From the Club Manager

Finally getting a little warm weather has made a huge difference around the neighborhood. It looks like Spring has finally arrived with all the leaves on the trees and blooms on the flowers around the golf course and the community. The warm weather has brought more golfers out, and we're glad to see so many people enjoying the course under the current circumstances.

In March the MGA and LGA were able to see some action in the Ringer and Pot of Gold tournaments. Congratulations to the winners. The club hosted Trivia Night, Homestyle Brunch, and Live Music in March before canceling the remaining events due to COVID-19.

Please note we are monitoring the COVID-19 Coronavirus situation and have precautions in place to ensure a healthy visit to Weston Lakes Country Club. The staff will continue sending updates as they arise about any upcoming events.

I would like to take this opportunity to personally thank you for your support. We appreciate your loyalty and look forward to seeing you at club soon.

Weston Lakes Women's Association

Believe you can and you're halfway there.
Theodore Roosevelt

The ladies of WLWA are having a grand time learning and socializing, and it is all due to our amazing Program VPs - Jean Lobo and Tammy Lenney. Each month they grab our attention with a new program that is sure to get rave reviews! This last month they invited Steven Flodder, President of Flodder Financial Group, to give a talk about important considerations in estate planning and wills. Steven explained that beneficiary statements, living documents, wills, durable power of attorneys, blended families and owning assets in multiple states can affect your estate planning.

Bonus of the day: one lady from each table won a Money Tree Centerpiece! Cha-Ching!

On April 21, the ladies will be touring Brookwood. Brookwood, located in Brookshire is a community that provides an educational atmosphere and a sense of belongingness and purpose for adults with disabilities. Be sure to make a day of it and join some of us for lunch afterwards. The ladies of WLWA will also be holding a booth open during the Easter Egg Hunt at the club this year!

May 19th will be an evening meeting where we will be announcing our Scholarship Recipients who will be receiving a one-time scholarship award for post-high school education this fall.

Please mark your calendars and come out to congratulate these hard working winners! The meeting will begin at 6:30 p.m.

We gather at 10 a.m., on the third Tuesday of the month at the WL Clubhouse for our meetings. The club offers lunch options afterwards, so plan to stay and reconnect with friends or make new ones. I'm looking forward to seeing you there!

Our membership is now at 148. Our playdays are on Tuesday and Thursday mornings at 9:00 a.m. Several members also play on Saturday afternoons at 1:00 p.m. Please call the pro shop for a tee time if playing with the Saturday afternoon group. Please check your current GHIN handicap in the pro shop prior to play. Annual dues are only \$25.

2020 Member/Member Tournament

Sixty-six members played in the Member/Member Tournament held on Saturday, February 22nd. The format was best ball for the two-man teams. The overall gross score winning team was Billy Norris and Jeff Whitzel with a score of 70. The overall best net team score was the team of Tim Hoover and Don Wells with a net score of 61.

There were three gold tee flights and one red tee flight. Flight winners were:

Gold Flight 1

- 1st Place: Jack Taylor / Dave Clark
- 2nd Place: Dan Bishop / Rodney Bartek
- 3rd Place: Gene Cain / Leon Viaclovsky

Gold Flight 2

- 1st Place: Burt Bure / Clay Anderson
- 2nd Place: Louis Stoerner / Ron Mersman
- 3rd Place: Tom Gray / Paul Milcik

Gold Flight 3

- 1st Place: Terry Bureson / Jessie Fontenot
- 2nd Place: John Bradway / Tim Christ
- 3rd Place: Rick Oneto / Don Rougeau

Red Flight

- 1st Place: James McDonald / Charles Skeen
- 2nd Place: Jay Silverman / Scott Benson
- 3rd Place: Terry Marlatt / Paul Cottage

Our next tournament is the SMGA Ringer. Originally scheduled for April 2nd and 3rd, the Ringer will be moved to a later date.

Achievements

Congratulations to Eric Fotheringham on his hole-in-one on No. 7 on the February 27th playday!

Fairways and Greens

Greetings all MGA members and families.

