From the Club Manager

As the COVID 19 pandemic and related reopening efforts continue, our efforts will continue to follow CDC and government guidelines as we have since the beginning. As a staff, we thank you for your continued support as we navigate through these unprecedented times. We will continue to update you as our efforts unfold and evolve.

As I am sure you are all aware, Governor Abbott has issued a new Executive Order to begin Phase Two of Texas reopening. This order extends to restaurants being allowed to open with occupancy of 50% of the total occupancy of the building maintaining 6-foot social distancing between parties, with seating for parties of 6 or fewer people and bar counters closed. Outside seating is permissible with appropriate social distancing. Golfing standards will continue as is, but will update changes when made available.

Member and Staff safety has been, and will continue to be, our number one priority. Here are the increased precautions Food and Beverage is taking as we work towards keeping everyone safe:

- Required face coverings by all staff in contact with Members and Guests
- Increased cleaning and sterilizing in both front and back of the house

- Daily health screening of associates
- Providing single-serve items upon request; ketchup and mustard packets, salt and pepper
- Continuous hand washing and hand sanitizing
- Limiting capacity indoor and outdoor dining, with a minimum of 6-foot chair to table distance
- Disposable one use paper menus

During this time the golf course has seen a lot of action, everyone seems to be enjoying the great golfing weather. With the excessive play, please abide by the rules that are set by maintenance and the pro shop. The course maintenance staff will be taking some action by putting up rope in areas that are beat down to allow the grass to grow. One of the challenges to keep the course in good condition.

Continue monitoring your email and Facebook for updates on news and events.

Thank you for your continued support of the club and our employees

Sincerely,

Misekia Dabney

Weston Lakes Women's Association

Limitations live only in our minds. But if we use our imaginations, our possibilities become limitless.

- Jamie Paolinetti

The ladies of the WLWA have been filling their time reading and binge watching television series. Here are a few if you are looking for more to read and watch: The Keeper of Lost Things, Bosch, The Son, Little Fires Everywhere, Grace & Frankie, 1984, Unorthodox and Great Expectations.

Our inspiring and always optimistic leader, Jamie Johnson, has these words for us:

As I write this note, we are still in a quandary as to what the month of May and impending summer will bring. We will not be having another formal meeting until the Fall.

The WLWA Foundation scholarship application deadline has been moved to June 12th. The Scholarship Committee is still planning on awarding scholarships and grants this year; however, no formal presentation date has been determined.

The Progressive Dinner and our October Walkathon planning is also "On Hold". We felt it was not wise to ask individuals and businesses for donations during this time. We will keep you posted as to any further decisions and plans.

I hope that each of you and your loved ones are safe and healthy. It will be interesting to see the changes and new ways of life that this virus will bring. We are living in "a moment of history" and perhaps we should chronicle the changes and feelings we are experiencing. Blondes are disappearing, men and women are wearing their hair longer, women don't need lipstick-just eye makeup over their masks. I have learned to do my own mani -pedi. I hadn't seen my own toes for 35 years! Many changes I have enjoyed and I find that I have been thankful for so many things I took for granted. I am a People Person so I find joy in seeing a neighbor and texting and talking on the phone to friends and family. I guess it is time for me to reorganize the closets, pantry and garages again. Perhaps I will alphabetize the spices this time! Maybe try cutting my hair . . . you can tell I like staying busy.

I miss you all and my Blessings to each of you,

Jamie Johnson
President WLWA

We typically gather at 10:00 a.m. on the third Tuesday of the month at the WL Clubhouse for our meetings. Keep a look out for the announcement signs at each gate entrance to see when we will be meeting again in the Fall.

Submitted by
Sandi McNeil
WLWA Corresponding Secretary

Men's Golf Association

Greetings all MGA members and families.
Keep Calm and Carry On.

By the time our dear readers peruse our noble writing of valiant golfers, the brackets for the 2020 Match Play will be completed and a few matches played. Match Play this year will see nearly 60 MGA players. We are looking forward to a competitive season.

Here are our April winners:

On April 4, it was an individual stroke play (100% net). Richard (LSU Tiger) Koob won with a 74 net; Leon (The Putter) Viaclovsky and Jeff (Wiley) Whitzel tied at 75 net.

The following Saturday, April 11, another individual stroke-play competition. John Blair won the day at 63 net. Gene (Happy Camper) Cain tied for second 68 net. The Putter came in third with a 69 net.

On our April 18 playday, Steve-O Cox won the day with a 68 net. Chad (Leaky) Faucett came in second at 71 net.

