From the Club Manager

The year is flying by and it's hard to believe it's already July, until I walk outside and feel the heat in full force. Always remember to drink plenty of fluids and wear sunscreen when you're out and about.

One way to beat the heat is by taking advantage of our two pools. The entire family can come enjoy the Family Pool that is staffed with lifeguards and an attendant who will be glad to serve you a drink, sno cone or snack. The Adult Pool is reserved for those members and guest that are 18 and older; there are no lifeguards on duty. Both are a great way to cool down on a hot day, so check the pool schedules listed in this newsletter. Congratulations to all of the winners of our golf association tournaments in June, which included the LGA Ringer and SMGA Member Partner events. We would also like to congratulate the Weston Lakers Swim Team on a successful season and for representing the community.

We're looking forward to our annual 4th of July Celebration. Be sure to decorate your golf cart, bicycle or classic car and come be

a part of our parade in the neighborhood. The parade will start at 10:30 a.m., and then back to the Club for the water slides. We'll also be serving a lunch buffet, and it will be a fun time for all.

Other events in July will include the MGA Lone Ranger on Saturday the 13th; Homestyle Brunch will be on Sunday the 14th; Kids Splash on Tuesday the 16th; Live Music in the Courtyard on Thursday the 18th; and SMGA Red Ball on Saturday the 27th. Please contact the club for more information about these events or to make a reservation. Beginning July 16th - August 6th, there will be no events held in the ballroom/library area due to some renovations and maintenance of that area. We appreciate your patience as we continue to serve you during the renovations.

Have a wonderful summer, and I look forward to seeing you at the club.

Interclub this month is July 25th at Hearthstone. We need 15 players. Wendee will send out an Email for sign up.

We had a short meeting after the Ringer tournament and discussions were made and seconded regarding these Board positions: A motion was made and seconded that Interclub be put on as a Board position. Pat Rougeau resigned as tournament chairman. A motion was made and seconded that Catherine Tinkler take over her Board position.

We discussed having a Chairman Committee for the Pot of Gold Tournament. Wendee Court and Janet Bartek kindly volunteered to spearhead this tournament with LOTS of volunteers.

We also discussed if you are on the Board would you please keep a notebook on how you do your duties to pass on to the next person voted in that position.

Catherine Tinkler reported on a new ruling: 2019 USGA Rule 5.2 states you may practice on the course before a round or between rounds.

Garden Club

Ah, the lazy, hazy days of summer are upon us.

July heralds the start of the second half of the year; but most importantly, it is the month we celebrate the birthday of our beloved USA! Did you know that two of our Founding Fathers both died on July 4th, 1826? Having spent their lives in the service of our nation from pre-revolutionary rule by England to both serving in many capacities including president, they were frequently in disagreement and their relationship was contentious at times. When John Adams was on his death bed, he remarked that he was dying "yet Jefferson lives on" not knowing that Thomas Jefferson had preceded him in death just five hours earlier!

Something else July brings to those of us who garden is seeing the freshness of spring growth replaced by wilted, tired plants. Even plants that are labeled as good in full sun may not be loving our oppressive heat and humidity. This too shall pass! In the meantime, it's a good time to pay your dues for the upcoming 2019-2020 Garden Club year.

WLGC officers are busy planning another wonderful year of education, activities, and entertainment! The Garden Club meets September through May, and our 2019-2020 season kickoff will be Tuesday, September 24th. Our treasurer, Julie Janek, is ready to receive your dues. Julie's address is 5042 Westchester Drive. Early-bird membership dues of \$25 can be made up to and including the first meeting, with dues being \$30 thereafter. Checks should be made payable to the WLGC.

If you enjoy making friends, visiting beautiful places, learning gardening and having fun, you will feel right at home with our group! Even if you are not a member, you are welcome to come to a meeting and join in the fun. Everyone is encouraged to bring friends and new neighbors and remember, a green thumb is not a requirement!

Terri Oliver

Women's Association

The WLWA does not meet during the summer months. We will gather again in September. Our kickoff meeting will be a fall fashion show, which has in recent years become the traditional September event. So, mark your calendars now and reserve the third Tuesday in the month for the Weston Lakes Women's Association meetings.

Each summer article will feature one or two WLWA members for the purpose of getting to know each other better.

Jean Lobo and her husband, Orlando, moved to the neighborhood four years ago. Jean wanted to get involved in the community and found the WLWA very welcoming. She was hooked as a member at the first meetings as several members came up to visit and made her feel welcome.

Jean and her husband moved from Pennsylvania where Jean was a teacher and Orlando was Vice President of International for Carlisle Construction Materials. Jean's favorite events are the more social events such as dances, parties, and outings. This year she is corresponding secretary for the WLWA and is recording secretary for the Foundation Board.

Jessica Dawkins and her husband recently moved to Weston Lakes. Jessica explains, "Jon and I are both Petroleum Engineers. I have retired since moving to Weston Lakes and Jon is currently rotating to Scotland as a Drilling Supervisor on an

offshore platform. We love to travel and recently returned from another adventure in the Scottish Highlands." She finds that WLWA helped make the move easier, "One of the reasons we chose Weston Lakes were the clubs and events in the community. It made it easy to move in and meet friends. All I had to do was show up to a WA meeting for an interesting outing or speaker and meet new people in the process. It was fool-proof!" Jessica has gotten involved in the Association. She was co-chair for the Progressive dinner and is also co-chair for the Christmas tour of homes.

Look for Jessica and Jean at the next meeting.

From the Golf Shop

Summer is here so please make sure you take care of yourself while out in the heat by drinking plenty of fluids.

The LGA had their Ringer tournament and had a great turnout. I wanted to give a big thanks to Pat Rougeau for her help with this tournament. The SMGA Member Partner tournament was held, and everyone seemed to have a great time. Upcoming this month will include the MGA Lone Ranger on July 13th and the SMGA Redball on July 27th.