These are certainly trying time for all Americans and the world at large with the COVID-19 pandemic. It seems there are so many more priorities than golf. Like staying healthy, finding food in the local grocery store, social distancing, managing work-life balance and generally staying calm in the face of uncertainty. In World War II, the British had a great poster for dealing with the war:

Maybe this should be our motto during this pandemic. Keeping calm means carrying on with normal life, you know, like golf. We did that in February where we had a full slate of playdays and winners.

On February 1, we held a team Stableford event and individual Stableford with two divisions: gold and white (tees). Dale (Dolback) Hildebrandt and Terry (Teradactyl) Fuschak won the team event with 52 points. Ted (The) Case won the gold individual division with 27 points. Dolback won the white division with 31 points. Teradactyl came in second in the white division which make sense.

On February 8, the MGA held its annual Kickoff event, which is a four-team schamble. Three teams tied for first with -29 net each.

- Claude Middleton, Billy (Baloo) Norris, Everett Owen, and Troy Whitney
- Alan (Ladd) Byerly, Wild Bill Daugherty, Peter Fagot, and Gary (Gary) Owens
- Teradactyl, Jonathan (Coastie) Henson, Steven King, and Dave (Super Fast) Mangel

Bill Stevens and Bruce Whitney won the Pinehurst playday on February 15 with a 61-net.

On February 22, we held a three-man team best ball playday and individual stroke play. Piston Pete, Ray-Ray Hanagriff and John Blair won the team event with -11-net. Alan Ladd won the individual with a 70-net score. We are thinking Alan received putting lessons from Pistol Pete.

On the last Saturday of the month, we held a Leap Day Madness event where all players played against every player in the field. (Lots of players there.) The winner of the Leap Day Madness won the most holes against the field. Eric Smith won the day winning 194 holes, tying 149 and losing 107 or 23.5 matches won. Pretty impressive consider the field consisted of 26 players. It helps when you shoot a net 70. You noticed that even Czar Nicholas, our illustrious president didn't win...the Czar came in, wait for it, third. Hope this doesn't mean banishment for your long-suffering MGA secretary.

Until the pandemic passes, keep calm and carry on. We are in this together.

If you are interested in joining the MGA, you have a couple choices: contact the MGA westonlakesMGA@gmail.com. I will assure you that playing with the MGA will keep you calm, except on missed birdie putts.

Ladies' Golf Association

We started out the Month of March with our scramble. Everyone showed up wearing green! The weather was not cooperating, and we expected rain around noon. We decided to play the scramble but only nine holes. So glad we finished before the rain hit.

The winners were:

First Place Team: Deb Roller, Amy Treat, Wendee Court

Second Place Team: Suzanne Whitzel, Eileen Murray, Bonnie Carr

Third Place Team: Pam McDonald, Sue Williamson, Patsy Cruse

Fourth Place Team: Gilma Leask, Helen Ihrke, Janet Bartek

Fifth Place Team: Kelly Roland, Pam Skeen, LaDonna Bergman

Closest to the Pin Winners: Helen Ihrke and Suzanne Whitzel

March 11, we held our annual Pot of Gold Tournament. This tournament has become one of the most successful tournaments in the area. The success of this tournament is attributed to so many people.

A BIG THANK YOU to:

Paula Britt, our Tournament Chairperson, for organizing this event. Too many "to dos" on her list to list. She did an amazing job! Thanks Paula!!

Eileen Murray, Sponsor Committee Lead, for coordinating the efforts of reaching out to our past sponsors and donors and obtaining new ones. Sponsorship plays a big part in making this tournament successful. Without them it would not be the success it is.

Pat Rougeau, Raffle Basket Committee Lead, for keeping the list of baskets and the detailed descriptions. Thank you to the many LGA members who generously donated baskets for the raffle. We always have awesome raffle baskets. We even had a few of our members win a basket **Pat Rougeau, Paula Britt, Janet Bartek, and Rose Mixon**. Congratulations!

We had many volunteers throughout the day that helped make the tournament run smoothly:

Thank you to volunteers, **Charles Murray, Terry Miller, Keith Leonard, Ed Ruffin, Rodney Bartek, and Pete Williamson** that helped out with the bag drop in the morning.

