From the Club Manager

With the arrival of November, we welcome the fall season, lower humidity and cooler temperatures. This is also the month of Thanksgiving. Living and dealing with this pandemic for over six months, not knowing when it will be under control or a vaccine will be approved, do we have anything to be thankful or even grateful for? Of course, we have a lot to be grateful for. First and foremost, we are grateful that we live and work here at Weston Lakes. Throughout this pandemic, we have kept our community extremely safe inside our gates, food has been available either by limited, in-club dining or as take-out. We are thankful for our staff for constantly meeting, reviewing and adapting to the many challenges this pandemic has presented, and for making the difficult decisions that are necessary to keep our Club functioning throughout these unprecedented times. We are grateful to our entire staff for remaining diligent about their own safety. Without a healthy, safe staff, we cannot continue to enjoy the many benefits that we have here at Weston Lakes.

We are grateful for our members who have supported our club and have stayed safe by following the guidelines of social distancing, wearing masks and limiting their exposure. Let us remember, when we sit down for our Thanksgiving dinner with family and friends, be thankful for all that you have. Do not dwell on what this virus has taken away, but be thankful for what we have here at Weston Lakes. We remain strong in our resolve to stay safe and come back stronger than ever when COVID-19 leaves us. We thank all of you for your support of our Club and your commitment to safety.

Just a reminder, Daylight Savings Time ends on Sunday, November 1, so be sure to adjust your clocks on October 31 and "fall back" an hour. Again, I would like to wish you a Happy Thanksgiving, and being **WESTON LAKES PROUD!**

Garden Club

Thank you to all those who were able to join us on September 29th for our first meeting since last February. We had a great turnout and the weather was perfect. The club patio area provided a wonderful outdoor environment for social distancing. I think we were so busy chatting that the delicious cake we had went mostly uneaten. I am writing this in mid-October, so our October 27th outing to Mercer Gardens has passed. The reason I am mentioning it is because I want you to know that your board is working hard to plan meetings and events that our members can look forward to, and we do our best to meet the social distancing requirements. Of course, we understand that some may not be getting out yet; however, we want you to know that we haven't forgotten you and hope you can join us soon.

New members are always welcome and we encourage those with new neighbors to invite them along! While we are the Garden Club, you certainly don't have to have a green thumb. Our goal is to be a fun, social group and enjoy meetings and outings where we, hopefully, will pick up some gardening knowledge. Our normal meeting time is 10 a.m. at the club on the fourth Tuesday of the month. We usually have a calendar out for the year by now (we run Sept. through May) and we are trying to adhere to the usual meeting time frame as much as possible during the continued Covid concerns.

November is a busy month with Thanksgiving on Thursday, the 26th. With that being the case, our meeting will be on Thursday, Nov. 12th. We also will have our annual Toy Drive in partnership with our Constabulary's office. Please bring an unwrapped toy to the meeting and there will be a reminder email with further details. Our annual blood drive will also be on the 12th with the Blood Mobile in the club parking lot.

Note: All Weston Lakes residents are invited to donate a toy and to give blood. We have enjoyed wonderful participation in the past and need you more than ever this year!

November Dates:

Tuesday, November 3rd, is Election Day. Please do not forget to vote on or before the 3rd.

Wednesday, November 11th is Veteran's Day. Many thanks to the service men and women here in WL as well as those who are protecting our freedom all over the globe!

Thursday, November 12th is the Garden Club meeting (our speaker will be Ashley Gribb from Enchanted Gardens), toy drive, and blood drive. Toys may be dropped off at the POA office starting Nov. 5th and on the 12th there will be drop-off at the club from 10 a.m. to 1 p.m. The blood drive is 1 p.m. to 5 p.m.

Thursday, November 26th is Thanksgiving.

I'd like to end with a prayer...

Dear God, we turn to You in times of joy and in times of pain. What a blessing it is to know Your eternal love will comfort and sustain us. We are grateful for our Veterans and we pray that freedom for all will triumph over adversities as we pay tribute to those who give their all. We give thanks for our families, friends, and our community for together we can overcome the difficulties of life just as the Pilgrims did many centuries ago.

