## From the Club Manager

I think we got to experience our last cool temperatures of the spring in April, and I'm expecting that the summer heat is just around the corner. We've been changing out the landscaping around the clubhouse and planting our spring flowers, so I hope you enjoy seeing them when you stop by the club. We had wonderful turnouts for the annual Easter Egg Hunt and Brunch events last month, and the egg hunt keeps growing every year. Our golf associations were busy in April and each organization had an event. The SMGA Ringer was held on April 5th & 6th and the SMGA Interclub was rained out and rescheduled. The LGA held their Member tournament on the 17th, and the MGA had their annual Member-Guest

on the 27th and 28th. Congratulations to all the winners of those events too.

In May we are looking forward to our Cinco de Mayo event on Sunday the 5th, Trivia Night on Tuesday the 7th, Mother's Day Brunch on Sunday the 12th (call early for your reservation at 281-346-1967), and the Family Pool opens on weekends starting on the 18th. Don't forget the club will be open on Monday, May 27th for Memorial Day, and closed the following day.

I look forward to seeing you around the club soon.

# Ladies' Golf Association

**O**ur 3rd annual Pot of Gold tournament was once again a huge success! Thanks to all of you who made it happen. A big thank you to **Pat Rougeau** for taking on the task of organizing this tournament (going into it blind). You did a bang up job!

There are so many others to thank, **Wendee**, for making signs. The registration team who volunteered to help, even though they weren't playing. The pro shop who helped us in so many ways. The Club itself and the kitchen staff for their support in our tournament. To all of the LGA members who kindly donated raffle baskets. To all the Sponsors, we couldn't have a great tournament without you. To the SMGA for helping with checking in at the parking lot area. And on, and on, and on.....Looking forward to next year.

Coming up on **May 23rd** is **Interclub at Willowfork**. Mark your calendars now!!

Also coming up on **June 5th & 6th** is our **Ringer Tournament**. More information on this later.

## Couples Golf

### Second Annual Couples Coushatta Spring Fling

The Weston Lakes golfing couples have been very busy having fun! Fourteen couples played a two-day tournament the first week of April at Coushatta Casino Resort in Kinder, Louisiana. We couldn't have asked for better weather, and everyone won some money! This is a very dedicated group of folks with several of our players categorized as the "walking wounded" with either back, knee or shoulder issues. Apparently, in some cases, not taking a full swing actually helped! A special shout out to Adri and Joe Bormans who experienced a tire blow-out on I-10. We were very thankful that they were OK.

Once off the course, the fun continued in the casino. It's very entertaining to watch Ron Court communicating with numerous slot machines! He has his own "system" for finding winning games. Diane Benson and Eileen Murray were busy catching dollar bills, while Charles and Pam Skeen were concentrating on the poker tables. The casino is huge, but everyone knows that they can find Ed Ruffin on one of the Crap tables! Many folks were watching the basketball tournament while "spending" their money.

The Couples group regularly plays a stepaside scramble on Friday evenings at 5 p.m. and Sunday's at 4 p.m. Of course, drinks and food are part of the equation afterwards in the clubhouse. In addition, many of the couples have been taking some day trips to courses around the area. In February, we had six couples play at Wolfdancer in Bastrop. In March, eight couples spent the day at the Legendary Oaks in Hempstead. Coming up in May, several couples will be going to Horseshoe Bay. Always looking for good deals and new courses to play.

We know that there are many new golfing couples that are either recent members to Weston Lakes or who have recently returned to the sport. If you'd like more information about the tee times and or format, please email Diane Benson at [dbensonathome@aol.com](mailto:dbensonathome@aol.com). We've all made many new friends over the past years - and there's always room for more!

## Garden Club

### Inspiring Outings Continue

Our biennial outing in April to the Museum of Fine Arts Houston (MFAH) and lunch at Hotel ZaZa was so much fun! The group toured the museum during Florescence, which is one of the nation's largest competitive flower shows and is sponsored by the River Oaks Garden Club and The Garden Club of Houston in conjunction with the MFAH. The art, as well as the showcasing of floral and horticultural arrangements, was truly inspiring.

