From the Club Manager

We had a very exciting May at the club with our Mother's Day Brunch, the MGA Member-Member Tournament and the LGA Member-Member Tournament. While having to deal with the winter to summer grass transition and previous freeze conditions, Shannon Donaway and his team have done a great job in getting the course in great shape for the tournaments. I also want to thank our golf and food & beverage staff for all the hard work they put into making these events special for our members and guests. We had an overwhelming turnout for our Cinco de Mayo Party. We had over 150 people attended the event outside with a buffet and Mariachi Band, and the members really enjoyed themselves.

It's hard to believe that the school year is over and summer has arrived. Please remember since school is out our Family Pool is open for the season on June 2, 2021. We will have more children around the club, so please watch for them as you come up and drive through the parking lot. I would also like to ask all parents to accompany your children anytime they come to the club, and keep a watchful eye on them while you are here. The Weston Lakes Lakers Swim Team is in full swing, and we wish them the best of luck this season. We have dates for the Junior Golf Summer Camp, so please call the Golf Shop at 281-346-1227 to get your little golfers signed up.

As we move into June, we are looking forward to the LGA Ringer and SMGA Member-Partner tournaments. The LGA will hold its Ringer tournament on June 4th and 5th, Trivia Night is on June 8th, Live Music on June 10th, the Homestyle Brunch will be held on June 13th, Father's Day is June 20th, and the SMGA Member-Partner tournament will be on June 18th. The month will end with Fried Chicken Night on June 24th and Kid's Trivia on June 29th.

I would also like to ask for your help with a golf course maintenance issue. We are asking golfers to vary the points where they exit the cart paths and drive on the grass during play. If we get too much traffic in one spot, the grass gets worn down and the ground gets very compacted in that spot. It also becomes difficult for grass to grow back there. If you could help us by varying the points where you exit the cart paths, it will spread the wear on the grass and keep the course in better overall condition for play. I thank you in advance for your help with this issue.

I look forward to seeing you around the club soon.

Welcome to a cool spring and hot summer (me thinks). April brought us cart path only, something we haven't seen but was absolutely necessary to get the course ready for summer. On behalf of the MGA, I want to thank Shannon and his team for providing the hard work and dedication needed to have a course we can be proud of. Below is an update on our ducklings on number 2. The kids are growing up.

April 3

Tim (The Squirrel) McCord won the first playday of April. We played individual net play. Tim shot a gross 73, net 66. A good day in anyone's book.

April 10

This Saturday was a pick your partner playday with two balls counting on the par fours and one ball on the par threes and fives. Van (Hey Ref!) Duncan and Jack (W) Warkenthien won the day with one under par net. Todd (Toddfather) Segmond decided to pull a Phil Mickelson at the par four beach. Suffice to say, while dressed the part, it was a bit messy and not as pretty as Phil. However, Toddfather got game.

April 17

This Saturday presented a three-man team best-ball event. W Warkenthien, Allen (Ladd) Byerly, and Hey Ref! won with a 73-net score. Well done team!

April 24

The final playday in April was another three-man, best-ball event. Kevin Szura, Ray-Ray Hanagriff and John-Boy Blair won with a total net 82.

Match play starts in May so stayed tuned to the portal.

Our membership is growing and making the MGA stronger and better. If you are interested in joining the MGA, contact the MGA westonlakesMGA@gmail.com

Keep Calm and Carry On.

Jonathan Henson
Secretary, WLMGA

The summer heat has defiantly arrived, so please make sure you take care of yourself and drink plenty of fluids.

Upcoming tournaments this month are the LGA Ringer tournament on June the 4th and 5th followed by the SMGA Member-Member on June 18th.

As we move forward, the Golf Shop whenever possible will be grouping players together if less than a foursome. The doubling up on golf carts and on the cart path last month is really starting to pay off. The course will continued to be roped off, but there will be gates to enter the fairways and exit from, along with two holes on each nine that will be cart path only for the month. There has been a huge improvement in the golf course, and we would like to thank all our members through this time.