Thank you to our very own Leprechaun, **Gary Martin**, who met, greeted and directed the players in the parking lot.

Thank you to several LGA members registering the players, selling raffle tickets, handing out the registration gift bags, and running the 50/50 game, and handing out door prizes. Thank you to: **Betsy Martin, Sue Williamson, Bonnie Carr, Kelly Roland, Pam McDonald, Cindy Mixon, Eileen Murray, Sharon Leonard, and Judy Johnson**. Thank you to Ron Court for placing all the sponsorship signs on the tee boxes in

Eileen Murray & Sharon Leonard

Belinda Oliff

the wee morning hour. Thank you to Ron Court and Scott Jackson for providing appetizers from the back yard near hole No. 6.

Thank you to **Keith Simmons** and the Pro Shop Staff for all they do to make the tournament run smoothly.

Thank you to **Katelyn Surface Gray** and the food and event staff for providing an awesome breakfast and lunch and wonderful service to our players. We received lots of positive compliments from our players.

We also had some of our LGA members place in the tournament. **Deb Roller & Jordyn Roller** won First Place Gross in the First Flight; **Nancy Wood** and her teammate won Third Net in the First Flight; **Wendee Court** and her teammate won First Gross in the Third Flight; **Pat Rougeau** and her teammate won Third Net in the Fourth Flight; **Pam Skeen** and her teammate won First Gross in the Fifth Flight; and **Belinda Oliff** won Closest to the Pin for holes 7 and 16.

Congratulations Ladies!!

*Irish Toast: There are good ships and there are wood ships,
the ships that sail the sea.
But the best ships are friendships and may they always be.*

Again, **THANKS TO ALL** for a job well done on the Pot of Gold Tournament!

Coming Up in April:

Wednesday, April 11 is our Member/Member tournament. Reach out to a member and form Your Team. Look for information via e-mail about this tournament from Paula Britt.

Thursday, April 23 will be our first Roadrunner's Interclub tournament of the season. Pecan Grove will host. Look for e-mail about this tournament from Suzanne Whitzel, our Interclub Representative. We sure would like to have 15 members sign up!

On **Sunday, April 26**, the MGA will hold its Member/Guest Tournament and will need volunteers from the LGA. I will send out an e-mail with more details as I get them.

APRIL BIRTHDAYS:

Diane Benson - 4/7, Cindy McNab - 4/8, Cindy Montgomery - 4/12, Rose Mixon - 4/14, Yvonne Fotheringham - 4/16

Garden Club

I have held off on writing the monthly WL Garden Club article because of the COVID-19 pandemic. It's hard to know what to write as it's hard to know what's going to happen tomorrow much less April. It seems to me that, almost worse than the virus, is the uncertainty it engenders. It seems like a war against an invisible foe being fought right up to our own doorsteps. There is almost no segment of the population or economy that isn't touched by a virus most of us had never heard of until about a month or so ago.

If you will indulge me, I'd like to make a garden related analogy. This way I can incorporate gardening into this article without ignoring this major disruption to our lives. There is only so much we can control in our lives and sometimes when we can't do that, we feel fearful. When we plant our gardens, we either plant seeds (if you have a lot more patience than I do) or put a plant into the ground. Most likely we have made sure the soil is good and we plan to water and fertilize appropriately. Now here's the miracle... the seeds sprout, the plants grow without us having to worry about it. We don't get up every morning and run outside to see if our plant has grown or not and that's because we expect it to. Our experience has shown us over time that we don't have to fret over what's going on with our plants. As long as we do our part, we can relax and enjoy the fruits (or flowers) of our labor.

In times like these, it's good to reflect on what we can do and then turn the rest over to God. We can wash our hands, stay home, sanitize, and disinfect for our part. As a person of faith, I believe prayer and faith go along way towards easing my concerns and fears. We never have guarantees about what exactly is going to happen in the future and, even if we knew, we don't control most of it. Many of us have fought intense personal battles such as cancer, the loss of a child, financial trouble...you name it! I've had some of these experiences and have come through it. It's easier to have faith when times are good; however, my prayer is to build up a strong reserve of faith and strength to see me through the tough times.

