Facebook for upcoming specials and events!

# From the Club Manager

**F**all is here, which means the days are beginning to get shorter and the weather begins to cool. Although the summer has come to its unofficial end, it was definitely one to remember. It began with what seemed like daily process changes to keep up with the government recommendations. I would like to thank all our members for supporting the club during these times and being patient as we adapted to each change.

Thank you to all who participated in the SMGA Club Championship and MGA Club Championship, and congratulations to all of the winners! We are looking forward to the LGA Club Championship on October 2nd and 3rd, the 2020 Member-Guest on October 9th, 10th and 11th and the Weston Cup on October 17th and 18th. Good luck to all who will be participating in these events.

Be sure to mark your calendars for the following upcoming events, Trivia Night on October 6th, Homestyle Take-Out on October 11th, Live Music on October 15th, Fried Chicken Night on October 29th, Halloween Trivia Night on October 30th and Trunk or Treat on October 31st. We look forward to all of these exciting events at the club, and hope to see you there.

As you flip through the pages of this newsletter, I hope you enjoy all it has to offer. It is a great way to see what has been happening at the club that you may have missed. You will also find activities to join this fall. Thank you for your continued support.

*Misekia Dabney*

# Management Team

## Country Club (281) 346-1967

**H**owdy all from the Weston Lakes MGA. Wow, what an august August we had. Yes, the wording is on purpose. Along with the play days, which were stupendous, we had another hole-in-one, Member-Member, and MGA Match Play playoff event.

First, our August Hole-In-One winner is Dave (DHez) Heslep. On August 21st, Dave and two other MGA members (including yours truly and D-Man Blahofski) witnessed Dave hit a five-iron on #7 some 160 yards from the white tee to a white pin. The ball gently bounced once and rolled into the cup. BZ Dave!

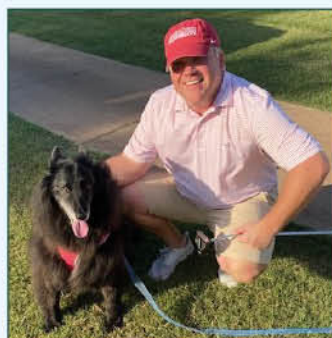

Dave (DHez) Heslep

2020 MGA Match Play concluded on August 13th with a four-ball round. Nick (The Czar) Carlson and Chad (Leaky) Faucett played from the white tees for the one and two positions, whilst Russell (Brawny) Braun and Eric (The Good) Smith played from the white and gold tees, respectively. The championship match went to the 17th hole, where The Czar birdied out for 2 and 1 win. Brawny and Eric finished 6 and 5. Your players are shown below.

**2020 MGA Match Play Champion:**  
The Czar, kids and Chase

**2020 MGA Match Play Runner Up:**  
Leaky Faucett and Chase

**Third Place Winner:**  
Brawny and Chase

**Fourth Place Winner:**  
Eric the Good and Chase

2020 MGA Match Play Champion and 2020 MGA Match Play Runner-Up: The Czar, kids and Chase. Leaky Faucett and Chase. Third Place Winner and Fourth Place Winner: Brawny and Chase. Eric the Good and Chase.

This was the first time the MGA and guests were invited to witness the final four match-play event. Shout out to Keith Simmons for officiating. We found a sweet spot with this event and will continue.

We held our annual MGA Member-Member on /August 8 and 9. The M-M is a two-man team event best-ball net except the really good players where they are gross. Yep, intentional pun. The event was kicked off with Calcutta supper on August 7th. (Thank you Waterside Grill team!) The M-M played over Saturday and Sunday with 70 players. Here are the winning teams by flight:

**Flight 1 (Gross) winners:**

Leaky Faucett and Brawny Braun with a 140 gross over two days.

**Flight 2 (Gross) winners:**

Jeff (Jeffro) Whitzel and Gary (Gary) Owens with a 147 gross.

**Flight 1 (Net) winners:**

Rusty (RJ4) Jackson and Ryan (North) Nordt with a 135 net.

**Flight 2 (Net) winners:**

Jim (Jimbo) Hardin and Tim (The Squirrel) McCord with a 136 net.

**Flight 3 (Net) winners:**

Eric (The Good) Smith and Les (WKRP) Stanbery with a 132 net.

**Flight 4 (Net) winners:**

Christopher (Vasco) Vasquez and Randy (Not That One) Johnson with a 127 net (best net score gents).