As always, we ask for your assistance in repairing ball marks, divots and staying the proper distance away from the green. We will be keeping the 90-degree golf cart rule along with not driving the carts any closer than 30 yards to the green.

Our goal is always to provide a quality experience for all of our members and their guests.

Here are a few of her favorite things and some other fun nuggets of information...

Favorite color? Why? Purple/Lilac, I love irises.

Hobbies? Reading, sewing, theatre and musicals (to watch, not participate in), volunteering (before COVID); taking care of or spending time with grandkids; traveling (we've done a few bicycle/barge trips in Europe; bicycled in NE in the fall; cruises, river cruises and we have a motorhome.

Pets? Two cats, Mac and Maggie, rescued from a shelter.

Family? Husband, David, for 35 years.

Three adult children, one in NC with two grandkids and fostering a teenager, two kids in the Houston area with three grands, ages 10 and under.

Books? Historical fiction.

Occupation? Currently retired. Previously taught elementary and middle school and was a supervisor for special education before children, and then went back to school while working in a public accounting firm and got my CPA license.

What do you love about WLWA? I believe the Women's Association has done a lot of events and activities that have benefited graduating high school seniors and our community since its inception. The Women's Association has worked hard to fund the Community Challenge for the past 30 years, creating camaraderie, fun, and friendships.

Favorite food? Fried shrimp.

Favorite beverage? Water.

Thank you Shirley for sharing yourself with all of us!

Shirley Cassell

Property Owners Association

Summer is here and time to enjoy some of the great amenities added to our community by the POA. The pickle ball courts are a big hit! The kids and adults are dropping dimes and swishing nets on the basketball court. And there is great paved parking at **Riverwood Park**, making it easier to enjoy. The addition of security cameras and public Wi-Fi are the most recent and highly welcomed additions.

The POA's **Pecan Park** is a peaceful retreat with a Butterfly Garden, sponsored by Keep Weston Lakes Beautiful, and little fairy garden creations by children popping up. The backstop at the park can be hopping with activity. Now look to the future! The POA Board has been working closely with the Country Club on their addition of a new entertainment complex, and this will also include an expansion of Pecan Park with more opportunities.

To learn more, be sure to attend the festivities celebrating the new development, entertainment complex, and plans for Pecan Park on Saturday, July 3rd from 11 a.m. to 2 p.m. at Pecan Park. There will be food, beverages, live music, and tours of the new development.

The new process for maintaining clear lakes, while allowing property owners the option of keeping vegetation along their bank edge, is two months in and working well. Yellow markers that indicate no bank spraying are still available in the POA office.

The Fulshear-Simonton Fire Department's new station is nearing completion, and the POA Board has accepted an invitation on behalf of all in the community for "Coffee with the Chief." Date and time will be announced as it's finalized.

Helpful reminders for complying with the CCRs and facilitating gate entry process:

- Do not ask for package delivery to be left at the guard house. The gate attendants are busy keeping traffic moving and cannot have the liability of holding packages.
- Audio recording has been set up at the front entry gate so that any interactions of concern occurring between gate attendants and residents/visitors can be effectively investigated.
- Please remember that items such as wheelbarrows, bricks, empty pallets, etc., may not be stored on driveways and must be out of public view.
- Signs and flags (with exception of U.S., Texas, official military flags, and election signs/flags during a very specific time period) are NOT permitted in yards.

POA meetings are the third Thursday of the month at 7 p.m. in the CC ballroom. All property owners are encouraged to attend.

You may address POA related concerns by emailing wlonline@westonlakespoa.com. You may also contact a Board member directly using the email addresses on the website.

Garden Club

It's summertime and the living is easy! Even though May marks the end of our garden club year, we are going to continue through the summer with informal "Chill at the Grill" get-togethers. On the fourth Tuesday (our normal meeting day) in June, July, and August we want to give our members, along with any friends or neighbors, an opportunity to socialize and lunch (optional) at the Waterside Grill patio/indoor area. A table will be set up so you can find us. Once again, this is an informal gathering and not a meeting. After the shut-downs and isolation of Covid, and with the vaccinations allowing most folks to get out, we feel that this will give us a great chance to just visit and catch up with each other. Prefer to sit outside with a margarita or glass of wine? Yes, please!