So, how exactly does a plant grow? Well most need sun and water and they use it to grow a flower, a pumpkin, or whatever. However, I can't tell you step by step down to the nth microscopic level what happens, and I don't need to know for it to happen. I think faith is kind of like that. For faith to grow, it needs nurturing through prayer, a relationship with our creator, study, or whatever else helps you to plant it in your heart and soul. However, if we do our part, God will do the rest and our faith will grow. I can't tell you exactly how as that's the mystery of faith.

Nothing too good or too bad lasts forever and so it is.

PS. In case we can resume our schedule in April, here it is:

TUESDAY, APRIL 28: Outing

Cactus Lavender Farm in Weimar, \$3 pp includes tour, lavender lemonade and cookie. Lunch to follow (location TBD).

Mayor's Comments

It is wonderful to see how our community has come together for each other during this Coronavirus time of need. The City of Weston Lakes is prepared to help each of you in any way we can. Please do not hesitate to call on us.

April's Showers Bring May Flowers as we begin to see the beautiful display of nature with flowering trees and shrubs, lilies, and spring bulbs blooming. Spring brings the beautiful display of nature as well as a renewal of spirit. Thanks to all of you who make our city beautiful, while inviting the birds and wildlife to live among us.

Attending our Kid Fish last month was an endearing event. Families were together, making memories and telling fish stories. Traditions were carried on in earnest. Thank you to all who donated time, T-shirts, goodie bags, worms, cones for parking, traffic control, and food. I encourage all to attend next year. Please send pictures to mayor.neal@cityofwestonlakes-tx.gov so that we can post them on the new website. Loved spending the morning with all of you!

Met with CenterPoint leaders earlier this month, and an avenue to address the failings of our power grid was created. The issue of the wind causing our power outages rather than other criteria had not been raised to the leaders of our Texas Division. While it may take some time to get the power grid replaced, the discussions are occurring.

Congratulations to Keep Weston Lakes Beautiful on being awarded the designation of Texas Historical Cemetery for the Randon Bottom Cemetery. Mark Wolfe, Executive Director of the Texas Historical Commission, signed the Declaration for Dedication on January 27, 2020. Thanks to all of the volunteers who have worked to clean, maintain, beautify, and commemorate our cemetery as a place of distinction. Your efforts are appreciated and will be enjoyed by all who visit.

3rd Annual Kid Fish a huge success!

Keep Weston Lakes Beautiful was proud to partner with our neighborhood West Side Stories magazine and Simonton Christian Church for the Third Annual Kid Fish. This event is clearly a community favorite with over 140 participates on a picture-perfect Saturday morning! Thank you to Amanda Hurst, Publishing Assistant, and her team for doing another stellar job organizing this very successful event. The Texas Game Wardens provided all tackle and bait, taught our children (and some adults) the proper way to bait a hook, and shared their knowledge on how to keep our waterways clean.

Look what I did!

Look what I did!

Keep Weston Lakes Beautiful provided T-shirts to all children and had information on ways to keep our waterway clean and kept our grounds litter free with the help of all in attendance. Lunch was provided by Simonton Christian Academy. This wonderful event is held in memory of Texas Game Warden Justin Hurst, and we proudly thank him for his service.

Looking sharp at Kid Fish!

Game Warden teach the Big Kids how to catch the BIG ONE.

The Many Ways You Can Help Improve Waterway Health

Water is an essential part of our lives. In addition to quenching our thirst, we depend on it for recreation, irrigation of our farmland, watering livestock, and to run our businesses. The job to protect water quality is complex, and we must all work together to protect and restore water resources. We encourage you to do your part and here are a few things you can do.

1. Apply pesticides and fertilizers according to the label's directions and only to plants that are specified on the label. Only use the recommended amount of pesticide or fertilizer.
2. Use the least-toxic pesticide first.
3. Choose natural or organic fertilizers.
4. After mowing, leave grass clippings on your lawn. These clippings act as a slow-release fertilizer for your grass.
5. Plants that are native or well adapted to Texas require less pesticides and fertilizers when managed properly.
6. Apply mulch around trees and shrubs, reducing the need for fertilizers.