**Flight 5 (Net) winners:**

Dan (Masher) Masch and Izze (Dizzy Dean) Dandia with a 129 net.

**Flight 6 (Net) winners:**

Justin (Just In Time) Burnett and Matt (The Scale) Richter with a 135 net.

Here's a summary of the August Saturday Play Day Winners:

**August 15 Blue Division Winner:** Because Echter with a 76-net.

**White Division Winner:** Vasco Vasquez with a 74 net. **Gold/Red Division Winner:** Jack (Cubbie) Warkenthien with a 72 net.

**August 22:** Gene (Happy Camper) Cain and Billy (Baloo) Norris tied for first place net in the individual game at 69. There was a best ball game where Bruce (Marlboro Man) Whitney, Steve-o Cox, Masher Masch and Ray-Ray Hanagriff tied at nine under par.

**August 29 Blue Division Winner:** The Czar Carlson with a 68 net.

**White Division Winner:** Marlboro Man Whitney with a 73 net. **Shocking news in the Gold/Red Division winner:** Jonathan (The Coastie) Henson, with a 70 net.

Thanks to Shannon and the crew for keeping the course looking good despite the pump failure. We appreciate your team's hard work. Thanks to all of you.

If you are interested in joining the MGA, contact the MGA westonlakesMGA@gmail.com

Keep Calm and Carry On.

Jonathan Henson, Secretary, WLMGA

# Senior Men's Golf Association

**O**ur membership is now at 140. Our play days are on Tuesday and Thursday mornings at 9 a.m. Several members also play on Saturday afternoons at 1 p.m. Please contact Rick Kimbrell for Saturday afternoon tee times at 713-249-4893 or by email at r\_kimbrell1@comcast.net. Annual dues are only \$25.

During the Covid-19 pandemic, we are no longer using a shotgun start on the Tuesday and Thursday games. SMGA has initiated use of the Golf Genius App to sign up players for play dates and to keep scores and publish results. The Tuesday and Thursday games have a capacity of 56 players, and most games are full.

The SMGA has joined the MGA in "Divotpalooza" Mondays. Members spend a couple of hours sanding divots on the tee boxes and fairways to help keep the course in great condition.

We began match play July 1st with 53 players playing in four brackets. Results of the **SMGA Match Play** are:

**1st Flight:** Leon Viaclovsky      **3rd Flight:** Bill Daugherty  
**2nd Flight:** Bob Brown          **4th Flight:** John Kemper

Our Ringer Tournament was rained out on the first day, so it was reformatted to a Friday individual best gross, best net tournament. Congratulations to Tim McWilliams for his best gross score of 77 from the gold tees, and to Bob Brown for his best gross score of 83 from the red tees. Low net winners for each flight were:

## Red Tee Flight

1st: Dan Riley -2      4th: Steve Utterback +4  
2nd: Ed Ruffin +3    5th: James Ward +7  
3rd: Bob Moore +4

## Gold Tee Flight 1

1st: Gene Cain +1  
2nd: Doug Wonacott +2  
3rd: Dan Bishop +3  
4th: Tom Gray +3  
5th: Dave Clark +4

## Gold Tee Flight 3

1st: Tim Hoover Even  
2nd: Jim Self Even  
3rd: Charles Murray +2  
4th: Robert Pool +4  
5th: Rex Alexander +4

## Gold Tee Flight 2

1st: Keith Leonard -1  
2nd: Leon Viaclovsky Even  
3rd: Eric Fotheringham +5  
4th: David Diestel +5  
5th: John Sharadin +7

## Gold Tee Flight 4

1st: Terry Bureson +3  
2nd: Gary Martin +3  
3rd: Georg Storaker +4  
4th: Tim Christ +7  
5th: Tuan Nguyen +8

**Congratulations to all of the winners!**

Our next scheduled tournaments are:  
**SMGA Club Championship:** September 17th and 18th  
**MGA-SMGA Weston Cup:** October 17th & 18th

## Achievements

On September 1st, **Ron Court** scored a Hole-In-One on #7. Congratulations Ron!

We would also again like to acknowledge Shannon and his crew for keeping the course in great playing condition despite an increase in the number of rounds played. Many thanks also to the Pro Shop and their staff and to the Country Club!