For Individual Stroke Play on April 25, Troy Whitney and John Blair both tied at 68 net. Matthew Goodine and Brad (Secret Agent May) Boydston tied for third with 71 net.

Here are some pictures from our first Divotpolooza back on Monday, March 30. Other Divotpolooza's were held on Mondays in April. It was great to see members of all our golf associations out making our course better.

Jonathan Henson
Secretary, WLMGA

Join us for a

FOURTH OF JULY

CELEBRATION

SATURDAY, JULY 4TH

PARADE LINE UP AT 10 A.M.
PARADE STARTS AT 10:30 A.M.

WATERSIDE GRILL COURTYARD

INFORMATION TBA IN REGARDS TO THE CELEBRATION AFTER THE PARADE.
THANK YOU FOR YOUR UNDERSTANDING!

CALL 281.346.1967 FOR MORE INFORMATION

Senior Men's Golf Association

Our membership is now at 131. Our playdays are on Tuesday and Thursday mornings at 9 a.m. Several members also play on Saturday afternoons at 1 p.m. Please call the pro shop for a tee time if playing with the Saturday afternoon group. Annual dues are only \$25.

Welcome to our newest member, **Bryan Cook**.

During the Covid-19 pandemic, we are no longer using a shotgun start on the Tuesday and Thursday games. SMGA has initiated use of the Golf Genius App to sign up players for play dates and to keep scores and publish results. Our Senior members are adapting well to using technology on our playdays, and we have received many positive comments since using Golf Genius. The Tuesday and Thursday games have a capacity of 56 players, and most games are full. We are looking forward to when we can shotgun start and gather together again after play.

The SMGA has joined the MGA in "Divotpalooza" Mondays. Members spend a couple of hours sanding divots on the tee boxes and fairways to help keep the course in great condition.

We are very grateful to the Club and especially to the golf staff for their efforts and hard work on compliance with social distancing rules and their help in keeping us safe on the golf course. We are also appreciative that the driving range is open for practice for players with a tee time.

Many thanks also to the Country Club for opening the patio. Many of our members enjoy a refreshment from the club after play and the opportunity to reflect on their rounds. We look forward to the day when the 19th hole will open.

Our Ringer Tournament that was scheduled in April will be played at a later date once the course reopens to normal play. We plan to begin match play this summer.

Achievements

On the May 12th playday, Tom O'Reilly and Charles Wisdom both shot an 82. Tom and Charles are both 82 years old and were born on the same day in 1937. They were playing in the same foursome with Andy Wagner and Charles Kline. Charles has shot his age several times, but this is the first time for Tom. Congratulations to Tom and Charles!

This month we would also like to acknowledge Shannon and his crew for keeping the course in great playing condition despite an increase in the number of rounds played. Many thanks also to the Pro Shop and its staff!

Fairways and Greens

Weston Lakes

Poker Night

Men & Ladies Welcome

Due to Covid-19 mandates games are currently not available at the Country Club
Thank you for understanding!

Questions? Call **(281) 346-1967**

Property Owners Association

As we enter into the summer and everyone is outside enjoying outdoor activities, continue to be aware of your surroundings. As we all have seen in the past couple of months the snakes and alligators are moving around more. It is a pleasurable sight to see fellow neighbors out walking, riding bikes and fishing.

Please ensure that your house number is visible from the street for emergency vehicles and deliveries. Trim back bushes, trees, etc. or if you do not have a street number, add one to your home.

The POA is still progressing with the updated website and working with TEM for gate upgrades.

Parks Update:

- The equipment is being cleaned and disinfected weekly to comply with the Covid-19 public requirements;
- Please follow the guidelines of the parks, and keep all motorized vehicles off the courts and in their proper parking areas. Also, be respectful of your neighbors. Refrain from foul language, loud music and share the facilities;
- The new, four-acre park in the Reserve should be open July of this year. Until the park is complete we ask that everyone refrain from entering the park.

Hurricane season is approaching. The new Emergency Preparedness Important Checklist is posted on the website www.cityofwestonlakes-tx.gov. Emergency Management is currently preparing for the season.

In all the POA hopes everyone is staying safe, practicing social distancing, and ready to enjoy the summer.

Tennis Courts

Court time availability is from Monday – Sunday from 7 a.m. – 10 p.m.

