to Cheryl Finney, a local wellness coach, we have some hints. Two big take-aways were:

1. Always drink lots of water.
2. (You might hear a drum roll), there are healthy wine options out there.

Cheryl has a side business offering healthy wines and she would love to help you keep those "healthier you" resolutions.

But with spring energy descending upon us, the board of WLWA is springing into action offering programs and activities for everyone. We look forward to hearing from Don McCoy, President of the Katy Fulshear Chamber of Commerce in February as they update us on upcoming growth and changes to our neighboring community. We will once again be having a Progressive Dinner in the spring, so please consider being a hostess for a small dinner group.

The WLWA is a social organization, but we do have a philanthropic arm. The Weston Lakes Community Foundation distributes the donations raised from community outreach and the fund-raising events put on by the association. The recipients include graduating seniors and local community service suppliers such as the fire department and library. Special thanks to Shirley Cassel as she presides over this board, along with thanks to all of the efforts of the Foundation Board. They will be interviewing students for scholarships soon. Applications may be picked up at the library or from a member of the scholarship committee.

If your seeking ways to serve you community, WLWA needs you. Contact Dana Sarles. (danawlwa@gmail.com) There are several committees that could use your help. If you are seeking to be surrounded by those who will make you smile, you will find that network at every WLWA meeting, so don't miss the February 19 gathering. Join us around 10 a.m. at the clubhouse for coffee; the program starts at 10:30 a.m. Dues are \$30 for the year.

Congratulations!

The City of Weston Lakes is proud to receive the designation as a Tree City USA community for the first time!

This distinction, which is awarded by the Arbor Day Foundation, recognizes communities who demonstrate a commitment towards effective urban forest management. Thank you to the tireless efforts of the Weston Lakes Tree Board, residents, and to all the volunteers who went above and beyond to make this honor a reality.

KWLB is dedicated to the betterment of our city and the continued environmental sustainability.

Our tree program included over 800 volunteer hours and 93 trees being planted throughout Weston Lakes.

Total Community Value at cost: \$67,576.79

Our ongoing Tree Tribute program allows residents to purchase a Tribute Tree, to be planted on private property or an approved common area within Weston Lakes, that will be a lasting gift to grow more beautiful every year. In addition, over 93 new trees have already been purchased and planted in our city this year with many more to come in the following months.

For more information please go to: keepwestonlakesbeautiful@gmail.com or call Nancy Case at: 281-346-1273

Introducing the 2019 KWLB Board

President - Carol Sandoval	Vice President - Buddy Williams
Secretary - Nancy Case	Treasurer - Allison Dewees
Janet Bartek	Rachel Durham
Harry Sturges	Beau Blackard

Advisory Board: Charles Sheffield, Julie Sawyer, Katelyn Surface-Gray, Bill Ragle, and Tara Campbell.

Executive Director: Carol Fairbanks

We look forward to another wonderfully success year! Many thanks to our past members for their service.

Pecan Park Update - Rebuilding Texas Grant

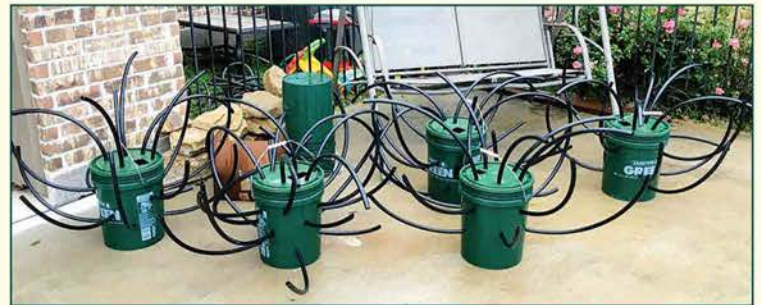

KWLB continues to work on the beautification of Pecan Park, along with the POA, and we wanted to give Weston Lakes residents an update. KWLB has planted three 65-gallon Live Oaks in the center of the "walking trail", three 45-gallon Cypress and two 15-gallon Crepe Myrtle trees along the bank of Pecan Lake. Also, two 15-gallon Texas Olive trees were planted in the newly certified Monarch Butterfly Waystation located in Pecan Park. Texas Olive trees are a lure and natural habitat for butterflies.

By planting the new trees along the walking trail and lake banks, these trees will grow up to play an important role in our community. In addition to beautifying spaces, they will create more shade along the heavily used grounds, improve our air quality and help with drainage. As our city grows, how we maintain and develop our community impacts all the resources, people and surrounding landscape.

Finally, to improve water quality and overall aesthetics of Pecan Park Lake, six artificial fish habitats made of recycled HDPE 5-gallon buckets and reclaimed PVC drip tubing were installed. This remediation project should also improve water circulation and habitats for fish and other aquatic animals to thrive.

To volunteer, or if you would like more information please go to: keepwestonlakesbeautiful@gmail.com
