From the Club Manager

I'd like to begin by wishing everyone a very Happy New Year. I hope each of you had a wonderful Christmas holiday season with family and friends. Thanks to all of the organizations who held their Christmas parties at the club, and let us be a part of your holiday celebrations. We had another successful Brunch with Santa, and hopefully he remembered to bring you everything on your list this year.

This past year proved to be an exciting and busy one around the Club, and we're looking forward to another great year in 2020. We've already had quite a variety of events on the calendar for our members to enjoy, and we're planning to add more. If you have an idea for an event that you think other members

would also enjoy doing, please let us know. We're always looking for ways to get more of our members involved in the activities here at the Club.

Our first event in 2020 will be Trivia Night on Tuesday, January 7th, Homestyle Brunch will return on Sunday, January 12th, Weston Lakes Women's Association on January 21st, the E&J Gallo Wine Dinner on Saturday, January 25th, Garden Club on Tuesday, January 28th, and Fried Chicken Night on Thursday, January 30th.

We look forward to serving you in 2020.

Weston Lakes Women's Association

You'll never get bored when you try something new. There's really no limit to what you can do. – Dr. Seuss

WLWA had a great 2019. The programs taught us how to put our best foot forward both in our personal life and our social life. We can now dress for any event as well as host every event providing a mix of incredible food, drink, and atmosphere. And who can forget the Gin and Jazz progressive dinner, the field trip to Bush Library, or the Christmas Home Tour.

But 2020 is here, and we are off to try new things, realizing we are only limited by our imaginations. The new board members are inspired. These individuals are the kind of people you want on your team whatever you are doing, but working together, the things they can accomplish are sure to make this a great year:

2020 WLWA Board:

- President Jamie Johnson
- Vice President Mary Kanney
- Program VPs Tammy Lenney & Jean Lobo
- Recording Secretary Cheryl Engle
- Correspondence Secretary ... Sandi McNeil
- Treasurer Donna Rodgers
- Parliamentarian Carol Sandoval

When you look at the list above, you can't help but want to become part of the team behind the scenes. The good thing is, this group of women not only welcomes you to give them a call, but they encourage you to contribute any way you can to make WLWA the place women can go to seek fun and friendship. New ideas are appreciated, and WLWA gets excited about new members.

The January meeting features our own Kathy Smith. What fun and inspiration it will be to hear about the local bicycling group and all of their adventures as well as their community service.

Join us at the WL Clubhouse for the meetings. We gather at 10:00 a.m. the third Tuesday of the month.

Golf Course Maintenance

I hope everyone had safe and Happy Holidays. The maintenance staff and I are looking forward to the New Year and continuing with the improvements to the course. We will be trimming trees and edging cart paths to start the New Year. As I look back at last year I can see the quality of the golf course has improved considerably. We have put a good Agronomic program in place that will help us keep improving the conditions and giving you a more consistent golf course. The maintenance staff and I wish everyone a Happy New Year. Hope to see you on the course and as always please repair your ball marks and divots.

Mayor's Comments

Happy New Year!

Thank you to each of you for your efforts in making Weston Lakes so beautiful during the Christmas Season. Your homes were decorated beautifully. As always, it was such a joy to tour the neighborhood and share the season with loved ones.

The City is currently working on getting new email addresses and a network drive for the city's council, secretary and mayor. We are required by Texas Code to have all emails, written information in any forum, and documents archived. This will protect us when using our personal devices while working on the city's behalf.

Our City Hall will soon be moving to a new location. We have a lease agreement in the office building next to the Post Office in downtown Fulshear (8045 FM 359, Suite 200). We will be moving in January.

In the coming months, the Mayor will be forming a couple of committees. One committee will be to survey the residents and see what their collective ideas are on what direction we need to take on having a City Hall.

Another will be a committee to review existing ordinances and resolutions, and to correct any errors. The Mayor is looking for volunteers.

The Mayor has been actively meeting with local, regional and state leaders. The Mayor has also attended meetings on 36A, regional flood mitigation and county issues.

The City hopes to establish a Weston Lakes Facebook page in order to communicate effectively and on what the city is doing, as well a Twitter account. Also establish Emergency Management to help notify in case of emergency. The Mayor will be handling these and will keep you up to date with what the city is doing.

The Mayor is available to all of you and would like to hear your ideas and concerns. Through communication, transparency and working together we will accomplish all of these goals.

The Fitness Staff and I encourage you to let us be your accountability partners. Three days for 30 minutes a day is all that you need. Get out for walk, knock out a round of golf, or set a goal to do 50 pushups a day! Keeping active is always a choice, so make yourself a priority this year, 2020 is your year!!