*Fairways and Greens*

# Garden Club

**Y**our garden club board is hanging in there and hoping that we can salvage something for 2020. We are still planning on having our traditional blood drive and toy drive along with a meeting in November. Since Thanksgiving precludes having it the fourth Tuesday of the month, we are planning to do it on the second Thursday as we have been doing in the past. Should a change be necessary, we will let everyone know in this article next month.

Hopefully, a breath of cooler air will be headed our way soon. In our area, we can enjoy a second round of fresh flowers and growth from our annuals. For many years I have been both amused and aggravated that Home Depot, Lowes, and some other plant sellers put out chrysanthemums at the height of summer heat when it's far too hot to expect them to survive. Although most chrysanthemums are annuals, I have been able to keep some from season to season by planting them in stone or concrete pots (not plastic) and shielding them from the direct sun. Local nurseries such as Brookwood and Enchanted Gardens offer a multitude of lovely choices for fall into winter color for beds and pots. Pansies are always popular along with dianthus, stock, sweet alyssum, camellia, phlox, and others.

I sincerely hope you will join us when you are able to! We understand that this has been a time of great uncertainty, and we humans don't like uncertainty at all much less for months on end. I am sure we will be even more grateful for our activities and the fun and companionship with each other that make living in our beautiful community so rewarding!

**Terri Oliver**, Corresponding Secretary

VOTETEXAS.GOV

## YOUR VOTE COUNTS

Tuesday, November 3, 2020

Early voting begins Tuesday, October 13 — Friday, October 30

Local City and National Elections take place at

FULSHEAR HIGH SCHOOL ★ 9302 Charger Way, Fulshear, TX 77441

## Mayor's Comments

**O**ctober starts the beauty of the changing leaves in Fall! Enjoy the vibrant colors on a scenic drive on a lazy Sunday afternoon or a stroll in nature.

The census is winding down efforts as it has spent July 1 through September 3, 2020 working to ensure all are counted. In December, apportionment counts will be delivered to the President and Congress. By March 31, 2021, redistricting counts

will be sent to each state. Redrawing the legislative districts based on population change is the purpose of this information being gathered and distributed. Thank you for your participation.

When the weather forecasts show a hurricane or even threatening weather coming this way, our state, regional and county leaders begin to activate plans that have been put into place and are reworked after each incident or event. At the local level, meetings are attended by emergency management directors and coordinators in order to get educated on the upcoming event. Daily meetings are attended to get updates on the hurricane's paths. The predictions of the storms paths and intensity facilitate needed decision making. Decisions include setting up a shelter, respite area, and if evacuations, whether voluntary or mandatory, are warranted are considered.

Our CARES Act initiative has been a helpful program for the citizens of Weston Lakes. Many have been helped in paying their rent/mortgage and utilities. Many attended classes, which helped them with Zoom calls, ordering groceries online and seeing the doctor via applications on smart phones.

The Mayoral appointed Drainage Advisory Committee is comprised of volunteer citizens, some with engineering expertise, for the sole purpose of making recommendations to city council. They are tasked with finding long-term and regional approaches to mitigate flooding for the city.

**Happy Halloween!**

**Mayor Ramona Neal**  
(832) 690-8188

mayor.neal@cityofwestonlakes-tx.gov  
www.cityofwestonlakes-tx.gov

**L**ive each day as if your life had just begun."  
~ Johann Wolfgang Von Goethe

The ladies of the Weston Lakes Women's Association are hopeful that we will be able to meet in person for the October meeting. The Program Chairs have arranged for the Women's Center - a shelter for abused women and their children - to talk to us about their organization and their special Christmas Shopping Program. The program allows kids to shop for their moms and for moms to shop for their kids. The items are all donated, so we will be collecting new, unwrapped gifts to add to the "shopping" program. Plan on attending the meeting to learn more about this loving program and what items you can donate.

The Nominating Committee has provided us with the following slate of officers for WLWA 2021:

**President - Jamie Johnson.**

**First Vice President - Lisa Guerre.**

**Second Vice President's / Program Chairs - Jean Lobo and Frances Carr.**

**Treasurer - Donna Rodgers.**

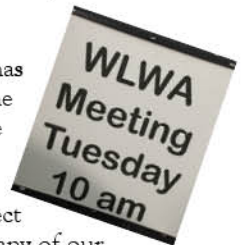

**Recording Secretary - Cheryl Engel.**

**Correspondence / Communications Secretary - Tricia Wright.**

**Parliamentarian - Earlene Hopkins.**

The positions will be voted on at the November meeting. Nominations from the floor will be allowed at the November meeting prior to the election of officers. Our newly elected officers will take over at the January 2021 meeting.