Terri Oliver, WLGC Corresponding Secretary

Senior Men's Golf Association

Our membership is now at 140. Our playdays are on Tuesday and Thursday mornings at 9 a.m. Several members also play on Saturday afternoons at 1 p.m. Please contact Rick Kimbrell for Saturday afternoon tee times at 713-249-4893 or by email at r_kimbrell1@comcast.net. Annual dues are only \$25.

The SMGA has initiated use of the Golf Genius App to sign up players for play dates and to keep scores and publish results. The Tuesday and Thursday games have a capacity of 56 players, and most games are full.

The SMGA has joined the MGA in "Divotpalooza" Mondays. Members spend a couple of hours sanding divots on the tee boxes and fairways to help keep the course in great condition.

Our Club Championship Tournament was held on September 17th & 18th. Congratulations to our Club Champion Jeff Whitzel for his best Gross score of 147! Congratulations to Rick Oneto for the best Red Tee Gross score of 163. Congratulations to Tom Gray for the best Net score of 142. Low net winners for each flight were:

SMGA Club Champion Jeff Whitzel and Red Tee Champion Rick Oneto

Achievements

On September 24th, Jeff Whitzel shot a 67, the lowest round recorded in an SMGA competition! Congratulations Jeff!

We would also again like to acknowledge Shannon and his crew for keeping the course in great playing condition despite an increase in the number of rounds played. Many thanks also to the Pro Shop and their staff and to the Country Club!

Fairways and Greens

The past few years, the SMGA of Weston Lakes has given several thousand dollars to various individuals, families and organizations who have financial needs.

In September, the Community Involvement Committee, collecting gifts from SMGA members, donated \$2,000 to Director Dale Olson and Family Fulshear Hope, plus \$2,000 to Still Creek Christian Ranch, Executive Director James Inman.

The men of the SMGA Community Involvement Committee Participating include, left to right, the following: John Dunn, Dr. Dale Olson of Fulshear Family Hope, John Kemper, Charles Wisdom, Bobby Brown, James Inman, Executive Director of Still Creek Ranch, Marty DuBroc, Don Wells and Dan Bishop.

Men's Golf Association

Happy Fall to our Weston Lakes family. September was another busy month with MGA and WLCC activities. In September we held our annual two-day, MGA Club Championship. Let's get to the business at hand.

Mark Boles made a hole-in-one on Sunday, October 4th, during the Sunday Playday. Mark made his hole-in-one on No. 3. Congratulations Mark! Note to the gentle readers: this should go into next month's newsletter but a hole-in-one should be celebrated early and often.

Here's a summary of the September Playday Winners:

September 5 individual stroke winners: Steve Cox and Jack the Cubbie Warkenthien tied for first with a net 70.

On September 12, Les (WKRP) Stanbery ran the game. Tim (Mac) McPherson won the individual net 63.

For the weekend of September 19 and 20 our MGA played their championship with the course in perfect condition and pins placed where it should be illegal. Nonetheless, we all played the same course.

Here are the winners by net and flight:

Blue tee division (show offs): Richard (Tiger) Koob with 143-total net.

White tee division (regular guys): Ted (The Case) Case won with a 144-total net. Pistol Pete Roblyer and Bruce (Marlboro Man) Whitney tied for first with 157 each.

Gold/Red Division: (special fellows): Wild Bill Daugherty won with a total net of 148. Wild Bill shot a 71 on Sunday. Dan (The Man) Cooper won the gross with a 161 in Flight 1. Tom Walton and Dano Olivio tied for first in the second flight with a 181.

Tiger Koob is the 2020 Net Club Champion. The 2020 MGA Champion is, drum roll please, Chad (Leaky) Faucett. Chad and Nick (The Czar) tied in regulation and played two playoff holes.

Congratulations to our champions and MGA for a great event. Thanks to Katelyn and her team for the great food.

The last playday, September 26, was an individual Stableford event with two divisions: gold/red and white tees.

The winner of the regular guys tee was tied by Terry (Teradacyl) Fuschak and Scott (Fish) Sipes. Both had 26 points. Paul Gray won the special tees division with 21 points.

If you are interested in joining the MGA, contact the MGA westonlakesMGA@gmail.com

Keep Calm and Carry On.

