Men's Golf Association

Shocking news everyone: no hole-in-one for March. Disappointing I know. As a consolation prize, I present mom and ducklings swimming around the lake off No. 2. Your long-suffering writer saw these cute guys (yes, I said cute) as I was rounding the bend for the gold/white tee box on No. 2. Spring is here folks. On to the playdays.

March 6

This was a pick-your-partner event for best ball. Bruce (Honey) Hunsucker and Ray-Ray Hanagriff won the day with a -6 on the front and +6 on the back.

March 13

This Saturday is individual net game day. Gary Gary Owens won with a -4 net score. Jack (Jackson) Taylor and Nick (The Czar) Carlson tied for second with a -3 net.

March 20

Bruce (Marlboro Man) Whitney, Wild Bill Daugherty, Allen (Ladd) Byerly, and Pauly Gray won the team best ball game day with a -8 under par. For comparison, the last place team was +14 to par.

March 27-28 (MGA Ringer)

The Ringer is a fun event. This is an individual net game played over two days. The cool thing about the Ringer is the best ball. Example: you score a bogey on the #2 par four on Saturday. Your goal on Sunday is to best the score on Sunday. If you make a par, that's the score that counts; anything worse, the bogey remains. The best score over both days count for the final.

There were four flights based on handicap. (Flight one had the lowest handicap players in the MGA.) The winner of flight one was Troy Whitney with a -11 under par. The winner of flight two was Bill Stevens and Jackson Taylor who tied for first with a -7 under par game. The winner of flight three had a three-way tie with an impressive -10 under: Dan (M*A*S*H) Masch, Tom (Sawyer) Walton, and Ray-Ray Hanagriff. Tommy Jacobs scorched the fourth flight with a -13 under par. This was a great event attended by 65 MGA members. A great way to end the month of March.

The next tournament for the MGA is the **Member-Member** on **May 15-16**.

Come join the fun and meet your neighbors. If you are interested in joining the MGA, contact the MGA westonlakesMGA@gmail.com

Keep Calm and Carry On.

Ladies' Golf Association

We have had some challenges with our playdays in April due to the "CART PATH ONLY" mandate. We decided to play scramble formats during this time. Our Lady Golfers are persevering and continuing to play because they just love the game.

We are hopeful that we will be able to get back to some kind of normal in May!

**We have some upcoming events in May and early June!

Rose Nixon celebrated her 85th Birthday playing golf in the April scramble on April 14th! Way to go Rose!

From the Golf Shop

The golf season is back into full swing after the big weather change. We are seeing a good turnout of play, so make sure to call to book your tee times as early as possible. Members have the opportunity to make tee times up to seven days in advance, and we strongly suggest you do so.

The SMGA Ringer tournament starts our month on May the 6th and 7th. We then have the LGA Member-Member on May the 12th, followed by the MGA Member Member on the 15th and 16th. We will close out the month with the LGA Roadrunner Interclub on May 27th.

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times. Everyone can see the change in the golf course after being on the cart path only for the month of April. So we great appreciate everyone continuing to help out by following the daily course condition rules.

Also, as a reminder the Golf Course is for golfing only. (No bicycling, jogging, skateboarding, roller-blading, motorcycle's unauthorized carts, walking dogs, etc.) On Mondays the golf course is closed, and there should not be any unauthorized activity on the golf course.

As always, our goal is to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

Garden Club

What joy to bring you greetings from the Garden Club Board. In April, we had a wonderful evening together enjoying the smooth sounds of live music and laughter as we celebrated our members who had acted in faith and supported our club throughout this past challenging year at a luau by the pool. We are grateful for each and every member and for having been able to meet each month throughout the season, thanks to the blessings of great weather and willing hearts and the Country club's gracious offering of the lovely courtyard. We appreciate their support of our organization and many others in this great neighborhood!

May brings our Club year to a close with the ever so popular tour of a few of the beautiful gardens right here in Weston Lakes. Won't you join us Monday, May 24th as we visit three neighbors and enjoy lunch together at a local hot spot. Contact westonlakesgc@gmail.com for further info.

Plans are already in the making for honoring our 30th year as a club. I'm sure for Peggy Van Dyke it's hard to believe that she started our Garden Club that long ago. We are all so grateful she did and to all the great ladies who carried on this great tradition through the years.

It's a fabulous, warm and friendly group and we would be glad to have you with us!

We don't all garden but we do love being together and learning about the beauty around us.

Join us! We'd be glad to have you with us.

Elizabeth Robbins
GC Board Member

*Give Thanks! Oh, Thou who has given us so much,
mercifully grant us one more thing - a grateful heart.
(George Herbert)*

Senior Men's Golf Association

Our membership is now at 142, welcome to new members Wayne Larson, Bob Caffrey and Tom Tran. Our playdays are on Tuesday and Thursday mornings at 9 a.m. Annual dues are only \$25. Our playdays are back to a shotgun start, and members are starting to get together in the 19th hole after the game.