Personal Training is a GREAT way to start your new year off the right way. If you avoid the gym because you have no idea what to do, or you lack the confidence in your form, or you just know that you need

an accountability partner, contact us today! **DO NOT PUT YOUR HEALTH OFF!!**

Tree Tribute Program

Our ongoing Tree Tribute program is thriving and allows residents to purchase a Tribute Tree, to be planted on private property or approved public property within Weston Lakes, that will be a lasting gift that will grow more beautiful every year. In 2019, 10 new tribute trees have already been purchased and planted in our city, as well as, 11 new trees planted along FM 1093 and at Pecan Lake... with many more to come in the following months. The sweet little Burr Oak, at the main entrance, served as our "Charlie Brown Tree" decorated with a single ornament, and we so enjoyed hearing from many of you about how it made you smile as you enter Weston Lakes. This is just one of the things that makes Weston Lakes special!

For more information about the Tree Tribute Program please go to: keepwestonlakesbeautiful@gmail.com or call Nancy Case at: 281-346-1273

Tree City USA

"He who plants a tree plants hope"

Having achieved the status of Tree City USA in 2019, the City of Weston Lakes has received the prestigious Tree City U.S.A. flag and can now fly it proudly every day beneath our Weston Lakes flag at the front entrance. What an honor and sense of pride we can each feel as we enter our community.

Weston Lakes' own Charlie Brown Tree

as KWLB is dedicated to the betterment of our city and its continued environmental sustainability, and... winning the Governor's Award will help immensely.

Volunteers - We Need YOU!

We find ourselves reflecting on the events, projects, opportunities, and those who have helped to shape our organization. 2019 has been another year of firsts! We look forward to working side by side with so many more of you in 2020.

Remember, all KWLB's success could not have been achieved without the wonderful support of our community and all our volunteers. Volunteers are the backbone of any successful organization and we thank all of Weston Lakes for your unending encouragement and commitment. Keep Weston Lakes Beautiful hopes to engage more businesses and residents in 2020 to keep Weston Lakes clean and green.

Bluebonnets and Bluebirds Flight 2 winners Brad Karasek and Beau Blackard pose with newly planted Live Oak on hole #6

Nationwide, there are only 3,400 Cities that have achieved this recognition, but in Texas our little City of Weston Lakes stands out as one of only 88 Texas Cities to receive the honor and one of the four smallest.

This affiliation is critical to receiving state, federal and philanthropic grants for 2020 and future years, including the 2019 Governor's Award of \$90,000, which we are striving ardently to receive. We were only a fraction of one percent behind the Governor's Award Winner in the 2018 judging. On January 2, 2020, KWLB applied for the 2019 Governor's Community Achievement Award. Thank you all for your support on all of this

We'd like to invite you to join our KWLB team! No volunteerism is too small. Whether you can donate a few hours of your time a year, or... a few days, or... a week of service spread over the year, your donation of volunteer time in our community is what makes the difference.

There are many ways to volunteer so if you would like more information, please contact us at keepwestonlakesbeautiful@gmail.com and let us know you are interested. We'll find something that fits your skills and availability during the year.

From the Golf Shop

The New Year is off to a great start and the activities at the club are picking up, so make sure to call in and get your tee time's setup early. We are not wasting much time in getting started with our tournament season. It all starts with the LGA's Icebreaker on Jan 8th.

The MGA will begin its 2019 season with the Kickoff Banquet on Friday, February 7th, and the Kickoff Scramble tournament the following day, February 8th. The SMGA will begin its season with the SMGA Member-Member on February 22nd.

Also, we have updated our Golf Genius and Handicap System to the New World Handicap System. Keeping up with the times... Golf Genius combines the traditional golf experience with innovative cloud technology. As we move into the new year, we will be integrating Tournament and League play into the system as well.

As always, our goal is to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

Garden Club

Happy New Year to you and yours!

We are now 20% of the way through the first century of the new millennium (I guess it's not so new now). We are also in the time of year that I call the doldrums. After the fun and joy of the festive holiday season, it seems that January and February are frequently gray and dismal. This time of year finds me looking forward to March and a new planting season. I will say that I have been burned before after planting my spring beds only to have the small and tender plants freeze and die in a late freeze.

I like making positive resolutions...you know, the type that are fun to achieve. If one of your resolutions is to get out, make new friends, and take time to enjoy life, now is a great time to join in on our 2020 garden club meetings and events! We always welcome new members and we have a lot going on that you won't want to miss. Here is the lowdown on our January meeting:

TUESDAY, JANUARY 28, 2020: "The Bee All and End All". Tracy Grimme, co-owner with her husband, David, of Hepplewhite Farms in Brookshire will buzz over and show us that honeybees are invaluable, irreplaceable and fascinating. We will see a small and contained hive up-close!

In February we have our Valentine's senior outreach as well as a meeting on our regular meeting day, February 25th. For the seniors, Sharon Gormanson is collecting items such as toiletries along with other needed items. There will be a list posted in Next Door along with Sharon's address and contact information. We have tentatively set Tuesday, February 11th as the day for our Senior Valentine's Party at the Irene Stern Center. It's a great to see their faces light up from the small gifts and attention. There are more informative meetings planned for the rest of the year along with several fun and interesting outings.

In summation, I will go back to my opening remarks and admit that I feel very fortunate to live in a climate where we can get out and socialize without the worry of snow or ice. We can also start thinking about spring long before many other parts of the country even dare to.