To reserve a court time, please contact the Golf Pro Shop at 281-346-1227

Weston Lakes Garden Club

As June arrives, I look back at some of the gorgeous, cool, low humidity days we enjoyed in April and May fondly. Many neighbors were out walking, running, riding bikes, and playing golf...a lot of golf! With the virus keeping us closer to home, we were visiting nurseries in droves to get out in the fresh air. More time spent in our yards and gardens meant our beds, gardens, and potted plants, our nursery finds, and the cooler weather has produced some wonderful results. I have certainly enjoyed admiring the views out and about in the neighborhood. It seems that every disaster has a cost both in human lives and the economic cost and the virus has been no different. However, I believe it's helpful to see the good when we can and appreciating the beauty when we find it.

Fortunately, things are looking up, and the Garden Club was able to get out for our planned visit to the Hemi Hideout. Although we missed those who could not attend, it was great to see our friends who most of us have not seen in months. The owner, John Hovas, gave us a fascinating tour of one of the most unique venues anywhere. Since a picture is worth a thousand words, I have included some photos taken by our incoming president, Elizabeth Robbins. The Hemi Hideout is available for groups to rent for events, and there are many charitable galas there. John matches any amount raised to donate to the cause and is generous in sharing his giant "man cave" and time.

In my May article, I introduced the incoming board members along with those of us who are staying. I missed a very important person on my list, so this is a mea culpa for our First VP, Barbara Ball. She is aptly named because she is indeed a ball of enthusiastic energy and fun. I don't think I have ever seen her without a big smile on her face. I thought it would be fun to ask Barbara a few questions, so my hard hitting interview is below...

1. You obviously have a love and a talent for gardening. What are some of the things you enjoy about gardening?

Truth be told, I can walk around a garden center for hours! Some plants can remind us of grandma's yard or a vacation to a tropical island. I have lived in many climate zones for plants. Sad to leave those colder or dryer climate plants behind, but joyful for the new ones.

2. Other than gardening, do you have any other hobbies or talents?

One of my hobbies is Gemology. I love rocks and gems. Not only are they beautiful, but learning where they are from, how they are mined, and how they came to exist.

3. Could you tell us something about yourself that might surprise us?

When I travel I collect sand from every beach that I have been to. My children now bring me sand from their vacation spots!

4. Is there anything motivational or inspirational that you heard someone say or tell you at some point in life that has stuck with you and help shape your life and who you are?

If you have the opportunity to do something you really want to do, make it happen. Do not put it off thinking you will do it at a later time. Life happens and sometimes those opportunities do not come back around.

Tune in next month when your hard-at-work board reveals some of the fun we are so looking forward to for our 2020 - 2021 garden club year!

Terri Oliver
WLGC Corresponding Secretary

Fitness Center

Summer is here and we are still going through some odd times, but rest assured that we are here to help you all. Simply getting out for a bike ride in the evening, or a walk to start the morning can help reduce stress and keep you active.

If you find it tough to self-motivate or commit to a regular workout routine, try taking one of our free online classes that we are providing daily. We are here to help keep you accountable, push you past what you thought you were capable of, and create workout routines suited to your individual fitness needs.

We are providing Yoga, bootcamp, core, strength and stability, and high intensity classes on our Weston Lakes Fitness Center Facebook page, and on our Instagram page.

For classes check out our Facebook page at www.facebook.com/wlccfitnesscenter/ or our Instagram at [@westonlakesfitnesscenter](https://www.instagram.com/westonlakesfitnesscenter). For more information, please email Ross Kilpatrick at ross@westonlakes.net.

From the Golf Shop

As we find our way through the “NEW normal” it seems that everyone has been adjusting to the changes around the club.

The summer heat has definitely arrived, so please make sure you take care of yourself while out in the heat by drinking plenty of fluids.

We obviously want all players to continue to follow all rules by CDC (Social Distancing) to remain safe. This primarily involves strategies to keep people from touching “shared equipment” like flagsticks, bunker rakes, etc.

Among the things are:

- Practice six-foot distancing at all times;
- One rider per cart (same household my ride together);
- Do not remove flags in cup;
- Do not use the ball washer;
- No rakes, water coolers or Ice on course;
- We sanitizer all golf carts before and after each round.

As always, we ask for your assistance in repairing ball marks, divots and staying the proper distance away from the green.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

Weston Lakes

June Tournament Schedule

All Tournaments for
June have been postponed
or rescheduled.

NOTICE: We appreciate your cooperation and understanding on doubling up players on Weston Lakes CC golf carts due to the increase in play and the number of golf carts being used on a daily bases. This will continue to help improve our course conditions by reducing golf cart damage.