The Weston Lakes Geocaching project has continued to be a large "hit" around the neighborhood with all age groups. Snaps to the Garden Club, Keep Weston Lakes Beautiful, the Weston Lakes Women's Association and all the teachers that brought this project to fruition. This has brought a smile to so many of our neighbor's faces during these very trying times. We gather at 10 a.m. on the third Tuesday of the month at the WL Clubhouse for our meetings. Hopefully, you will see our signs at each gate entrance a few days before the scheduled meeting. We are so very excited and can't hardly wait to see ALL of YOU!

Sandi McNeil, WLWA Corresponding Secretary

**TRIVIA NIGHT**  
TUESDAY, OCTOBER 6TH  
6:30 PM - BALLROOM  
WITH BOB WALL!

# Fitness Center

**O**ur Fitness Center would like to help you put your best foot forward this Fall. According to the International Health and Fitness Association, 75 percent of people who exercise are not getting the results they want, but of the 25 percent who are succeeding, 90 percent of them are working with a Personal Trainer. Whether you need to lose weight, are recovering from an injury, or just want to improve your general health, our certified Personal Trainers on staff are here to customize a fitness program specifically designed to suit your lifestyle, goals, and improve any physical limitations.

This month we will be hosting a H-O-R-S-E tournament for everyone here in the neighborhood! On Saturday, October 17th we will have a full blown tournament for all ages! Swing by the Fitness Center for more details and make sure to sign up!!

# Golf Course Maintenance

**F**all is here and we are ready for some cooler days. We had the SMGA and MGA Club Championship in September and the golf course was in great shape for the tournaments. We are having the Member/Guest tournament this month and are looking forward to giving the members and their guest great playing conditions. I would like to thank the members for coming out on Mondays and filling divots in the fairways and fixing ball marks on the greens, this has been a huge help.

**Shannon Donaway**, Golf Course Superintendent

# Community Club Info

**Poker Night** TBD Due to Covid-19 mandates games are currently not available at the Country Club. Thank you for understanding! Men & Ladies Welcome!  
Questions? Call (281) 346-1967

**Bridge Club** TBD Due to Covid-19 mandates games are currently not available at the Country Club. Thank you for understanding! If interested, please contact Margaret Inlow at (281) 533-9152 home or (713) 594-3283 cell

**Book Club** No Meetings until 2021. Any questions about book club feel free to call Jo Gilbert (281)- 533-9062

**Bunko** TBD Due to Covid-19 mandates games are currently not available at the Country Club. Thank you for understanding! If interested, please contact Leslie Lavigne at [llavigne4531@gmail.com](mailto:llavigne4531@gmail.com)

**Couples Golf** During our COVID time - we are now only playing on Sundays. Tee times start at 3:30 a.m. We can't do a shotgun start for the time being. ### NOTICE:

GOLF COURSE WILL BE CLOSED FRIDAY, OCTOBER 9TH - SUNDAY, OCTOBER 10TH DUE TO THE ANNUAL MEMBER GUEST GOLF TOURNAMENT.

WE APPRECIATE YOUR UNDERSTANDING.

## From the Golf Shop

**W**ith the kids back in school, and football season starting up, it's starting to feel like autumn again... even in our new normal way of life. With the cooler weather, it has been a Big Plus just being able to get out of the house and enjoy some time outside without the heat.

Last month the SMGA held their Club Championship on September 17th and 18th. And that event was followed by the MGA Club Championship on the 19th and 20th. "Congratulations goes out to all of the winners."

As we move into October, we are also getting excited about the upcoming Club Championship for the LGA on October 2nd and 3rd. This Event will be followed by the Weston Lakes Member-Guest Tournament on October 9th through the 11th.

If you get a chance to come by the Golf Shop, checkout merchandise that is left over from the tournament at a good price for all. If you have a gift idea for "someone special" and you don't see it in the shop, please let us know and will be glad to special order it so it will be here in time for the holidays.

Our goal is always to provide a quality experience for all of our members and their guests.

**Keith Simmons**  
Director of Golf

## Property Owners Association

**A**t the time of this writing, the weather is still very hot and humid. Hopefully, we will begin to see much cooler temperatures and "fall like" weather in October.

