## From the Club Manager

All of us at Weston Lakes Country Club hope that each of you had a wonderful Thanksgiving with family and friends. It's always good to stop and reflect on all the things we have to be thankful for, and we are grateful for all the support we receive from our members and guests.

As we move into December there are plenty of activities to enjoy at the club before Santa makes his second visit to the neighborhood on Christmas Eve. His first visit will actually be at our Brunch with Santa that will be held on Sunday the 8th this year. Seating is limited so if you want to make sure Santa has your Christmas gift list, call Sidney or Katelyn at the club office today at (281) 346-1967 to make your reservations for the brunch.

Earlier in December the MGA will hold their Stableford tournament on Saturday, December 7th, the SMGA will have their Christmas party on December 10th, the LGA Christmas party will follow on December 12th and the Weston Lakes Women's Association and Garden Club will wrap things up with their event on December 19th.

I wish you all a very Merry Christmas and Happy New Year. Please remember that the club will be closing early at 4:00 p.m. on both Christmas Eve and New Year's Eve, and we will be closed on Christmas Day and New Year's Day.

# Men's Golf Association

**T**he MGA had a busy month in October and reached into early November. Our primary event in October was the MGA Club Championship. On the weekend of November 2-3, the Weston Cup was held. This is an annual bragging rights event between the MGA and SMGA. Your devoted author had one of the best weekends golfing in a very long time. Spoiler alert: the MGA won the cup back.

Before we continue, your grateful author wants to thank Shannon and his team for keeping the course in great shape for all our events. Without you and your team, it simply would not be as enjoyable playing off nice fairways (when you can find them) and slick greens (when you finally get there). Thank you.

## October Play Day winners:

**October 5:** The format was four-man team best ball. Winning team: Richard Hanagriff, Gary Owens, Marcus Schrader and Chris Vasquez.

**October 12:** The format was team stroke play and individual net by tee box. Alan Byerly, Brent Mattinson, Billy Norris and Gary Owens won the team event. Gene Cain won the Gold Tee flight and Terry Fuschak won the individual net from the White Tees.

**October 26:** The format was individual Stableford by tee box and Team Stableford. Bruce Hunsucker won the Gold Tee flight and Alan Byerly won the White Tee flight. Bruce Whitney, Tim McPherson and Tom Fredricks won the team event.

## MGA Club Championship:

The MGA Club Championship was held October 19-20. The course was in great shape and we had a full field of competitors (54). On both days, we enjoyed fellowship after play with food and the usual beverages. Even if one played lousy (yours truly) the time spent with our MGA members was great fun.

## 2019 CLUB CHAMPIONS

Russel Braun is our 2019 Club Champion, on the right. Russel shot a 156 gross from the Blue tees. The Gold Champion was Tim McPherson who shot a 138-net on the left.

Matthew Goodine shot the lowest net from the Blue tees.

MGA team photo (not all present)

The White Tee champion was Brent Mattinson. Roger McCartney placed second and Dan Masch and Peter Fagot tied for third respectively. Peter is not pictured.

The A Flight Gold Champion was Tim McCord. Bill Whiting and Cliff Bottoms were second and third respectively. Cliff not pictured. Dave Clark (pictured) won the Gold Flight low gross.

Bruce Whitney was the White Tee Gross Champion. Mr. Shy.

## Weston Cup

The Weston Cup is an annual tournament played between the MGA and SMGA. The tournament was played November 2-3. From your dear author's perspective, this was one of the funnest (Southern for dang good time) events I have played. The comradery was the best. Saturday's format was two MGA players against two SMGA players. We played a best ball on the front and modified alternate shot on the back. Many Saturday matches could have gone either way. On Sunday, we match played. The team that won, simply put, had the most wins over both days. Last year, the SMGA won. It was the MGA's mission to win it back this year. Overall, we played with club members we had not played with before and forged friendships. A casual observer would have thought we were long lost friends.