Also, if you are not a member of an association but would like to get involved with the LGA, MGA or SMGA please check with our staff at the Golf Shop for more details. They have a great time together, and it is a good way to get involved and make new friends at the club.

As always we ask for your assistance in repairing ball marks, divots and staying the proper distance away from the green. Our goal is always to provide a quality experience for all of our members and their guests.

Golf Course Maintenance

Summer is officially here and the temperatures are starting to get hot. The golf course is in great condition. The rains we received in May and June have helped us fill in some of the weak areas in the rough. The maintenance staff has been busy keeping up with the mowing and edging to keep the course in good shape. We have been filling the irrigation ditches with sand to level them out and should have everything finished this month. As always, please repair your ball marks and fill your divots with sand.

MGA News:

May was a great month for the MGA. Great playdays, Match Play BBQ and the annual Red, White and Blue game on Memorial Day. We held our Match Play kickoff event on May 31. Food was sponsored by Nick (Mr. Smooth) Carlson and the Monolith Group and drinks were sponsored by Todd (Megaman) Segmond. 52 members are playing in the summer match play. The food, comradery and selections for the group play was simply great. Suffice to say, no one left thirsty or hungry.

More golfers are joining the MGA. Here are our new members:

Roger Morse Dale Hildebrandt

Buzz Roye Jeff Whitzel

Bill Stevens

New member, **Jeff Whitzel**, shot a 69-gross/63-net in the MGA play day on Friday, June 7. Wow. Here's Jeff; happy times.

May Play Day winners:

May 4

Gold flight individual winner: Gene (Happy Camper) Cain with 29 points. White flight individual winner: Alan (Ladd) Byerly and Ted (The) Case tied for first with 24 points. Gary Gary and Alan Ladd won the team event.

May 11

Individual stroke play was won by Terry (Tetradactyl) Fuschak with a 65-net round. Team best ball was won by Leon (The Putter) Viaclovsky, Tetradactyl, Richard (Tiger) Koob and Brad (Secret Agent Man) Boydston with a -25 net.

May 18

Billy (Baloo) Norris won the individual game with a 65-net score. The team net game was won by Steve-o Cox, Billy Baloo, Gary Gary and The Putter for a -18 net. It was an impressive score considering the second-place team scored -9.

May 25

Bruce Whitney won the individual net with a 69-net score for Flight 1. Jack (Cubbie) Warkenthein won Flight 2 with a 64-net score. The 3,2,1 team was won by Pistol Pete Roblyer, Cubbie, and Dale Hildebrandt (new member).

RED, WHITE and BLUE Game Day (May 27)

This was a blue v red match play event. **Round 1:** blue beat red 10 to 5 with three holes halved. In **Round 2**, blue beat red (again) 10-4 with two holes halved. Yours truly was on the blue team, hence the dig.

The next MGA event is the Lone Ranger on July 13.

If you want to learn more about golf and have fun, join the MGA. Please email a board member at westonlakesMGA@gmail.com for more information.

Keep Weston Lakes Beautiful First Annual Bluebonnets & Birdies Golf Classic a Huge Success!

On June 3rd, the combination Bluebonnets & Birdies golf tournament and the "After Party" brought the neighbors and golfers together for a great purpose. This sold out event brought in over \$43,000 to Keep Weston Lakes Beautiful and what a wonderful (though very hot) way to see so many friends and neighbors enjoying themselves and be so willing to further promote our program. Our community, Country Club, and volunteers are second to none! Our 2019 annual event far exceeded our expectations and broke the records set in 2018 and our inaugural in 2017.

Thanks to all golfers, sponsors, staff, volunteers and a beautiful (though hot) picture perfect day!

We are so very thankful to everyone who made this such a success: Wendee Court for all the amazing sponsor signs, Jaime Johnson & Julie Sawyer for decorations, the crew that helped put all the goodie bags together, family, friends, Troop 941 Eagle Scouts, auction collection crew, the list goes on. And, a special thank you to the entire Weston Lakes Country Club staff along with Keith Simmons leading the golf coordination and Mike Surface for acting as our "Master of Ceremonies and Auctioneer."

The flight winners will have a beautiful Live Oak planted on the golf course in their honor.

Congratulations winners!

Swimming Lessons

The City of Weston Lakes will once again be able to sponsor beginner swimming lessons for the children of the City of Weston Lakes with funding provided by the Fort Bend County Child Safety Fund. We are fortunate to have one of our residents, Janet Bartek, coordinating, planning and teaching these lessons. Janet has significant experience in teaching swimming and water safety – and we know you will appreciate her positive and enthusiastic approach. We also appreciate the cooperation of the Weston Lakes Country Club in providing a venue to allow the lessons to take place.

The group lessons introduce water safety, comfort in the water, breath control, swimming on the front and back, basic swimming skills development, and fun in the water. These classes will emphasize water safety and how to swim without assistance. Again, these introductory lessons are geared for a beginning level child who is at least 3 years old.

There will be three one-week sessions in July. Each set will be three days per week (Tue Wed Thurs), thirty minutes long, at the club. There will be multiple lesson times each week to ensure small class size. The lessons will begin at 8:00, 8:30, 9:00, 9:30, 10:00, and 10:30, and 11:00. We will be starting the first session on July 9.

The Schedule:

- **Session 1: July 9 – July 11**
- **Session 2: July 16 – July 18**
- **Session 3: July 23 – July 25**

Although this is later notice than in past years, we are asking that you let us know of your intention to participate as soon as possible to allow for the required planning and coordination. The number of participants is limited due to funding, and will be enrolled on a first come basis. Please send an email to:

Waterside Grill

DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