Please be cautious of children boarding and exiting the school bus. And please, do not pass the bus.

In this time of COVID-19, if Halloween is celebrated, the traffic pattern for Oxbow will change as it has in previous years. In the interest of safety for the children trick or treating, and avoidance of vehicle gridlock, Oxbow will again be a one-way, and all vehicles must turn right when entering Oxbow. As it gets closer to the date, a blast will be sent with updates.

There have been complaints from residents regarding door-to-door solicitation. Please remember that in our gated community with private streets, no solicitation of any kind is allowed.

Everyone should have received the POA Annual Meeting notice by October 4th. If you have not received, please contact the POA office or KRJ Management.

The next POA meeting is October 15th, hope to see you there.

## Ladies' Golf Association

**P**lease October, bring us some cooler weather! The Golfing Ladies are ready! We still manage to have a great turnout on our Wednesday Play Days even with the crazy heat.

Our Weston Lakes Ladies Golf Association's Club Championship and President's Cup Championship tournament will be held on Friday, October 2nd and Saturday, October 3rd. On Saturday, we will meet for the final scoring, lunch, and an LGA meeting. Good Luck to all of the participants! The results will be printed in the November magazine.

October is Breast Cancer Awareness month. We will have our "Pink Lady Scramble" on Wednesday, October 28th. All Ladies participating are encouraged to wear pink. More information will be included in an e-mail from Pam Skeen, our Play Day Chairperson.

I wanted to give a BIG Congratulations to our Statistician, Amy

Treat, for her Hole-In-One on August 23rd. Even though this was not on the LGA Play Day, she is one of our members, and we are proud of her. She got the hole-in-one on #7 playing with the couple's golf group. The LGA has a Hole-In-One Pot that is distributed to someone that gets a hole-in-one on an LGA Play Day. If you have not contributed to the pot (\$5), please contact me. You must contributed to be eligible.

Amy Treat - Hole-In-One Congrats!

### LGA Members Celebrating their Birthdays in October!

Sharon Leonard - October 2;  
Sharon Sharadin - October 4;  
Tina Blahofski - October 9;  
Gilma Leask - October 22;  
Renee Cariveau - October 28.

Enjoy your Day!

Thank you to all the members for your participation in the WLLGA. It has been a crazy year!

**Wendy**

## Governor's Community Achievement Award Update

**CONGRATULATIONS WESTON LAKES!!!** We have very exciting news that Keep Weston Lakes Beautiful (KWLB) wishes to share with all our neighbors. KWLB has been working almost daily and diligently with TXDOT on the Governor's Grant of bringing money (\$110,000!) to Weston Lakes for the improvements to the specified areas to which TXDOT will allow paid improvements.

Let us start by explaining that growth in the area is moving full steam ahead. Looking to the future, a noisy FM1093 highway, intersections, schools, or commercial business can be a real burden for FM 1093 nearby property owners. As visually pleasing and insular as a yard might be, a constant roar or bustle can greatly diminish its aesthetics. Planting evergreen trees and shrubs to serve as a noise barrier can be quite effective and offer the added bonus of enhancing the beauty and privacy of our outdoor space. Noise abatement has become an important consideration for suppressing and dampening the surrounding noise from FM 1093.

Weston Lakes, as one of the 2019 winners of the Governor's Community Achievement Awards, funded by TXDOT, KWLB and our POA, and Sierra Golf Corporation are working closely with the landscape team from TXDOT to design a master plan that will incorporate both trees and shrubs into a noise barrier for acoustic buffering and promoting a native vegetation community. To be clear, TXDOT has final say on all landscape plans, and KWLB and the POA have worked closely with TXDOT representatives to meet TXDOT requirements and standards regarding this project. While KWLB had wished that it had discretion and final approval on any improvements realized by the TXDOT grant, that is simply not the reality, so KWLB has worked closely with TXDOT on approved vegetation and placement along FM1093 to best beautify our community along the FM1093 right of way controlled by TXDOT.

Having said all of that, planting trees can be one of the best "green" things you can do in and for your community. When you consider what trees do for the environment, they are pretty amazing. They provide food, homes for squirrels and birds, shade for the grass and plants below (and shade for people, too!). Trees provide the needed oxygen for the atmosphere – not to mention that trees get rid of carbon dioxide (a major greenhouse gas) in the process of releasing oxygen.