### Date Change for Weston Lakes Garden Tour

On Tuesday, May 14th, the WLGC will have its final event for the 2018-19 calendar year. This year, our neighborhood garden tour will commence at Pecan Park, where we will visit the KWLB Butterfly Garden. After that, we will make our way to gardens in Weston Lakes, followed by a special surprise! Be sure to keep an eye out for an email that will share more details.

### 2018-19 Farewell

As the WLGC calendar year comes to an end, we would like to thank our hard-working crew of officers for another great year! Several of our officers—Julie Janek, Terri Oliver, and Kevin Stoerner—will be remaining and/or assuming new positions for 2019-20. We will say farewell to others who have devoted years of time and effort in making our Weston Lakes Garden Club an amazing organization—Janet Bartek, Sharon Gormanson, Nancy Reichardt, and Kathy Smith. Two appointees, Mary Kanney and Elizabeth Robbins, will also continue to support the Board and the WLGC in the coming year. Thank you, ladies, for jobs well done in tending our gardens and exercising our imaginations!

*Most folks probably think that gardens only get tended when they're blooming. But most folks would be wrong.*

— Shannon Wiersbitzky, What Flowers Remember

*Half the interest of the garden is the constant exercise of the imagination.*

— Mrs. C.W. Earle

## Golf Course Maintenance

**A**pril was a great month for tournaments! We held the SMGA interclub, LGA Member-Member, and the MGA Member Guest. We had very good course conditions and great weather for all three of the tournaments. May appears to be just as good as April. I hope we continue getting a few rain showers to keep our non-irrigated areas lush. I have noticed a few people in the afternoon coming on the course and using one of the golf holes as a practice facility. This is not acceptable and we ask that golfers use the practice facility at the clubhouse. I have also noticed a few people coming out on Mondays. The course is closed on Mondays for the maintenance staff to perform cultural practices that we are unable to do during regular play and to give the course a break from cart traffic. I hope to see you on the course and please sand your divots and repair your ball marks.

**Shannon Donaway**, Golf Course Superintendent

## Property Owners Association

**W**eston Lakes Property Owners,

The end of Spring is approaching. Spring flew by! As the weather warms up you will see the alligators more often. Remember we are in their habitat and its very normal to see them here. Texas Parks and Wildlife Department (TPWD) says to avoid contact with alligators. If you see one, wait a few days or up to a week before calling TPWD. Only call immediately if the alligator has lost its fear of people. Alligator's are moving to breed and/or to find new habitat. It's a class C misdemeanor to feed an alligator.

The reserve gates were hit 4 times in the past 4 days. We know speedbumps are not enjoyable, we are adding more due to speeding issues and gate strikes. Keep in mind if your visitor/guest/contractor hits the gate and does not come forward, the resident (you) will be responsible for the charges associated with the hit. Additionally, anyone who hits the gate and does not report it will be reported to the Ft. Bend Co. Sheriff as a hit and run.

There is a new Homeowners Assistance Program on recovery.texas.gov that Hurricane Harvey residents can apply for if you were affected. Six Counties, including ours are sharing \$271M in funds. If you flooded during Harvey, please apply, even if you received federal assistance.

Note that contractors doing home improvements are not allowed to put out signs in your yard. Advertising can be accomplished by signs on the contractor vehicles. Also be sure to add some additional time to your travels with all of the road construction on 10393 going on. Drive slow and pay attention to workers in the roadways.

It's going to start getting hot! Now would be a great time to get your HVAC serviced. Also don't forget to adjust your sprinklers to run more often.

The next POA meeting is **May 16th at 7:00 p.m.**

Thanks, WLPOA

## From the Golf Shop

**I** hope everyone has been enjoying the spring so far. As the days become hotter, please make sure to take care of yourself while out in the heat by drinking plenty of fluids. We always have cups and lids in the pro shop for the water and ice machine for you.

The Annual Member Guest tournament was held last month with 42 teams and everyone seemed to have a great time visiting with old friends through all of the different activities. The Putting contest for the ladies had a big turnout. What great fun for all! So be ready to get in early next year if you couldn't make it this year.

Also coming up this month is the SMGA Scramble on May 11th and the LGA Ringer on May 31st and June 1st.

We would like to make all members aware that golf carts must follow traffic signs when driving on the streets of Weston Lakes.