Most lawns receive twice as much water as they require. Watering too heavily or too rapidly weakens your lawn, causing erosion and runoff. Water that is applied too rapidly is lost as runoff, which may carry polluting fertilizers and pesticides to streams and lakes. Excess irrigation can leach nutrients deep into the soil away from the plant roots, increasing the chances of groundwater pollution.

1. Apply water infrequently, yet thoroughly. A general rule is to water up to one inch, once a week. When watering, always comply with your water system's restrictions.
2. Water in the morning to save water from being evaporated by the midday heat.
3. Sprinkler systems offer an effective method for irrigation, if used properly. Use larger drops close to the ground. The water in misters can evaporate quickly.
4. Select grass carefully. Planting the turf grass adapted to your region that uses the least water is an effective way to reduce the need for irrigation.

The future is looking bright with little cuties learning early to Keep Texas Waterways Clean!

5. After mowing, leave grass clippings on your lawn to reduce your watering needs.
6. Composting and grass cycling can reduce runoff pollution by preventing erosion, increasing the soil's ability to absorb and retain water, and reducing the need for fertilizers.
7. Planting native Texas plants increases the soil's capacity to store water and reduce runoff.

Thank you Amanda Hurst for another wonderful event, and to volunteers like Julie Sawyer. It takes a team!

Many thanks to our Texas Game Wardens for your commitment to excellence!

The golf season is getting back into full swing with the weather helping us out so far and being so nice. We are keeping up-to-date on the guidelines as we move forward, and we are still adding new practices each day to keep Weston Lakes Club as safe as possible for our members and employees. Even with everything going on we are experiencing a great turnout of members for play, so make sure to call the golf shop to make your tee times early as possible. As Golfing Members, everyone has the opportunity to make tee times up to seven days in advance, and we strongly suggest everyone do so.

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the carts any closer than 30 yards to the green. Also, Weston Lakes Country Club golf carts cannot be taken into the community unless given prior authorization from the Golf Shop Manager.

As always, our goal is to provide a quality experience for all of our members and their guests.

Keep Weston Lakes Mission Statement:

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful! Everyone is welcome!

If you would like to volunteer, donate or receive more information on how you can get involved, please email us at: keepwestonlakesbeautiful@gmail.com

Golf Course Maintenance

The spring green up has officially begun! The grass is coming out of dormancy, and the trees and shrubs are starting to bloom. I want to thank everyone for their help with repairing ball marks and sanding divots. I have seen a definite improvement in our greens and fairways. The spring weather has started to bring more play to the course, and I would like to remind everyone to keep your carts at least 30 yards from the green. Also watch your wear patterns entering and exiting the fairways. I will be putting up rope in the worst areas to allow the grass to grow. Hope to see you on the course.

It's April! Here are some tips to prepare your home for the warmer weather in the months ahead.

PREPARE YOUR HOME OUTSIDE

- ✓ You're hopefully and carefully going to be spending more time outside. Make sure your yard ready!
- ✓ Rake your yard thoroughly before starting any work to remove any thatch and expose any dead spots.
- ✓ Trim trees, bushes, and shrubs. Wait until spring-flowering shrubs have finished blooming before trimming those.
- ✓ Do a soil test if it has been more than three years since you've done one. This test will tell you what, if any, nutrients your lawn needs (and how much).
- ✓ Aerate your yard if you did not do so in the fall. Clear out all of the flower beds around the house.

PREPARE YOUR HOME ON THE INSIDE

- ✓ You should prepare the inside of the house for the warmer weather too.
- ✓ Schedule your air conditioning tune up to make sure it's ready for summer.
- ✓ Check around the house for any leaky faucets, clogged drains, or sweaty pipes. Check your basement for dampness.
- ✓ Check your attic for any critters that may have taken up residence over the winter, as well as for any signs of mold.

Waterside Grill

DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