Thinking further ahead brings us to our 2021 - 2022 Garden Club year. We will be celebrating our 30th Anniversary and expressing our gratitude to Peggy Van Dyke, who was a founding member and first president of our club in 1991. All past presidents will be honored for their contributions. It seems like we just celebrated 25 years! Time does move swiftly, so I encourage everyone to get their dues in now to take advantage of the \$5 discount. Dues are normally \$30; however, those who pay before September can pay just \$25. It's a small investment to join a club where our focus is on fellowship with interesting programs and outings. As a so-so gardener myself, I can attest that I have learned many things from our programs that have greatly improved my garden results without too much effort . . . definitely my style.

Our garden club board will be planning a fabulous year, but we need you to make it a success!

NOTICE:

The Club & Course will be Closed Tuesday, June 1st

We appreciate your cooperation and understanding on doubling up players on Weston Lakes CC golf carts due to the increase in play and the number of golf carts being used on a daily basis. This will continue to help improve our course conditions by reducing golf cart damage.

Golf Course Maintenance

The maintenance staff has been busy keeping up with mowing from the very beneficial rain in May, which helped in the recovery of the freeze damage. The greens have recovered very well and now have full coverage thanks to our staff who did a great job in plugging the bad spots and pushing them to recovery. We will be leaving the ropes up to control traffic and keep wear areas to a minimum. I want to thank all of the members for the positive feedback of our course conditions and as always please repair your ball marks and sand your divots.

Golf Course Superintendent

Senior Men's Golf Association

The SMGA has continued "Divotpalooza" Mondays. SMGA Members spend a couple of hours sanding divots on the tee boxes and fairways to help keep the course in great condition. We are also normally joined by some members of the LGA (Yvonne & Eileen, well done ladies)

To inspire community involvement in the preservation and enhancement of Weston Lake's natural beauty and environment,"

KWLB joined with the Babes on Bikes (BOBs) to coordinate participation in the Great American Clean-up and Don't Mess with Texas Trash-off to pick up litter along the BOB's Adopt-a-Highway section of FM 1093 in April. Special thanks to the volunteers who participated: Karen Morris, Kathy Smith, Cindy Cullero, Sharon Gormanson, Janet Bartek, Allison Dewees, Corky LeMieux, Brenda Sorrells, and Jeff and Nicole Flowers. Shout out to Allison Dewees, Julie Sawyer, and Kathy Smith for

coordinating the event. **Drum roll . . . and the winning trash found on the highway, skull and wrench!!!**

Summertime is kids time for KWLB! We are excited to partner with West Side Stories and Doughnut Day on these events. The goal of the Kids Events is not only fun and entertainment, but also to connect youth to nature, natural resource management, and environmental awareness. Engaged youth become the future champions of our planet. In early June, "Whoooo Knew, What Do Owls Eat?", gave kids the chance to be detectives as they dissected owl pellets (regurgitated indigestible material) to discover skeletal remains of prey and explore the predator/prey cycle.

Save the date for July 17th for Kids Art in the Park where they can build fairy gardens and toad houses using reused/recycled materials and learn about reduce, reuse, recycle concepts.

The August Kids Event for August 28th is still in the planning stage, but great fun with nature is guaranteed!

Finally, we are thrilled to announce that Keep Weston Lakes Beautiful has achieved Gold Star Affiliate status for 2021!! Congratulations to the Board and all of the volunteers who have made this possible once again. We are always in need of volunteers to assist with the events. Please email the address below to be placed on the volunteer list and receive emails regarding helping with events.

If you would like to volunteer, donate, or receive more information on how you can get involved, please leave a message at our NEW email address info@KeepWLBBeautiful.org