As always, we ask for your assistance in repairing ball marks, divots and staying the proper distance away from the green.

Our goal is always to provide a quality experience for all of our members and their guests.

# Women's Association

**W**hat a "Spring Season" the Weston Lakes Women have enjoyed!

The spring progressive dinner was a huge success. This annual event was accented with a fun theme and several new twists to make it a night to remember. The planners, Jessica Dawkins and Kim Amos, were the architects of the "Gin and Jazz" night and can be credited with the smooth flow of events from coordinating food delivery, collecting money, soliciting donations and host houses, booking a terrific jazz ensemble, and basically providing a perfect evening for all. The host houses all stepped up and created table settings that ensured an atmosphere designed to encourage all guests to engage and have a great time, while the appetizer and dessert houses provided the perfect bookends for a night of food and entertainment!

The women in the association have also been busy with philanthropic outreach activities. Cheryl Engle has volunteered to head up the Community Outreach program. She has hosted groups of women to come over and stuff envelopes in order to get ready for this year's

campaign to raise money to support scholarships for graduating seniors as well as support community service organizations (examples: Fulshear Fire Department and Fulshear Library). Look for these letters in the mail, and please support your local community.

I look forward to posting pictures of the scheduled field trip to George Bush Library and the pictures of the Easter Egg hunt in the next issue. The women of WLWA have enjoyed the energy of this year's spring and have made the most out of it. The season will culminate in May with an evening meeting. Scholarships and grants will be awarded to deserving students.

The WLWA does not meet in the summer. Meeting will begin again in September with a Fall Fashion show. The meetings are always the 3rd Tuesday of the month. People start gathering at 10 a.m. for beverages and visiting; the programs are scheduled to start at 10:30 a.m. Someone will greet you at the door.

# Clifton H Aldrich

Born: April 18, 1940    Death: March 2, 2019

To honor Clifton H. Aldrich, the City of Weston Lakes presents the following tribute to a gentleman who led the City's incorporation effort, served on City Council, founded the City's Emergency Management Program; (worked with the County to develop the EM Plan and Annex to the County Emergency Plan) among so many other accomplishments. Cliff was a leader amongst leaders and did everything with excellence, had tremendous knowledge and continued to learn daily. He never shied away from any issue or project, no matter how large. Cliff was a wonderful family man. He loved dearly his wife of 52 years, Fran; had tremendous love for and pride in his family and their accomplishments. Always encouraging and always edifying others. Cliff will be missed by me and our City.

Mayor Mary Rose Zdunkewicz

Colonel Clifton Henry Aldrich, US Army (Ret), passed away 2 March, 2019. He was born 18 April, 1940 to Clifton and Ellen (McGettrick) Aldrich in Springfield, Massachusetts. He is survived by his wife Frances (Nuts), his children, Sheila Dauth (husband Michael), Patrick (wife Stacy) and Kevin (wife Dottie), grandchildren Brendan and Caleigh Dauth, David and Tiffany Payant. He is also survived by his siblings Patricia Lanning, Elizabeth Bell, Edward Aldrich and Ellen Reynolds as well as many cousins, nieces and nephews.

Cliff entered the United States Army in December 1961 from East Longmeadow, MA. After a tour in Korea, he attended Artillery Officer Candidate School (OCS) in Ft. Sill, OK and commissioned a Military Intelligence Officer in February 1965. He served in the Dominican Republic and Vietnam. He received his Bachelor's degree from University of Massachusetts-Amherst and a Master's degree in Public Administration from Southern Illinois University-Edwardsville. He attended the Command and General Staff College in Ft. Leavenworth, KS and the US Army War College in Carlisle, PA.

Other assignments included G2 M Armored Division, Executive Officer of 205th MI Group (Brigade), and Deputy G2 V Corps, all in Frankfurt, Germany. On return to the states, Cliff took command of the 522 MI Battalion in 1987, was Chief of Staff of the 2nd Armored Division, G2 III Corps, and then took command of the 504th MI Brigade in 1990 all at Ft Hood, TX. His final military assignment was Army Materiel Command in Alexandria, VA. During this time he assisted the state of Florida in recovery from Hurricane Andrew and also sent to Somalia for Operation Restore Hope.