MGA	SMGA	Score	SMGA	MGA
Brent Mattinson	1/2 VS	0	1/2 VS	0
Roger McCartney	1/2 VS	0	1/2 VS	0
Dan Masch	1/2 VS	0	1/2 VS	0
Peter Fagot	1/2 VS	0	1/2 VS	0

Finally, one our members had a hole in one during a non-MGA game. A hole in one is treasured whenever it happens, and we are here to help celebrate.

John Meloy: October 22 on hole #3. 144 yards with an 8 iron. Well done John, and congratulations.

The next and final 2019 MGA event is December 7.

## Lessons from a Christmas Tree

By Jane Lee Logan

*Be a light in the darkness  
We all fall over sometimes.  
You can never wear too much glitter  
Bring joy to others.  
Sparkle and twinkle as often as possible.  
It's okay to be a little tilted.*

Maybe the tree should be the WLWA mascot! We are all about celebrating, spreading joy, and adding a little sparkle to life. The monthly programs are designed as a guide to lead us in that direction. This month we will be dressing to dazzle and dancing the night away at our annual Dinner and Dance Christmas party. (This is not supposed to be when we fall over or tilt!)

The festive month will start off with the tour of homes. Special thanks goes out to the organizers and the homeowners who added lots of sparkle and glitter along with all of those lights. You have truly brought joy to our neighborhood!

WLWA women try to shed some light for those in our community. The monthly meetings offer a place to go to strengthen relationships which add

much needed “twinkle” to our lives. We all tend to lean at times, so through our foundation WLWA supports the community by offering scholarships and grants. The distribution of care packages and gifts to various groups is our way of keeping the light shining and bringing joy throughout the year.

The women of WLWA take celebrating the Christmas season seriously and have learned a lot from many years of “listening” to Christmas trees.

We welcome everyone to join us for the upcoming year. With your help, we can make 2020 a bright year with lots of sparkle and glitter.

The Maintenance staff would like to wish everyone a Merry Christmas and a Happy New Year. I hope to see everyone on the course and as always please repair your ball marks and divots.

# Fitness Center

**W**e've got the perfect Christmas present for your loved ones this year. With our Holiday Stocking Stuffers Special, you can purchase customizable gift cards for your family and friends. Certificates are available for purchase now through December 24th.

With the holiday season fast approaching, it's all too easy to get off track with our workout and nutrition choices. The Fitness Staff and I encourage you to let us be your accountability partners. Get involved in group fitness, schedule regular sessions with one of our personal trainers, or relax with a restorative massage. Most of us are great at overloading our schedules and deciding we can't work out because we don't have the time! We're challenging you to set aside 15 minutes a day, if you don't have 15 minutes hold a 2 minute plank, complete a round of squats in the kitchen while you wait on the oven timer to go off, get creative but more importantly, just get moving!

For class schedules, or updates, please look for our E-blasts or check out our Facebook page at [www.facebook.com/wlccfitnesscenter/](http://www.facebook.com/wlccfitnesscenter/). For more information, or to schedule a massage or an appointment with a Personal Trainer, please email Ross Kilpatrick at [ross@westonlakes.net](mailto:ross@westonlakes.net).

## Garden Club

**A**re you feeling Ho ho ho or oh no right about now as Christmas fast approaches? After years of stressing over the holidays trying to “do it all” with three young sons, work, decorating, social engagements, gift buying, etc., I made a conscious decision to view Christmas as a journey, not a destination. The older I get, the more I realize that regardless of the time of year, time spent with family and friends is THE most important part of life in general especially during the holidays. What does this have to do with the garden club you may ask. Well...on December 19th the garden club is partnering with the WLWA for our Christmas Dinner Dance. All residents of Weston Lakes are invited to attend. We are having a DJ and he made last years party such a good time. Besides the music, he had some fun (and funny) games and contests. Don't let not having a date hold you back...there will be a “doe” table for us unescorted ladies. Tickets are available at the club office.

Our first freeze is upon us as I write this. Below is some information from the Houston Chronicle about protecting your potted plants:

**WATER:** If rain has missed your garden, water. Move potted tender plants indoors, including tropical hibiscus, plumeria, young or tropical fruit trees and bromeliads.

