From the Club Manager

Once again, we thank you for keeping us busy this summer! We hope you enjoyed the calendar of events during these warm summer months, and there is still plenty more to come. The kids have returned to school, and we can finally see fall just around the corner. As we move into September, please remember that we'll kick off the month with a holiday weekend and the club will be open on Monday, September 5th for Labor Day, and closed on Tuesday the 6th. We hope you will be able to join us for a round of golf, a workout in the fitness center or a meal in the Grill. Labor Day weekend will also be the last weekend our Family Pool is open for the season.

As we move into September, it's always an exciting time of year as we look forward to the upcoming Club Championships that will begin soon. If you are a golfer and

aren't already a member of one of these organizations, you should really consider joining. Be sure to mark your calendars for Homestyle Brunch on September 11th, Trivia Night on September 13th, the SMGA Club Championship September 15th and 16th, followed by the MGA Championship September 17th and 18th, Live Music on September 22nd, Fried Chicken Night on September 29th and the LGA Club Championship on September 30th and October 1st. As always, you can also find great local groups to join for a variety of activities held at the club. Feel free to contact our business office for more details.

I look forward to seeing you at the club soon.

Definition of a Gimme: An agreement between two golfers who can't putt!"
Jim Bishop

Say Keith, did you hear about Fred trying to drown himself in the lake on the 10th hole?"

"That's terrible! What happened?"

Nothing. He couldn't keep his head down there either!!!

Badda-Boom!

As always, play-days are Tuesday and Thursday each week with tee-times starting at 8:28 a.m. Invites go out from Golf Genius with response keys to sign up. If you wish to play with the Saturday afternoon group, contact Rick Kimbrell by email at r_kimbrell1@comcast.net.

Just a reminder: Please be diligent in observing the 90-degree rule. It goes a long way in helping to preserve the course in the best shape for everyone.

The next SMGA Tournament will be the Club Championship, scheduled for September 15-16. In other news, the annual "WESTON CUP" tournament between the SMGA and the MGA has been

cancelled this year due to the anticipated work on the golf course beginning in November.

A golf outing to Coughatta (Koasati Pines) is on. It will be the week of October 23rd. We will play competitive on Tuesday-Wednesday. You are welcome to arrive on Sunday or Monday with a practice round on Monday. Golf cost \$59 per round. Lodging is \$99 per night, single occupancy (you are free to share a room and split the cost.) The course is beautiful, accommodations excellent, food plentiful and gambling available for those interested. Limit is 24, and we are rapidly filling up as of this writing. Ed Ruffin is serving as point man for this outing. Let him know at edruffin46@gmail.com if you wish to participate.

Continue to keep our SMGA members battling health issues in your prayers.

Here's to good golf, good friends, and good times!

Tim Christ,
SMGA Secretary

A couple of important picture updates:

Congratulations to Richard and Janice Delmar on their marriage in June and the celebration at WLCC. May the Lord Bless you with many happy years together!

The SMGA Community Involvement committee presented a check in the amount of \$3,300.00 to Family Hope in July. A picture was taken after the deadline for the last magazine so we include it this month.

Men's Golf Association

We're in the home stretch of summer, and the promise of great weather is on the horizon! The days are still long and the opportunity for golf is ample, so I hope everyone is able to enjoy a little time out on the links.

RECAP

Quick catch-up on the big MGA happenings since the last newsletter. August is somewhat of a slow month for us as we do not have an official tournament. Despite not having a tournament, we did have a lot of action around our summer long match play. There are some great stories brewing on both sides of the bracket. In our next update we should have crowned our champions!

The other big news is around the recently announced golf course renovations. Starting in November, the golf course will be undergoing renovations in multiple phases. The most significant changes are the bunkers being redone followed by the greens. While these upgrades will certainly disrupt normal playing conditions for a few months, the long-term benefit will absolutely be worth it! I know I can speak for the entire MGA board when I say we are very much looking forward to these upgrades and how they will certainly improve quality of play!

UPCOMING EVENTS

Our next event is the big one. The granddaddy of them all. The Weston Lakes Club Championship! Will Bart Worthing repeat? Will a previous champion reemerge? Or will a new face rise and take the title? There is sure to be plenty of drama during the weekend of September 17-18 as the tournament plays out. Be sure to sign up and be part of this great competition!

ACCOMPLISHMENTS

No aces this month (*boring*). But there were some nice accomplishments.

- Nick Carlson (2 handicap) broke par and shot 71 during a match-play event to take the win. Well done Nick!
- Yours truly, Dan Masch (12 handicap), broke 80 TWICE after having only ever done it once prior. Well done me!
- There was something in the air on July 23 - lots of great scores.
- Ryan Jones (4 handicap) broke par, shooting 71.
- Ryan Nordt (6 handicap) shot even par, 72.
- Gary Owens (5 handicap) shot even par, 72.
- Steve Cox (12 handicap) shot 77.