Ladies' Golf Association

The LGA members continue to show great enthusiasm in playing golf. Even though we must adhere to the course and CDC guidelines during this time, we have had great turnouts with 25-plus players on Wednesday mornings. Thank you to Pam Skeen for coordinating the Wednesday group and entering our scores for the day. Thank you to Amy Treat for continuing to record our statistics. On May 13, we had 30 members signed up to play, which is pretty awesome since we only have a total of 40 members to date. With that said, the Weston Lakes LGA would like to welcome other Weston Lakes Lady Golfers to join us. Please contact Wendee Court (wendee.court@yahoo.com) and I will be glad to get you signed up and provide you with information about our organization.

We decided to have (weather permitting) our Ringer Tournament on May 29-30. Since these dates are after my deadline for this article, I will publish the results in the next article.

We moved the Member/Member Tournament to Wednesday, June 10. You may want to start asking around to get a partner for this event. Be sure to check your e-mails. Paula Britt will be sending the information and sign up procedures for this tournament.

The Roadrunner's Interclub has been struggling to start the 2020 season. The June 25th tournament hosted by Willow Fork has been cancelled. Suzanne Whitzel will let you know, via e-mail, the status of the any future Interclub tournaments.

Celebrating their birthdays in June are:

Jeanna Bure - 6/26

Nancy Wood - 6/30.

Wendy

City of Weston Lakes

Mayor's Comments

Weston Lakes Proud!

Thanks to all of you who made Inspirational posters that were displayed at the entrances of area hospitals. We received thank you cards from them stating our posters were "fantastic, incredible, touched our team, and lifted our spirits!" Photos of these posters can be found on the City of Weston Lakes website www.cityofwestonlakes-tx.gov and Nextdoor.

Hurricane season is rapidly approaching. The new Emergency Preparedness Important Checklist is posted on the website www.cityofwestonlakes-tx.gov and on Nextdoor. Emergency Management is currently preparing for the season. Meetings are being attended by Emergency Management Command Staff to handle hurricane preparedness during a pandemic. These are issues that we are exploring from the state level, and many discussions on how to handle them are occurring.

A reminder that the 2020 Census is here. The census counts how many people are in our community to decide how much federal funding and representation we will receive. A complete and accurate census count is critical. When you're counted in the census, you're helping to build a better community. Visit 2020census.gov to learn more about the 2020 Census. You deserve to be counted!

As some of the state and businesses reopen, it is necessary for us to remember the coronavirus is not gone. We must take precautions to protect ourselves and others. We have to be cognizant of "physical" distancing and breaking the chain of transmission. Please ensure safety of all when engaging with the general public. We have all done good work, let's not see it undone.

Funding from the CARES Act is with the Advisory Committee at this time. Weekly meetings are occurring and the jurisdictions of Fort Bend County are working with the county to get the funding.

Enjoy this beautiful Spring spending time with your families!

Mayor Ramona Neal

Spotlight on Boy Scout Troop 941

We trust that this month's newsletter finds you all healthy, happy, and settling in to the "new normal" while also reflecting on all the good that still surrounds us.

One of those "good things" is Boy Scout Troop 941. For the past three years we have been blessed to work along side this wonderful group of young men on the restoration of the Historical Randon Bottom Cemetery, located at Riverwood Park, in Weston Lakes. They most recently helped in the repair of the paver walkway in the cemetery by installing metal edging and adding crushed granite to prevent any future deterioration. They have been instrumental in the cemetery's beautification and continued restoration of our community treasure. We are very grateful and thankful for such a dedicated group of youth and adult leaders.

Weston Lakes resident and Scout Chairman, Eric Toskey with members of Troop 941 at the Historical Randon Bottom Cemetery located in Weston Lakes.

Have you ever noticed that on several national holidays during the year the beautiful American flags flying proudly along the streets of Weston Lakes? We have Boy Scout Troop 941 to thank for this wonderful, "Flags Along the Brazos" fundraising program that supports the development and learning program for Boy Scouts in our community. It is a perfect way to honor and show our pride and patriotism. Also, during their most recent food drive, they collected 3200 lbs. of food for distribution to those in need.

We are most fortunate to have these fine young boys and men setting such a wonderful example for our youth. Boy Scouts is a great adventure for boys 11 to 18 years old. You are always welcome to visit Troop 941 at their troop meetings. Bring a parent and stop by First Fulshear United Methodist Church at 7:30 p.m. on the first, second or third Monday of any month. Look for anyone in a uniform and just let us know you are visiting the troop.

Quick facts about Troop 941

- Troop 941 was first chartered in 1982;
- They are chartered by the First Fulshear United Methodist Church;
- They currently have over 50 active Scouts in many Patrols;
- They have 36 scouts who have achieved the rank of Eagle Scout since the troop was founded;
- Our Scouts organize a weekend camping trip every month;
- They regularly attend summer camps in various locations.