Our Ringer Tournament that was scheduled in April will be played in May due to the Cart Path only directive. We plan to begin Match Play, and first games should be played by May 4th.

Achievements

Congratulations to **Rick Kimbrell** for shooting his age of 74 on a recent non-playday round. Also congratulations to **Charles Skeen** who shot his SMGA best score of 74 during an April playday. Great rounds guys!

Property Owners Association

Exciting times in Weston Lakes with the festivities announcing development of the WL Country Club's recreational complex along with the expansion and improvement of our own Pecan Park! The POA Board has worked closely with the Country Club and the developer on the master plan for these new family friendly amenities coming to our community.

Another welcome addition to our area is the new Fulshear-Simonton Fire Department's "Central Station" under final construction just up the road on FM 1093. The POA Board enthusiastically accepted an invitation to "Coffee with the Fire Chief" tentatively scheduled for June, right here in Weston Lakes, for all of our residents. It will be fun for the whole family!

Artist rendition of completed fire station

Whether it's mischief or mishaps that occur in our parks at times, the addition of cameras in Riverwood Park will help us to "keep an eye on things". The recording of such occurrences will help the Board with investigating and following up on incidents. Hopefully they will also be a reminder to treat our parks gently and keep them a wonderful place for everyone to enjoy.

Replacement of the Nancy Case tribute tree completed by the POA Board

After a bit of a delay due to post-freeze frenzy, our severely damaged brick column is now rebuilt, welcoming our residents and guests through the original entry to Weston Lakes. As Weston Lakes grew over the years, the entrance facilities were changed, moved, and expanded to accommodate the increased traffic. With our current three busy lanes of entry traffic, please recognize that there should be no pedestrians in these lanes and no people attempting to come into the gatehouse door. This is an unsafe practice for all.

We would like to remind everyone that guests and contractors must have a valid drivers license to enter. Expired licenses or licenses from other countries are not recognized in the state of Texas.

Enjoy the springtime in beautiful Weston Lakes!

You are encouraged to address POA related concerns by emailing wlon-site@westonlakespoa.com. You may also contact a Board member directly using the email addresses on the website.

Golf Course Maintenance

I know April was a long month for everyone since we were cart path only, but I can see a big improvement on the golf course. The rough, fairways, and greens have recovered very well since going to cart path only. I know everyone is waiting to get back to normal and when we do get off the paths, but please try to do your best to observe the 90-degree rule and this will help keep our course in better condition. We will be roping off some of the areas that have not fully recovered. If you hit into a roped off area you will get a free drop with no penalty strokes, so please help us get these areas back into playing condition. I want to thank everyone for their patience during April. Hope to see you on the course and as always please repair your ball marks and sand your divots.

Shannon Donaway
Golf Course Superintendent

Our community has the opportunity to support the WLWA through this Community Challenge. All donations are tax deductible. Please make checks payable to: WLWA Community Foundation, Inc. Keep Weston Lakes Beautiful

To inspire community involvement in the preservation and enhancement of Weston Lake's natural beauty and environment"

Keep Weston Lakes Beautiful welcomes two new board members to the group! They both bring exciting skill sets and fresh perspectives to achieve the organization's mission.

Jeanna Bure

"I am excited to join the KWLB team! As a former teacher, I look forward to the opportunities to share fun activities that enhance our neighborhood ecosystem."

Corky LeMieux

"Weston Lakes is like my own little Paradise with its unique charm, peacefulness and beauty. I believe my strong dedication to maintaining and enhancing that allure as well as my ability to get the best out of people (not to mention my green thumb) will aid in our efforts to Keep Weston Lakes Beautiful."

KWLB joined with the Babes on Bikes (BOBs) to coordinate participation in the Great American Clean-up and Don't Mess with Texas Trash-off to pick up litter along the BOB's Adopt-a-Highway section of FM 1093 in April. Look for photos, awards, and collection statistics in the next newsletter.

The Butterfly Garden in Pecan Park continues to be a focus project for KWLB and is lovingly coordinated by President Janet Bartek. Janet is always looking for volunteers to help in any way, large or small. Donations are also needed to help purchase new and replacement plants.

Kids Programs coming up this summer!

"Whooooo Knew, Discover What Owls eat." Your kids won't want to miss this one! They will become detectives with this hands-on, super-fun and educational program to discover what owls eat and their place in the food web. Sorry, no actual owls there but this will be great! Save the date for the morning of June 5th in Pecan Park. Details will be posted on Nextdoor and WL Residents Facebook page.

Kids Art in the Park. Fairy Gardens and Toad Houses with an educational nature twist. Save the date for the morning of July 17th in Pecan Park. Details will be posted on Nextdoor and WL Residents Facebook page.

If you would like to volunteer, donate, or receive more information on how you can get involved, please leave a message at our NEW email address info@KeepWLBBeautiful.org