Fitness Center

Thanksgiving is right around the corner, and more often than not, it's the time of year that weight tends to fluctuate and healthy habits are kicked to the curb! Holiday season is the toughest time of the year to stay on track with your Fitness Goals because everything is centered on food...and LOTS of it! Here are five tips and tricks to help you stay on track through the Holidays!

- 1** Fit it all on one plate. Prevent over-stuffing yourself by fitting your Thanksgiving feast all on one plate (This works best if you don't use an oversized plate filled to the brim). Sample small portions and avoid going back for seconds. If you're tempted to return for more, give yourself 20 minutes (about how long it takes to feel full) first.
- 2** Eat slowly. Thanksgiving foods are likely to be richer and more filling than your everyday fare, so eat slowly and savor every bite.
- 3** Enjoy the company of family and friends. Socialize during your meal and festivities. You can't eat and talk at the same time ~ so the more conversation you enjoy, the less you'll eat.
- 4** Get moving. Sign up for a local Turkey Trot 5K or 10K and spend your Thanksgiving morning getting some exercise. Not only will you burn some calories, but you'll also enjoy some holiday fun!
- 5** Make some easy Turkey day substitutions. For example: Eat the white meat without the skin instead of the dark meat with skin and shave off 190 calories.

Turkey – white meat, no skin (6oz): 180 calories, 3g fat
 Turkey - dark meat, with skin (6oz): 370 calories, 20g fat

Weston Lakes Women's Association

Don't let yesterday take up too much of today."
- Will Rogers

We're back! The ladies of the Weston Lakes Women's Association were thrilled to hold the first meeting of the fall. It was so exciting to see everyone again. We all practiced social distancing and some even wore masks. We talked about collecting items for the Fort Bend Women's Center - a shelter for abused women - to add to their special Christmas Shopping Program. The program allows kids to shop for their Moms. The items are all donated, so we will be collecting new, unwrapped gifts. All donations can be brought to the November meeting. Items that are needed are jewelry, purses, crock pots, cooking sets, toiletries, make-up, etc. Just think what you would want if you had to suddenly leave your home with only the clothes on your back.

At the November meeting the Program Chairs are arranging to have a Yoga Instructor come out and give us some pointers on how to relax our bodies and our minds during these stressful times. It will be great to learn some new poses to calm our nerves for the holiday season.

We will also be voting on the slate of officers for WLWA 2021:

President - **Jamie Johnson**

First Vice President - **Lisa Guerre**

Second Vice President's/Program Chairs - **Jean Lobo** and **Frances Carr**

Treasurer - **Donna Rodrigues**

Recording Secretary - **Cheryl Engel**

Correspondence/Communications Secretary - **Tricia Wright**

Parliamentarian - **Carol Sandal**

Nominations from the floor will be allowed at the November meeting prior to the election of officers. Our newly elected officers will take over at the January 2021 meeting.

Mark your calendars for our December meeting because you definitely do not want to miss it. It's our Christmas Social! There will be holiday music playing in the background and a Christmas Brunch as well as a cash bar for specialty drinks. The ladies decided that this was a more appropriate event for us since social distancing is currently a part of our lives. The Christmas Dance will be back in December of 2021.

We gather at 10 a.m. on the third Tuesday of the month at the WL Clubhouse for our meetings. We are so very excited and can hardly wait to see ALL of YOU!

Golf Course Maintenance

October ended up being a great month for golf. We had the LGA club championship, MGA member guest, and the Weston Cup. The weather was perfect, and the golf course was in great shape for all the tournaments. We have started our fall pre-emergent herbicide spraying, so you will see some foam around the course that we use to mark where we have sprayed. We should have it completed by the first week of November. We will be going to mats only on the driving range tee for the winter starting November 1st. As always, please repair your ball marks on the greens and hope to see you on the course.

Shannon Donaway, Golf Course Superintendent

From the Golf Shop

November is here!!! Along with the cooler temperatures, this will be a great month for golf. With cooler temperatures it also tells us the holiday season is near, so if you are looking for that special gift, stop by the pro shop and check out our fall merchandise. We will have several holiday specials through the end of the year. So don't be the one to miss out. And don't forget to use your "Pro Bucks" before the end of the year.