Cliff was inducted into the OCS Hall of Fame at Ft. Sill. His awards include the Legion of Merit on two occasions, Bronze Star, Meritorious Service Medal, Army Commendation Medal, Meritorious Unit Citation, National Defense Service Medal as well as others. He retired from the Army in July 1993 after 32 years of service to his country.

For the next 10 years, Cliff took on a new career with Lockheed Martin Missiles and Space where he was Director of Military Satellite Communications at the Washington Operations Branch Crystal City, Virginia. He retired from Lockheed in 2002. He and Frances moved to Weston Lakes, TX in 2005 to be closer to children and grandchildren. Not one to be idle, Cliff used his knowledge of Public Administration to assist Weston Lakes in becoming an incorporated city. He then served on the City Council as Mayor Pro Tem. Cliff was instrumental in establishing an Emergency Management Committee. This committee has been called into action several times and is a star in Ft. Bend Emergency Management. He co-founded the "Honor the Veterans" Association in Weston Lakes and later represented several small cities as he served on the Ft. Bend Subsidence Board.

Cliff's next challenge came when a new Catholic parish, St. Faustina Catholic Church in Fulshear, TX was formed in 2014 but had no church building. He was selected as Building Committee Chairman. Through countless volunteer hours, Cliff worked with many committees that successfully established a new church building that was ready in two years. He was a member of the Knights of Columbus Council 16103 and Assembly 2721.

He will be missed by all who knew him and whose lives he touched. Clifton has fought his last battle, and has finally retired...

In lieu of flowers, the family asks that you make a donation to St. Faustina Catholic Church in Clifton's name.

An interment will be held at Arlington National Cemetery in Arlington, Virginia at a future time to be determined.

\*\*\*\*  
"As you all may have read my dad served his country, his community and lastly his church. But what you didn't read about was a man who loved his family beyond measure. He was so proud of his own family that he even wrote a book about his uncles and aunt who served during World War II. My mom said his stories and love of his family was one of the qualities that inspired her to tell him she loved him after just meeting him or so the story goes".

"I always loved his stories, whether it was growing up family stories (Great Uncle Eddie and Great Uncle Michael telling scary stories and picking the wallpaper when he was a boy), to his military stories-Vietnam riding in Jeep with John Grecco and they ran over a snake, or hearing about combat he was a part of, the devastation he saw after Hurricane Andrew when he worked for Army Materiel command or the crazy stuff he saw when he did his last TDY trip to Somalia in 92-93-which was the only Christmas he ever missed with us".

"My dad was a man of few words. He wasn't a big display of affection kind of guy while we were growing up. Over the last few years he gave all of us big hugs and kisses, we would hear I love you on the phone or in person as we were leaving".

Sheila Dauth, Daughter

\*\*\*\*  
"I first met Cliff in 1980. From being stationed together in Frankfurt for four years, then another 5 years at Ft Hood, another 7 years in Washington DC and then almost 14 years in Weston Lakes our families have grown close. Our kids know each other, our grandkids know each other, and Fran and Liz remain best friends. Cliff and I were also best friends for whom no topic was off limits. Cliff always had the right stuff. He was the architect of the beginnings of the city of Weston Lakes. He served on the City Council and was the Mayor Pro Tem. He founded the city Emergency Management structure. He co-founded the Honor the Veterans Association. He was a long-time member of the Senior Men's Golfers Association. He was a lion in our community and a major part of our lives and we miss him already".

Trent Thomas, General Retired U.S. Army, City Council 2009 Present

\*\*\*\*  
"I didn't know Cliff when the committee was formed, but over those 10 months or so, I learned what a great leader he was. It is really to Cliff the Weston Lakes community owes a great debt of gratitude for his commitment and contributions over many years and it is Cliff who has made this community a brighter place because of his efforts".

Melody Hess, Vice President/Business Development Officer  
New First National Bank, 2214 Ave H, Rosenberg, TX 77471

\*\*\*\*  
"Fort Bend County MUD 81" Board of Directors were saddened by the death of Cliff Aldrich. Cliff was a friend and colleague to the board as well as a good friend to each of us individually. Our thoughts and prayers are with the Aldrich family.
