From the Club Manager

As we all know all too well, the pandemic refused to end in 2021 and continues into 2022. We continue to deal with the COVID-19 pandemic and most recently the Omicron variant in our everyday lives, so please take precautions to keep yourself and those around you safe. We are taking precautions at the club to make sure we are providing a safe environment for our members, guests and staff by adhering to the guidelines provided by the CDC.

We didn't waste much time in 2022 getting started with new member activities. The LGA held their annual Ice Breaker tournament on January 5th, and the weather was great. We also had a great turnout for our Dueling Pianos with Howl at The Moon on Saturday, January 22nd. The event was sold out, and everyone seemed to have had a wonderful time.

The season is going by at a rapid pace, so hang on to your hats and get ready for an

action-packed February. Trivia Night will kick off activities in February on Tuesday, February 1st, the MGA will begin their 2022 season with Calcutta on Friday, February 4th, followed by the Kickoff Scramble on Saturday, February 5th, Live Music on February 10th, SMGA Scramble on Thursday, February 17th, our Homestyle Brunch on Sunday the 20th, and Fried Chicken Night on Thursday, February 24th. We will also have our annual Valentine's Dinner on Saturday, February 12th. This dinner is always a popular event, so please call Mary or Katelyn at (281) 346-1967 to make your reservations.

I look forward to seeing you around the club soon.

Weston Lakes Women's Association

The Women's Association is off to a great start in 2022! January's meeting with "Your Sorted Space," a local home organization company, was the perfect way to start the year off fresh! February is here, and there are new things we cannot wait to share with our wonderful neighbors here in Weston Lakes. This month's meeting will be held February 15th at 10:00 a.m. in the Weston Lakes Country Club Ballroom. Our guest speaker will be RaQuel Hopkins, MBA, CPC, ELLMP. RaQuel is a business and life coach that has worked with many Fortune 500 companies, and we are so thankful to have her be able to visit us. She will be discussing mental wellness and restoration during her presentation. Please know we are always welcoming new members and would love to see you come to a meeting to see if our group is a fit for you!

We were so blown away by the success and feedback of our fall fashion show that we will be adding a Spring event this year! Mark your calendars for April 19th, 2022! Join us in the ballroom for a larger Pop-Up Shop and Spring/Summer fashions by Red Potato Market. I have seen some of their Spring and Summer selections... you will NOT be disappointed! Please tune in to our NEW Public Facebook page for updates about events.

Say hello to our February "Member in the Spotlight" **Robin Schill!** Here is what we learned while interviewing her . . .

How long have you lived in Weston Lakes? Since September of 2014

What is your favorite part of living in Weston Lakes? What I love about Weston Lakes is the people, I love my neighbors.

Did you attend college? If so, where? I'm a graduate of the High School for Performing and Visual Arts, Dance Major.

I attended Texas A&M for Floriculture. I'm a Certified Floral Designer, a designation from the American Institute of Floral Designers, so I get the initials after my name. Robin R. Schill, CFD.

What hobbies do you have? Floral design, creating designs from found objects, racing cars, road racing and drag racing. My husband, Jay, and I have several cars. Also, working our farm, J&R Farm, in Round Top, Tx.

See Robin's full interview on our Facebook Page!

Until next month,
Morgan Stewart

From the Golf Shop

The New Year is off to a great start, and the activities at the club are picking up, so make sure to call in and get your tee times setup early. We didn't waste much time in getting started with our tournament season. It all started with the LGA's Icebreaker Scramble on Jan 5th, and I am pleased to say the Ladies had a Great turnout.

The MGA will begin their 2021 season with the Kickoff Scramble tournament on February 5th. And the SMGA will begin their season with the SMGA Scramble on February 17th.

Weston Lakes CC launched its junior golf program last year. The program is called Operation 36, and our Spring Academy is now open for sign up for classes starting in March. We are looking forward to a great semester. For questions and additional information stop by the Proshop or email: at Keith@westonlakes.net

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the carts any closer than 30 yards to the green.