Here are a several native species, and information on what we hope will be used in the project upon approval from TXDOT:

Sycamore Tree

### Sycamore - Texas Native

Considered the largest deciduous tree in North America, sycamore in Texas can exceed 100 feet in height and four feet in diameter, with a stout trunk and large, spreading limbs that create an oval or round, spreading crown. Sycamores work well in large, natural areas; because they have dense growth habits, they make excellent shade trees. Sycamore root systems are also excellent barriers to erosion.

### Grape Myrtle

Perhaps the most common small landscape tree or large shrub planted in Texas is usually multi-trunked with smooth limbs, grows to 20 feet tall and 15 feet wide, with mature trunks ranging from 4" to 12" in diameter. It tolerates a wide range of site conditions, including drought and slightly alkaline soils. Its annual blooming of vivid color brightens up every area it adorns. These would be used along the Westerham gate fence line.

Grape Myrtle Tree

Burr Oak Tree

### Burr Oak - Texas Native

A large tree that can reach a height of 80 feet or more and a trunk diameter of five feet, with a short body and heavy branches that form an open, spreading crown of dark green foliage, and acorns that keep the squirrels pre-occupied for months.

### Live Oak - Texas Native

A large, stately tree, commonly growing to 50 feet tall with a short, stout trunk of four feet or more in diameter, dividing into several large, twisting limbs that form a low, dense crown that can spread more than 100 feet, with limbs often touching the ground in open-grown settings.

**Fun Fact:** Live Oaks were once prized for their naturally curved limbs and trunk, used by shipbuilders in the 18th Century to fashion the ribs and planking of tall sailing ships, such as the USS Constitution known as "Old Ironsides." Refitting that ship in the 1980s included specialty pieces cut from live oaks in Texas that had been killed by the oak wilt fungus.

### Magnolia - Texas Native

A large forest or landscape tree, reaching heights of 90 feet or more and a trunk to four feet in diameter, with a dense, pyramidal, or oval crown, with spreading branches often reaching the ground in open settings.

**Fun Fact:** Magnolias are an ancient genus, one of the oldest flowering plants, extending back approximately 130 million years.

Live Oak in container

### Bald Cypress

Bald cypress trees can grow to a height of up to 120 feet. Their needle-like leaves grow individually from the twig. Leaves are soft and feathery in appearance, dull light green above and whitish underneath. Cone-shaped "knees" project from submerged roots. The bald cypress is a deciduous (loses its leaves in fall) conifer (cone bearing tree). It is covered with brown or gray bark with long fiber-like or scaly ridges that peel off in strips. Cones are made up of several, four-angled, flattened scales. Limbs are often draped with Spanish moss.

Bald Cypress

Bald cypress trees add grace and beauty to many of Texas' most cherished waterways, and offer excellent barriers to erosion, will be planted along Pecan Lake at the main entrance of Weston Lakes.

**Fun Fact:** A member of the Redwood family, they are among the first trees in Texas to lose their leaves in the fall (hence the name "bald cypress") and the last to bud in the spring. Most live up to 600 years, but some individuals have survived 1,200 years.

### Texas Sage Shrub

A classic in the American Southwest, a Texas sage shrub is a native plant.

It provides cover for wild animals and birds and helps stabilize loose desert soils. This adaptable plant is drought tolerant and useful in areas with high heat and cold desert temperatures. It is also a landscape surprise that produces profuse lavender flowers. The plant additionally has deer

Texas Sage

resistance and thrives in poor soil. Texas Sage can achieve six feet (2 m.) in height with a similar spread. While the grayish-green, woolly leaves are not terribly spectacular, the new wood on the plant produces copious lavender purple, magenta or white flowers. These have three fuzzy petals and a fused set below with conspicuous white anthers.

Esperanza

**Esperanza** (also called Yellow Bells or Yellow Trumpet Flower)

This flowering shrub is native to Texas and found growing wild on rocky slopes near San Antonio and in the Trans-Pecos region. The large tubular flowers offer a striking contrast against the dark glossy foliage and are irresistible to hummingbirds, bees, and butterflies. Plants typically begin to bloom in spring and continue through the heat of the summer.

### Duranta

Duranta plant delivers scores of pale blue, white, or violet clusters for the entire growing season. The duranta has attractive evergreen foliage, and some varieties have gold or variegated leaves. A bonus is the appearance of ornamental berries in the fall. Planted in the spring, the Duranta grows quickly in warm areas into a large shrub or small tree over the course of a few seasons.