Also, we hosted the LGA Club Championship, Weston Lakes Member Guest and closed out October with Weston Cup tournament. Congratulations to all the Winners. It is great to see everyone out and having a great time. In November, we are looking forward to the MGA Match Madness on Saturday the 14th.

I look forward to seeing you in the Golf Shop soon. Our goal is always to provide a quality experience for all of our members and their guest.

Keith Simmons
Director of Golf

It is always sad when we have to say goodbye to one of our majestic trees, and it is never done without much thorough research. Just like humans, trees also have a life cycle, well beyond ours, but unfortunately when trees reach that time, they become a significant danger, with a risk of falling or dropping life threatening limbs. Better to respectfully remove our ancients rather than it take a life, paralyze an individual, crush a car or something else. It is never an easy decision, but appropriate action must always be taken to mitigate this risk. Our trees at the Weston Lakes front gate, that have recently lost limbs, have been expertly evaluated, and they must soon be replaced.

KWLB looks forward to using our TxDot grant money to replace, and add to, those wonderful Pecan and Live Oaks that have graced us with their beauty along FM1093 for many decades. This is an exciting time for us, and we will keep our community up to date with progress and timeline.

Did you know?

The Pecan is the Texas state tree, being native to about 150 counties and capable of growing and producing in all Texas counties. The tree is popular for landscaping and as a source of nuts. Proper attention to cultural requirements and pest control help to assure a long and productive life for our enjoyment and also for our furry friends.

What is the life cycle and life span of an oak tree?

Insect infestation, disease, scavenging animals and adverse weather conditions can prematurely end the life cycle at any stage. In the best of circumstances these native trees can live for almost 100 years. Our trees near the gate were part of the plantation and were preserved, as a number of others, when Weston Lakes was first created almost five decades ago.

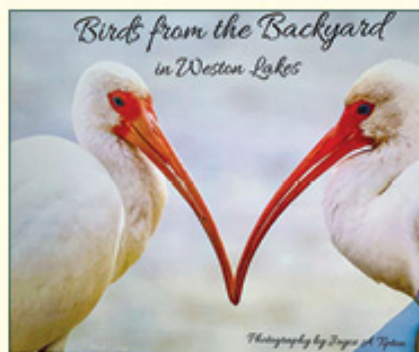

With over 180 native species of oak trees in the United States alone, there is an oak species for virtually any climate or growing condition. Average life span for most oak species is between 100 to 300 years, though the known maximum life span for several species well exceeds the averages.

Live oak diseases come in many forms. Oak wilt is a fungal infection that affects all oak trees, including live oaks. Root rot, powdery mildew, oak bark beetles and oak beetles also can create serious problems for your live oak tree.

Birds from the Backyard in Weston Lakes, by our own Joyce A. Tipton

We are so honored to have such a talented artist as Weston Lakes resident Joyce Tipton share her joy of photography with us all. If you have followed her blog, Facebook, or seen her images on NextDoor, you now can see her amazing photos up close. Many had requested a book of her stunning photographs of our local beautiful, feathered friends, and

lucky for us here it is! This is an 11x14 hardcover book with 31 magnificent pages of photographs that were taken within Weston Lakes. There are 57 different species of birds represented in the book, and one is more beautiful than the last.

A few of our local Woodpeckers

Joyce has been gracious enough to donate all proceeds, above the cost of printing, to KWLB for continued community projects. This is a great way to get a jump start on your holiday shopping.

And speaking of shopping... Joyce will be participating in the Weston Lakes Sip & Shop, Friday, November 20th, from 12-7 p.m. at the Weston Lakes Clubhouse. Order now, and KWLB will include a "FREE" copy of "A Taste of Goodness", a cookbook of favorite recipes from community resident and Chef Anthonie Dekker. This is a great Holiday gift idea! Let us all support KWLB, Joyce and our community by buying these books!

Please email me at joycetipton@gmail.com (yes it really is gmail) to purchase a book. Joyce can accept cash, check, Venmo, or PayPal. and will reply to your email with payment information, and we can arrange delivery or pickup. You can also go to: keepwestonlakesbeautiful@gmail.com

Property Owners Association

In an effort to expedite the check in by the gate staff and to proactively make it as efficient as possible, this year residents can request a Pre-Authorized Thanksgiving Day Gate Pass for all expected guests to use for entry.