As always, our goal is to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

Senior Men's Golf Association

A Priest, a Minister and a Rabbi walked into a bar. The bartender said, "Is this a joke?" (Cymbal crash – rimshot!)

Hi Gang!

Welcome to another year of scintillating information regarding the hale and hearty bunch of seasoned citizens known as the SMGA! First things first: annual dues are being collected this month. Only \$25 ensures your opportunity for giggles and laughs throughout the year with a great group of guys! Pay your dues to Burt Bure via cash or check (place in an envelope with Burt's name in the SMGA basket in the pro-shop.)

As always, play days are Tuesday and Thursday each week at 9:00 a.m. If you wish to play with the Saturday afternoon group, contact Rick Kimbrell by email at r_kimbrell1@comcast.net.

Late picture that didn't make the January magazine: Gary Hensley (aka "Farmer Fred") had a hole-in-one on Dec 7th. BIG payout for the Farmer!

Other milestones include Jerry Kanney chipping in for an eagle! Blind squirrels do find acorns! Charles Wisdom shot his age again, as did Neil Frank shooting under his age. This is becoming pretty common guys! Apparently good evidence that things DO improve with age!

The board will have held its first meeting of the year by the time you read this, but information from the meeting will be too late for this edition. Ask any of the board members if you desire an update.

One additional giggle for this month: Pete providing marshaling lessons in the new marshal carts towing the illustrious ... is it John Bradford? or John Broadway? ... oh, it's JOHN BRADWAY!!!

The first SMGA tournament of the year will be our Kick-Off Scramble on February 17.

Take pictures, share stories, give me material, please! May your drives hop and your putts drop!

Tim Christ, SMGA Secretary

Golf Course Maintenance

January was a busy month for the golf course maintenance staff. We have been working on winter weed control and trimming trees. February will be a busy month for the maintenance staff as we will begin our spring pre-emergent herbicide application. We are still having problems with people not repairing ball marks on the greens. It is necessary that you repair your ball marks. We have worked very hard to get the greens in good playing condition and need your help to keep them there. I hope to see you on the course and as always, please repair your ball marks and sand your divots.

Thank You

Greetings Sports Fans:
How about them 'Dawgs? College Football National Champions with an unlikely winning quarterback.

We had a hole-in-one in December. On the 29th, Jeff (Jeffro) Whitzel aced (one of the hardest Par 3s in Houston) number 13. Ray-Ray, Peter (Sellers) Fagot and Vance (Hey Ref!) witnessed the HIO. Jeffro used a 6-iron from 166 yards. **Congratulations Jeff!**

December 4
Ryan (Bombsite) Nordt, Tim (Mac) McPherson, and Ray-Ray Hanagriff won the three-man team best ball event with a net three under. Bombsite also won the gross game with a stunning 74. Teradactyl (Terry) Fuschak won the net game with a one-under net.

December 11
Claude (Smiley) Middleton won the gross game with an 83 (tough conditions that day). Kevin (I am Sure) Szura and Teradactyl placed second and third, respectively, with an 85 and 88. Smiley, I am Sure, and Izze (NNN) tied the net game with a 76.

December 18
No playday due to weather.

December 23
Since Christmas Eve fell on our playday, being very sensitive chaps, we held our playday on Thursday. The game was net. Sean (Gordo) Gordon won the day with a net-70. Congratulations Gordo. Izze and Allen (Ladd) Byerly tied for second with a net-72.

December 30
Wayne (Gibby) Gibson, Tommy (Drop Kick) Jacobs and Richard (LSU) Koob won the team game shooting 16 under par (net).

Over the past few months, we have noticed an increase in weekday golf. There are many Wednesdays and Fridays where all the tee-times are taken. If you are interested in joining the MGA, contact us via email: westonlakesMGA@gmail.com

Garden Club

Happy Valentine's Day Buckaroo! Yes, with February upon us, we get a day to celebrate romance as well as the kick off of the Houston Livestock Show and Rodeo. Your Weston Lakes Garden Club has managed to combine both for our February meeting on Tuesday, the 22nd. For those who have western attire that they want to break out for at least one day a year, feel free to don those duds for this meeting. The rest of us can wear red in honor of Valentine's Day or whatever the heck else we want. Our main goal is always to have fun and enjoy each other's company.