Duranta

In summation, over the next months during spring and summer 2021, you will see quite a bit of activity along FM 1093 while this project is initiated and executed. While KWLB and the POA has had input, which frankly TXDOT has respected, TXDOT makes all final decisions since the grant is awarded, and to be used, along TXDOT right of ways.

We are both encouraged and thankful for the TXDOT grant and their plans to greatly improve the FM1093 right of way that should improve all our property values and the general esthetics of our community.

As always, should you have any questions, please feel free to contact KWLB at [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com) and we will provide you, to the best of our ability, answers to any questions you may have.

### Upcoming News and Events

Keep Texas Beautiful Fall Sweep: "Fall Sweep" is a community-wide cleanup for all who want to pick up and sweep up their community or an area needing some extra attention within our city. Look for details in the coming weeks.

**PROUD**

Life can seem overwhelming, especially during these trying times. It seems as though every time you turn on the television or radio, you are bombarded with negativity that can cause fear and anxiety.

The pandemic has struck our nation like no other enemy we have ever encountered. Concerns over our economy are ever present, and constant worry regarding the future surrounds us. National politics have become so uncivil and negative that even a healthy debate of issues is no longer the norm, but rather slander and fear tactics have become the common theme.

Even our community is not immune to these challenges. The virus, negative posts on social media sites, and local political issues seem to have clouded the beauty of our community in many ways.

But even with all the madness, there is a much better side of life we all share, if we only take a moment to see it.

## Weston Lakes

Weston Lakes is a special place. A beautiful oasis filled with compassionate people and a deep sense of community.

That's why we chose to live here.

Kay and I have been fortunate to be affiliated with Weston Lakes for over 27 years, and have found it a blessing to call it home for our family for 16 years. It is a place where we plan to spend the rest of our lives while we enjoy watching our children and grandkids grow up. It is a place where we have made lifelong friends, and have shared many wonderful experiences.

There are so many wonderful things about living within this community. So, therefore, I feel compelled to say that we all need to take time to pause and be thankful for what we have here verses engaging in the negativism and discord we have recently heard from some residents.

We are all so blessed. When we drive into Weston Lakes, the world's problems seem to fade, our stress level is lowered, our anxiety begins to diminish and a sense of joy increases within us.

Why? Because we are home. Surrounded by friends and neighbors who don't judge you by your status, religion or politics, but rather accept you as you are. Neighbor helping neighbor.

Recently it appears that our community's neighborly disposition has been shaken in some ways. Seeing this, it seems as though we all need to reflect upon why we choose to live in Weston Lakes, what brought us here in the first place, and what we sometimes may take for granted.

The beauty of the neighborhood. The feeling of security for our families when we enter those gates. Knowing and caring for our neighbors. Investing our lives in a growing community that retains its core values. Being a part of something special.

Being Weston Lakes Proud.

**I am Weston Lakes Proud**

## Weston Lakes Proud

I am excited to announce the launch of a new website called [westonlakesproud.com](http://westonlakesproud.com). It is a place where I will communicate accurate and positive information to my neighbors about the wonderful things happening in Weston Lakes each month. The common thread for information on this site will be "Weston Lakes - Our Shared Community".

Unfortunately, too often we are overwhelmed with negative social media postings that do not share the same feelings about Weston Lakes as many of us do. These negative comments, accusations and unwarranted advocacy for change, have a tendency to take away from the beauty of why we all chose to live here in the first place. I, for one, am proud of our community, and hope that the feelings I have about this neighborhood and the reasons why I choose to live here will never change.

We are more than a neighborhood. We are family. I do realize that there will be more challenges we will face in the future, but I feel we will be better able to face them if we are all working together.

I encourage everyone to take the time and reflect on what really matters in life, and the reasons you chose Weston Lakes as your community. In the end, I believe you too will find that you are **Weston Lakes Proud!**

Join me in being **Weston Lakes Proud.**

Michael & Kay Surface  
Weston Lakes Country Club Owners

# IN APPRECIATION OF OUR FIRST RESPONDERS

As National First Responders Day is on October 28th, we would like to recognize the heroic men and women who constantly devote their time and efforts to our community. Especially during the difficult times our country and community have had to deal with over the past several years. Not only do these dedicated individuals work tirelessly to protect our community on a day to day basis, but have always surrounded us with support during unprecedented times of need. Their love and commitment to Weston Lakes enhances the way of life in our community and does not go unnoticed. We want to thank everyone involved for their service!