Send an e-mail to westonlakesvisitor@gmail.com, requesting a 2020 Thanksgiving Day Gate Pass. Please include your name and street address in the email request. You do not need to include the names of your guests. An email bulletin will be sent at the beginning of November with additional instructions/procedures.

Visitor list and gate announcement procedures will be sent via ebulletin to valid email addresses in the new website. The new cloud based system will allow you to now announce your guests by logging into your gate profile. The Auto Attendant used for calling in visitors will continue to be available. If you have changed your e-mail address, please update via your website profile. This will ensure that you receive the e-mail blasts that are sent to the community.

The "Meet the Candidates" will be held in the Country Club Ballroom on November 19th. Voting for the Board and ACC candidates begins November 4th. The annual meeting will be virtual, and instructions on attending virtually will be sent with the ballot.

The annual maintenance assessment invoices will be mailed the last week in November and are due January 1, 2021.

As a reminder, if you have questions or concerns for the POA Board, please call one of the members or e-mail your question/concern to wlonline@westonlakespoa.com. One or multiple board members will address your concern.

Have a very happy holiday season and we hope to see you at the Meet the Candidates meeting.

Mayor's Comments

Greetings Weston Lakes,

This month we begin to see leaves change and our focus turn to family. We celebrate Thanksgiving with loved ones and seeing friends as we enjoy goodies of the season. This is a time of reflection, the growth we have achieved, and a time to give thanks. Being grateful for those we love and gathering with family is a lifetime wonder of the holidays.

This year has presented its challenges, and we arose to those challenges even though we were not anticipating a pandemic. Thank you for your continued efforts to protect your loved ones and each other during this time.

The CARES Act committee is tracking our progress and identifying what else we would like to accomplish during the last phase. Funds are available in the rental, mortgage or utilities assistance program. Please contact me or visit our website for more information. Thank you to every member of the CARES Act committee for all of their hard work and commitment our residents.

Our drainage committee has worked diligently to prepare presentations and make recommendations to city council for flood mitigation and drainage issues resolution. Thanks to all of the volunteers for the hours dedicated to these possible solutions. We eagerly anticipate the results of the 2020 census that ended October 15. It will be interesting to see how we have grown as a nation, a state, and as a city.

Our thoughts go out to the military and those who will not be able to be with family this year. We say thank you to those serving our country.

Wishing each of you and your families a wonderful Thanksgiving!

May God richly bless each of us through the end of the year.

Weston Lakes Proud Event held on Tuesday, October 20th

While "Weston Lakes Proud" just recently started, our hope is that it will become a normal part of our community for many years to come. It was introduced in a heartfelt effort to bring unity to our community in a positive way. My family and I have been overwhelmed and thankful with the support and participation for such cause - with the simple mission statement, "encouraging everyone to take a moment to recognize what a great community we are all so blessed to live in".

The Club is excited to designate October of each year to be "Weston Lakes Proud Month." And to continue this year's effort, Tuesday, October 20th, we held our first annual "Weston Lakes Proud Reception" night. The evening was filled with hope and celebration for which neighbors could fellowship with the common love for this special community. Among the celebration, neighbors spoke on what made them Weston Lakes Proud and highlighted all the wonderful things we are so blessed to have here.

At the end of the evening, the first annual Weston Lakes Proud Awards were presented to three individuals who have demonstrated great pride in Weston Lakes and have worked so hard to serve our community so that we all can be Weston Lakes Proud. This being the first year, we had many years to review and are proud to recognize the following outstanding neighbors for their years of service: Mary Rose Zdunkewicz, Nancy Case and Clifton Aldrich. For many years, each of these individuals have enthusiastically shown their pride for Weston Lakes, and their contributions will never be forgotten.

Now, as October has past, our love for Weston Lakes does not end. Moving forward, we do ask everyone to join us in a commitment - if you are Weston Lakes Proud and believe we do have such a special community, let's work everyday to make sure it stays that way!

Thank You,
Katelyn Gray