**MULCH:** Give your plants a “blanket” of mulch. Together with moist soil, this helps protect their roots.

**PROVIDE COVER:** Many shrubs, trees and winter annuals tolerate cold, but to try to save blooms, cover flowering azaleas, camellias and fruit trees with row cover, sheets or blankets.

**AFTER A FREEZE:** Do not wash frost/ice off plants the morning after a freeze.

Other than moving plants inside, all of the above precautions apply to our shrubs and bedding plants. Since many of us have extensive landscaping, it may be almost impossible to cover everything which is stressful! My suggestion is to stay indoors, have a cup of hot chocolate or a glass of wine or two and accept that sometimes Mother Nature wins.

I hope to see you at our Christmas dinner/dance, and I wish that all the blessings of the Christmas season illuminate your holidays with love and good cheer!

## Ladies' Golf Association

**O**ur Christmas party & dinner is Thursday, December 12th in the ballroom. Carols & cocktails at 6:30 p.m. and dinner at 7 p.m with awards to follow. Bring a gift to share. I'm not telling if we are stealing or not until the party!

Our Pink Lady Scramble was a big success this year. We collected \$747. The LGA will match this donation for a total of \$1,494 going to the Susan G. Komen Foundation. Well done!

The last Interclub of the year was held here at Weston Lakes on October 24th. Weston Lakes ladies were big winners, making us finishing in 5th place out of 6 Clubs. Well done again, ladies.

Unfortunately, we did not get to have our member/guest tournament this year. Weather was bitter cold and teams were dropping out . . . This tournament may be moved to September 16, 2020 next year so we can have more participation.

Our Pot of Gold Tournament will be held on March 11th with a rain date of March 18th. We have 2 levels of sponsorship. **Premier Sponsor: \$200 and Platinum Sponsor: \$100.** I have committees set up to help with this tournament. Here they are so, let me know what YOU would like to help with. Sponsors, Awards, Giveaways, Decorations, Baskets, Registration, Food, and Rounds of Golf.

Coming up: January 8th (weather permitting) our Ice Breaker Scramble. Lunch afterwards and first meeting of the year.

### DECEMBER BIRTHDAYS:

Colleen Millburg, Dec. 7, Paula Britt, Dec. 8,  
Mary Peterson, Dec. 12

As Christmas rolls around, let us not forget the “Reason for the Season”. Many of us have a hard time getting through the holiday season. We can lean on each other. That's what friends are for.

I hope everyone has a very Merry Christmas!

## TREE CITY USA PROUD

*"He who plants a tree plants hope"*

Keep Weston Lakes Beautiful (KWLB) and the city of Weston Lakes are proud to have worked diligently and ultimately achieved the status of Tree City USA. Nationwide, there are 3,400 cities that have achieved this recognition, but in Texas our little City stands out as one of only 88 Texas Cities to receive the honor and one of the four smallest. We can now proudly fly our Tree City U.S.A. flag all year long and make our Weston Lakes citizens feel good about the place they live and work. This is KWLB at work for all of us!

The distinction of being a Tree City USA involves meeting four core standards of good and sustainable urban forest management. A good working relationship between our designated Tree Board and the governing officials of the City, POA, MUD 81, and our community developer is necessary to attain this distinction and to be certain that trees on public property are properly planted and maintained to enhance the continued beauty of Weston Lakes. This is KWLB's goal and it takes ALL the above-mentioned entities to attain this award to such a small community.

Also required however, is creating a Community Tree Ordinance on public areas and KWLB worked relentlessly with the city of Weston Lakes to achieve this. After great effort and defense of our intentions, the city of Weston Lakes ultimately passed an ordinance last year to this effect. The third requirement is that a city must spend at least \$2.00 per resident on urban forestry. This includes planting new trees, removal of trees that are damaged, pruning trees, mulching, and the cost of labor and machinery required to perform the maintenance in public areas. The fourth requirement is for the City Mayor to proclaim Texas Arbor Day in our City and have an Arbor Day Celebration. The cities governing entities must provide KWLB with the statistics necessary to complete the application to The Arbor Day Foundation each year to remain a Tree City USA, so we encourage each of you to remind our elected officials of the importance of this designation and to support KWLB so that Weston Lakes does not lose this designation in future years after our hard work to achieve it.