The romance part comes in when Ashley from Enchanted Gardens Nursery (one of our faves!) delights us with a visit to talk about "moon gardens" and the unique beauty of night blooming flowers. I have never heard of this; however, it sounds somewhat mysterious and exotic and sure to be interesting. Our meetings begin at 10 a.m. in the Clubhouse ballroom.

We always welcome new members and invite you to come and see for yourself that it doesn't matter what color your thumb may be. We are celebrating our 30th Anniversary this year, and our theme is "Sowing the Seeds of Friendship for Thirty Years," which just about sums it up. Current members who bring a new neighbor or friend will be entered into a special door-prize drawing. Plan on staying for lunch and getting to know each other.

Make sure to mark your calendars for Tuesday, March 22nd, when we will have the honor of a presentation by Suzanne Gilbert, President of the Houston Rose Society.

Terri Oliver, Corresponding Secretary

DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread it out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!

To inspire community involvement in the preservation and enhancement of Weston Lake's natural beauty and environment"

Keep Weston Lakes Beautiful is officially a non-profit 501(c)(3) organization and an affiliate of Keep Texas Beautiful. What truly defines KWLB though, is that it is a network of people in our community. People who volunteer for official KWLB events and people who, in their daily lives, help to keep Weston Lakes beautiful!

We live in a place that doesn't face the challenges that many other cities have, such as massive litter, lack of maintenance, and socioeconomically disadvantaged neighborhoods who need our help. We also are blessed with the beauty of nature all around us.

We can focus our efforts on protecting our environment for now and the future. We can make sure we are doing our best at litter prevention and recycling. We can plant butterfly gardens and new trees. We can educate about the interdependence of plants, animals, and humans. We can emphasize the importance of native plants and reduced pesticide and fertilizer use. We can all help make our yards an oasis for birds, butterflies, and bees. Loss of habitat and climate change have decreased the overall bird population in North America by 3 billion since 1970. Hundreds of butterfly species are declining at a rate of 2% per year. One in four species of native bees are at risk of extinction. **Without pollinators (birds, bats, butterflies, wasps and, most importantly, bees), the human race and all of earth's terrestrial ecosystems would not survive.**

We can educate our children on the importance of conservation by exposing them to nature in interesting ways, from learning about the life cycle of butterflies to dissecting owl pellets. Children who learn about conservation and making better choices, become more responsible adults who think about both society and the environment.

Here are two easy ways to help Keep Weston Lakes Beautiful: Recycling.

Most of us do it, but do we do it right? We don't want our good intentions to end up costing the environment and economy. Do NOT bag recyclables. Plastic bags can damage the recycling machinery. Soiled items can contaminate an entire truck load so that none of it is recyclable. Do NOT put the following in your recycling containers:

- Styrofoam
- Bubble wrap
- Thin plastic bags
- Plastic Amazon/mailed bags
- Pots, pans, and coat hangers
- Paper towels
- Mirrors and windows
- Soiled pizza boxes

Lakes. Protect and improve our lakes:

- Keep grass clippings out of the lakes to minimize algae growth
- Leave grass 6" high for 10' from bank to filter runoff
- Retain a 6' to 10' bank vegetation buffer in the water and manicure as needed to decrease erosion
- Use low/no phosphorus fertilizer on lawns and no fertilizer within 20' of waters edge to avoid algae growth

Share with the Community.

Send us your ideas or things that you do to keep Weston Lakes beautiful to info@KeepWLBBeautiful.com for highlighting in a future newsletter!!!

If you would like to volunteer, make a tax-deductible donation, or receive more information, please email us at info@KeepWLBBeautiful.org