As always, we are accepting new members (*and nominations to be included in the accomplishments section*). All inquiries and suggestions can be sent to westonlakesmga@gmail.com.

Regards,
Dan Masch
Secretary, WLMGA

Garden Social Club

Some decisions are easier than others. Deciding to join the garden club this year and learning how to navigate the ins and outs of caring for our gardens all while enjoying the company of many friendly and caring ladies is a no brainer. Our first meeting of the 2022 -2023 year is on Tuesday, September 27th in the club ballroom. We start gathering at 10 a.m. and our meeting starts at 10:30 a.m. We encourage everyone to stay for lunch so we can get to know each other. We meet on the fourth Tuesdays of the month, and we also have events and outings that you will not want to miss. Dues are only \$25 through the end of the first meeting. You can pay at the meeting, or you may drop off or mail a check to Debbie Deluca, 5118 Waterbeck.

With the rapid growth and new families moving into our community, we want to make sure that newcomers realize we have enlightening meetings around any number of gardening related topics, but there is absolutely no requirement of gardening expertise. We also enjoy outings and other events that encourage building friendships among our membership. Our Club President, Elizabeth Robbins, expressed what our club is about as, "We are a garden learning club. From casual observers to master gardeners, we enjoy coming together for fun and educational programs about the beauty around us." That sums it up and is an effective way for prospective members to get an idea of what our club is about. There are always door prizes, and, of course, we encourage members to bring a new neighbor or two for a chance at a door prize drawing for those who bring a guest.

As Winnie always says, "Gardening is always more fun when you do it with friends!"

To inspire community involvement in the preservation and enhancement of Weston Lakes natural beauty and environment"

KWLB Neighborhood Bird Sanctuary. Plans for the Bird Sanctuary are moving rapidly now! With the generous sponsorship of residents and local businesses, the funding to complete the initial project is at about 75 percent of the total needed. Sponsorships are still available and donations of any size are always welcome! A few raffle tickets for the hand crafted Cypress wood bench are still available.

Sponsorship Levels

Eagle	\$1000 and above
Cardinal	\$750 to \$999
Bluebird	\$500 to \$749
Hummingbird	\$250 to \$499

Eagle, Cardinal, and Bluebird sponsors' names will be displayed on a permanent plaque at the Bird Sanctuary and in print and social media. Hummingbirds sponsors will be recognized in KWLB publications. All sponsors will be recognized at the annual KWLB Volunteer Social.

The construction of the water feature is anticipated to occur in early October. This will not only be an important component for the birds, but a beautiful sight for residents to enjoy, with a cascading waterfall and shallow pools for the birds. Securing an expert company to oversee its construction will help to ensure that it is a beautiful, well-built, sustainable, and low maintenance

feature. Community volunteers pitching in to supply the manpower (and woman power) in the actual build will enable costs to be kept within the budget. So put on your work gloves and join us to make this amazing project become a reality!! For more information on volunteer opportunities and donations you may contact Lucy Moyer at 713-254-9365.

Governors Award Trees Update. The almost 200 new trees and shrubs planted last fall at the entrance to Weston Lakes are looking good in spite of an exceptionally hot and dry summer. This major project was a result of KWLB winning the Governors Community Achievement Award, sponsored by Keep Texas Beautiful and TxDOT, in 2019. The landscape company, Yellowstone, who was contracted by TxDOT for the project, has been monitoring the irrigation of the trees and will replace any trees that die within a year.

If you would like to volunteer, make a tax-deductible donation, or receive more information, please email us at info@KeepWLBeautiful.org

Ladies' Golf Association

WOW September! Do you think we will get to see some Fall-like weather this month?

And RAIN...we need Rain!

Our next tournament will be the WLLGA Club Championship and President's Cup Championship on Friday, September 30th and Saturday, October 1st. Please place these dates on your calendar, and when Paula Britt sends the information out, please sign up to play!

For this article, I decided to do a little interview with our current Club Champion, Sharon Standifird! Enjoy the questions and her answers.

When did you first start playing golf and where?

I picked up the game of golf a little late in life. Early in our marriage when we would go on vacation, William would golf all day while I enjoyed the beach. So we could spend more time together on vacation, I asked him to teach me how to play. The rest is history. Now we plan our vacations based upon where we want to golf. My first 18 holes was played in Myrtle Beach, South Carolina. I started getting serious about the game around 2010 when we lived on the golf course at Pecan Grove.

Sharon Standifird at one of her favorite courses - Kananaskis Country Club, Canada

Name some of the places you have played golf, and which was your favorite?

I have played all over the world - Greece, London, Dubai, Brazil, Hawaii, Puerto Rico, Costa Rica, Norway, Alaska and most recently Canada. There is a tie between two courses as my favorite: Royal Isabella in Puerto Rico and Kananaskis Country Club in Alberta, Canada. One has views of the ocean that are nothing short of breathtaking, while the other course has views of the mountains that are equally breathtaking.