Can You Believe Our Trees?

Weston Lakes resident Eric Krueger shares his love and knowledge of the majestic Pecan Trees in the community. Enjoy!

"Hello Weston Lakes Nature Lovers!" I make this assumption because we all live in an incredibly unique area filled with a plethora of plants and animals next to the Brazos River, which was the vital passageway for the settlers coming to colonize Texas. I know you love nature if you are willing to commute over an hour to work every day! More often than not, we are so busy we don't slow down to smell the proverbial roses (enjoy our nature). Our city is full of life. Laura and I have identified over 85 species of birds in our 14 years in the Riverwood section of Weston Lakes.

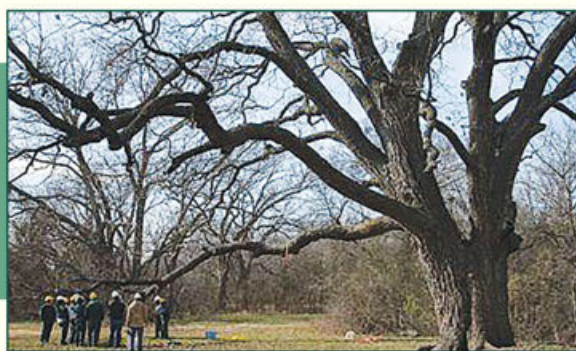

The cornerstone of our biodiverse ecosystem are the old-growth pecan trees that stand guard over our beautiful neighborhood. Our 200-year-old pecan trees rival some of the most famous trees from around the state.

The La Bahia Pecan was just a small tree when we declared independence from Santa Anna in 1836. The tree is located at a historic ferry landing where the Brazos and Navasota Rivers intersect. It is believed that a nut fell from a traveler's saddle bag because its DNA profile is from a pecan grove in Tamaulipas, Mexico. The La Bahia Pecan is over 200 years old. Another famous pecan tree is located west of Fort Worth in Weatherford (Parker County). Weatherford is home to the onetime National Champion Pecan Tree.

La Bahia Pecan Tree

This beauty, located three miles from the town square, has an eight-foot diameter trunk, a 159-ft crown spread, and is 118 feet high. Protecting these majestic trees in Weston Lakes must be one of our top priorities as a community.

National Champion Pecan Tree in Weatherford, TX

Young Naturalists, I have a challenge for y'all. Find the largest pecan tree in Weston Lakes. Where is it located? What is its diameter? Please send measurements, photos and location to eric@elkrecrecruiting.com or text me at 281-639-7384. Once we have found our tree, we want all of our young naturalists to pick a name for our community tree mascot and in a paragraph tell us why you decided to pick that name. The lucky winner will receive a copy of "Famous Trees of Texas" Texas A&M Forest Service Centennial Edition in Hard Cover.

So, get your measuring tapes, cameras and bug spray and go find our tree. Remember do not enter people's property without permission.

Eric Krueger

Thank you for this contribution Mr. Krueger!

Coming soon - Geocaching in Weston Lakes!

Jamie Suttles, Rylee Burton and Mandy Lowe, mom's and teacher's in our neighborhood, have been brainstorming on outdoor activities for the kids and families. Their GREAT idea is.....(drum roll please).. Geocaching!

Not familiar with Geocaching? Well, Geocaching is a real-world, outdoor treasure hunting game using GPS- enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the Geocache (container) hidden at that location. They then sign the logbook inside the container, take a trinket from the container and place some small treasure in the container. Then return it to the original location.

Geocaching

This is a wonderful math, science, geography project all rolled into one. And the perfect way to get your vitamin D! Get a little sunshine!

Keep your eyes open for more information in the next month or so. This is still in the organizational stage!

For more information on any of the items in this months newsletter, please go to: keepwestonlakesbeautiful@gmail.com

Be kind, stay safe and keep the faith!

Keep Weston Lakes Mission Statement:

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful! Everyone is welcome!

If you would like to volunteer, donate or receive more information on how you can get involved, please email us at: keepwestonlakesbeautiful@gmail.com

I would like to say thank you to the MGA and SMGA for their continued help with sanding divots in the fairways and pitch marks on the greens. This has been a huge help with all of the extra play we have received. We aerified greens and fairways in May to relieve compaction from all the extra play we have received, and the maintenance crew will start to slice the rough to help relieve compaction as well. I would like to ask everyone to please observe the 90 degree rule. We are seeing excessive wear entering and exiting the fairways so please keep your carts on the paths around tee and greens.

Shannon Donaway