KWLB would like to thank the City officials, the POA and Mr. Mike Surface for their continued support and working closely with Keep Weston Lakes Beautiful this year. We have fulfilled all the requirements and we could not have accomplished this for Weston Lakes, without them. We are also thankful to all the Weston Lakes residents who have planted trees on their private property and advised KWLB which is VERY IMPORTANT for inclusion in our annual report, and those who attended the Arbor Day Celebration.

The Tribute Tree program continues to be one of KWLB's most successful new programs and we hope even more residents, organizations and businesses will pay tribute to someone they love, living or deceased, and honor them by planting a tree to recognize their contributions or achievements. Since the program

*Terri Oliver proudly shares Louis Butler plaque.*

began last year, 84 Tribute Trees have been planted as of this report. Many more are needed on the golf course, in our parks and other public areas. KWLB also prepares plaques, optionally, at the base of the trees to place into words your gratitude as a sponsor. What better tribute can one provide than a living tree with your words of love and thankfulness.

Finally, as a reminder, we would also like to ask all the homeowners who have had your trees trimmed this year, to send us an email to: [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com) advising us of the date and cost of such activity. Our city gets recognition for this toward our Tree City designation, but if we don't know about it, we can't count it! It is a gift you can give your city and your trees that will pay future dividends.

## WESTON LAKES CELEBRATES ARBOR DAY

Residents attending the Arbor Day Celebration at Weston Lakes Country

*KWLB founding Board Member Nancy Case looks on as Weston Lakes Mayor, Mary Rose Zdzunkiewicz reads the official Proclamation.*

Club on November 1st came away with both practical and enlightening information about the importance of urban forest management in cities like Weston Lakes. While attending the event sponsored by Keep Weston Lakes Beautiful (KWLB) and the City of Weston Lakes, they learned that while our local environment is NOT usually damaged due to loss of trees since our gulf coast

environment is plentiful in oxygen generating flora and fauna, that is not the case nationwide. They also learned that the introduction of new trees (like KWLB's tree tribute program) is both environmentally beneficial and esthetically appealing to improve the environment and overall property value. Mayor Mary Rose Zdzunkiewicz began the program by reading the official Proclamation declaring November 1st as official Texas Arbor Day in Weston Lakes. Last year OUR City was honored by being named a Tree City USA after extensive efforts and lobbying to National, State and our local governments about the VALUE of this designation. Michael Merritt, Regional Forester and certified Arborist from Texas A&M Texas Forest Service explained the importance of the Tree City USA designation. For the first time, our Tree City USA flag was flown from the flagpole. Shawn Geiman, a certified Arborist trained in tree risk assessment and owner of Shawnee Trees spoke on proper tree maintenance and conducted a well-received question and answer session. Terri Oliver conducted The Arbor Day Tree dedication which this year involved a Tribute Tree that residents purchased and planted in honor of Mr. Louis Butler. Terri had initiated the idea of raising funds for the tree and it had great community support. The beautiful Laurel Oak is located along FM 1093 next to the Information Center. Thanks to ALL who donated. This activity is an act of kindness and respect and it separates Weston Lakes from other cities with this designation as compassionate and caring and KWLB is forever appreciative. Additionally, a very special thank you to Katelyn Gray and staff for allowing us to move the program into the ballroom at the last minute due to weather. Also, thanks to KWLB Tree Board members Nancy Case, Carolyn Martinez and Jamie Johnson who greeted and hosted the event, and Jean Lobo, our talented photographer. Finally, our thanks to the POA for allowing KWLB to post the Tree City USA flag for Arbor Day.