September 15, 2020 Reserve Park Opening: Mike Surface, Jane Poe, Kay Surface, Rhea Ragle, Rex Jarrell & Kevin Smith

POA Board Members Seated: Rhea Ragle & Jane Poe  
Standing: Kevin Smith, Brad Karasek & Rex Jarrell

MUD #81 Board Members Seated: Robert Machen, Steve Utterback & L.A. Meyers. Standing: Dan Riley & Robert Pfaffenberger

MUD 81 is probably one of the least known organizations in our community but likely the most vital. MUD 81 is ensuring quality water and sanitary waste water treatment by focusing on strategies of infrastructure preservation, management and capital Improvements, and they have done a tremendous job over the years. Such improvements have included waste water treatment plant expansion, the addition of a third water well and distribution plant, a new water line along Bowser Rd. to connect a third water plant to Weston Lakes infrastructure, replacement of an aging hydropneumatic tank to assure continued water pressure, and continued maintenance of all lift stations throughout the service area. While the MUD is not as profile as others, they work tirelessly to see that the services required for our community are provided at a superior level and at an exceptional cost. In fact, Weston Lakes boasts a tax rate of .34 cents for our utility services, one that is the lowest in the area. We appreciate your service to our community.

The WL POA is the main governing body for Weston Lakes and has the most direct impact upon our daily lives. The role the POA has held since the inception of Weston Lakes has been to stand as the day to day manager of our community. Unlike most other Cities, the operational responsibility for our community lies with the POA. Management of our gates, approval of our construction, maintaining our streets, security, landscaping, parks and lakes, all are the responsibility of the POA. Our POA has been involved with the overall development and responsible for upkeep of our community since the beginning of Weston Lakes. The primary reason many of us chose to live here is because of the environment our POA has been able to create and preserve for many years. Often times we take for granted the dedication and hard work our POA does each day that makes us feel safe and at home. These volunteers work constantly to ensure our gates are secure, upkeep and renovate our City parks and consistently communicate with residents. These are essential to our way of life in Weston Lakes. We appreciate all you do!

Weston Lakes Constable on patrol Randall Richards and the Fulshear/Simonton Fire Department are always extremely responsive to the needs of Weston Lakes residents. Whether you have had a personal need for their assistance or not, their genuine dedication to serve Weston Lakes is essential and much appreciated. Due to their efforts, our neighborhood feels safe and secure daily.

Precinct 3 Constable Wayne Thompson's Deputy Randall Richards

Fulshear Simonton Fire Department: Captain David Helms, Christopher Albright & Anthony Gillespie

Weston Lakes City Council Seated: Mayor Ramona Neal & Linda Harmist Standing: Ted Case, Denis DeLuca, Bill Ragle & Trent Thomas

Weston Lakes Emergency Management Team hard at work during Hurricane Harvey

The City of Weston Lakes is a special place. We are a unique community, different than most other Cities that surround us. While the POA and MUD 81 have been established much longer and is responsible for most traditional services a City normally manages, our City serves a vital role in communicating and maintaining relationships with the world outside the gates of Weston Lakes. The City is the body that represents the City of Weston Lakes on major projects affecting our area such as transportation, regional drainage and development. The City officials are constantly representing our community on numerous issues that affect our lives every day.

The City is also responsible for the Cities OEM (Office of Emergency Management). We are blessed to have the premier OEM departments in our area. We are extremely grateful to the City Council members and numerous volunteers that make up OEM who stand ready to respond to the emergency needs of our community. OEM has also often been requested to help support our surrounding communities during their times of need. Regardless of the type or needs that arise, OEM and the City offices are always ready to respond. In times of need, like hurricane Harvey, our elected officials and emergency management volunteers have dedicated years of service to preserving our community and its way of life.

## MASSAGE THERAPY BENEFITS FOR GOLFERS

*Here are a few benefits of Massage Therapy for Golf:*

- Increases circulation that assists in removing metabolic wastes that can accumulate in muscles due to overuse and the repetitive motion of the golf swing.
- Reduce muscle spasms, trigger points and adhesions that need to be addressed to help prevent injury and improve quality of movement.
- Improve range of motion and muscle flexibility resulting in increased power and performance.
- Decrease anxiety and stress levels.
- Improves mental focus.