If you could play anywhere that you have not, where would that be?

A bucket list course I would like to play is none other than St. Andrews Old Course in Scotland. One of the oldest in the world and where many legends have played.

Who is your favorite professional golfer?

My favorite professional golfer is Toni Finau. I have been following him for years. Respect the way he carries himself on and off the course. So happy to see him playing to his potential with two recent PGA wins.

Do you have a favorite golf club in your bag and what is it? Golf Balls?

The go-to club in my bag is a Callaway 5 wood. Current golf balls that I use are Vice.

How many hole-in-ones have you had?

I have had two holes-in-one. First was on #13 at Weston Lakes. A few months later at La Cantera in San Antonio, I got my second hole-in-one after sculling the ball off the tee box. Oh well, still counts.

What do you like to do when you are not golfing? Do you have a hobby? Hobbies?

You mean there are other things to do besides golf? I love golf that much. I do like to run and work out. I have completed over 20 half marathons, 6 full marathons, 2 Dopey Challenges at Disney, and 1 Tough Mudder.

Is there something you could tell us about yourself that would be interesting to know? You met someone famous?

An interesting fact about myself is that I once created an app that received national attention. I have met and appeared on the Steve Harvey show because of the app. Appeared remotely on other shows such as Today Show, Good Morning American, Closing Bell, and NBC Nightly News.

Golf Course Maintenance

The hot days of August are behind us and the maintenance staff is looking forward to cooler days in September and October. September should be a great month for golf! We have the club championship tournaments, and the greens should be in great condition. We appreciate the compliments that we have been receiving on the quality of the golf course.

As I make my way around the course, I have noticed a considerable amount of divots not being repaired on the greens. This is unfair to the players who do repair there ball marks. If you hit your ball on the green, there will be a ball mark and if you can't find it please repair one that you do see. An unrepaired ball mark takes two weeks to heal, while a repaired ball mark only takes three days to heal.

Thank you for your help with this issue. Hope to see you on the course, and as always please repair your ball marks.

From the Golf Shop

As we move into September, it's hard to believe the summer is almost behind us. Hopefully the hot weather will be over soon. With a slight break in the temperatures, we're expecting to see more golfers enjoying the course. Shannon has the course in great shape. Thanks to everyone who has come into the shop and complimented the course condition.

We are looking forward to the upcoming SMGA, MGA and LGA Club Championships. The SMGA tournament will be on September 15th and 16th, and the MGA Tournament will be on September 17th and 18th, along with the LGA Club Championship on November 30th and October 1st.

Just a reminder! With more people home, we are finding people doing things on the golf course that shouldn't be out there. Practicing on the course and hitting multiple shots into the greens along without repairing divots or ball marks on the greens. There shouldn't be any unauthorized play on the golf course as jumping on from home, or cutting over from hole 6 to hole 16. All golfers must check in at the golf Shop before beginning play.

I look forward to seeing you soon.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simmons, Director of Golf

Weston Lakes Women's Association

Greetings All!
We are finishing up our 35th year as an organization!

The Weston Lakes Women's Association was formed in 1987. The group met at the Country Club once a month to socialize, make new friends and plan programs . . . events.

In 1991, a focus was added in order to fundraise for Community Charities in the Simonton and Fulshear areas. This WLWA charitable effort evolved into the beginning of The Weston Lakes Women's Association Community Foundation, Inc., a 501(c)3 charitable foundation. A portion of funds raised by WLWA are disbursed on a need based Scholarships and Community Charities as Grants, by the Foundation. Since 1991 we have distributed over \$660,000.00.

Past Presidents for WLWA

Past Presidents. From Left to right are, Shirley Cassell, Lisa Guerre, Nancy Love, Dana Sarles and Jamie Johnson.

WLWA is a diverse group of women of all ages and ethnic backgrounds. We are the fabric of Weston Lakes. COVID shut us down, and we were not able to meet in person or fundraise for two years. We missed each other during COVID, and it has been great to be meeting in person again on the third Tuesday of the month in the Club Ballroom. Our September 20th meeting will begin at 10 a.m. We have lots of fun things planned! Bring a new friend or neighbor. Dues are \$30.00 a year, and meetings are generally free.

There will be the October 18th Fall Fashion Show, featuring our local Cobblestone Cottage. This will begin at 6 p.m. with a sip 'n shop. The show starts at 6:30 p.m. Bring a gift card or donation for the Ft. Bend Women's Center and get a free glass of wine! Saturday, November 5th, is our Fall Festival. There will be a Fun Run/Walkathon, Chili Cook-Off, Corn Hole Tournament, Music and More! Details on registration and sign-up will be posted on our Fb and Next-door pages.

Please consider Sponsoring this Community event. It will bring great exposure for your business.

Yours,
Lisa Guerre, President WLWA

Waterside Grill

DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread it out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
