FROM THE ASSISTANT GENERAL MANAGER

Manager

What a great way to start off the New Year! January turned out to be a beautiful month and I hope everyone enjoyed the great weather as much as I did. The cool, sunny days allowed for our crew to finish maintenance on the course greenside and fairway bunkers and we are excited to announce that the course is now fully open for play. We are currently moving on to cart path renovations. We thank you for your patience and support during this phase. I know we are all looking forward to a nice new smooth ride around the course.

We didn't waste much time jumping in to some great member activities last month. The LGA had another successful Icebreaker Tournament on a beautiful day. Whiskey Night was a big hit as members enjoyed the tasting with Chef appetizer pairings. To kickoff the New Year, we had a great turnout for Casino Night and everyone left feeling lucky to have attended.

As we fly into February, we are looking forward to another exciting month. The MGA kicks off their

year with the MGA Calcutta on Friday, February 3rd, followed by the Kickoff Scramble the next day. Another fun Trivia Night will be on Tuesday the 7th and we will have some new Waterside Grill specials on Superbowl Sunday. The SMGA kicks off their season with a Scramble on the 16th and Homestyle will be held on Sunday, February 19th this month. Our New Member Orientation will be on February 22, and is always very informative and welcoming for our new members. We always look forward to Fried Chicken night on the last Thursday of the month and we are also excited about our first ever Fish Fry event on Friday, February 24th at the Waterside Grill.

Now don't forget, Tuesday, February 14th is Valentine's Day! Our Annual Valentine's Dinner will be held that night and is always a romantic way to celebrate with your loved one. Be sure to get your reservations in fast as this event will sell out. And if you need any gift ideas, stop by the Fitness Center for a Massage Gift Certificate.

I hope everyone has a fabulous February. We look forward to seeing you around the Club.

Thank You,
Katelyn Surface Gray

FROM THE GOLF SHOP

Keith Simmons
Director of Golf

The New Year is here already, and the Tournament activities 2023 started with our Ladies LGA Icebreaker Scramble on Jan 4th.

The MGA will begin their 2023 season with the Kickoff Scramble tournament on February 4th. The SMGA will have their Kickoff Scramble tournament Thursday, February 16th to get their season going.

We have started the Capital Improvement work to be done on the cart paths, so we ask that everyone please check-in with the Pro Shop before going out to play to find out what special things that are happening on the course each day.

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the carts any closer than 30 yards to the green. Also, the Course is for golfing only (No bicycling, jogging, skateboarding, roller-blading, motorcycle's unauthorized carts, etc.)

We are closing out some of our old demo clubs and last year clubs in stock. So be sure to take a look around the next time you come out to play.

As always, our goal is to provide a quality experience for all of our members and their guests.

Keith Simmons, Director of Golf

GOLF COURSE MAINTENANCE

The green side bunker renovation is complete and we have started on repairing the cart paths. The bunkers are now in play, including the fairway bunkers. We will be working on the fairway bunker drains to keep them from holding water and disperse the sand that has built up in the low spots. Thank you for your patience while we do construction and as always please repair your ball marks and sand your divots.

Shannon Donaway, Golf Course Maintenance

GOLF ASSOCIATIONS

MEN'S GOLF ASSOCIATION

Month 1 of 2023 is already behind us, and the promise of that perfect golf weather is just around the corner. It's the shortest month of the year, which means you have to play extra golf to make sure you get your reps in -- plus we have some big tournaments coming up! Can never get too much practice...

Update

Quick catch-up on the MGA happenings since the last newsletter. The bunkers are done! Great work by our crew to get them done quickly and most importantly with high quality! Next up will be nice, smooth cart paths. We'll be zipping around the course and lowering the average round time from 3:45 to 3:15. I know 99.8 percent of us will appreciate that -- I'll let you all guess who the .2 percent is that still won't find that fast enough.

Our first tournament of 2023 is a fun scramble format and is planned for this first weekend of February. Let's see who takes the early points lead in the season long pursuit of the Weston Lakes version of the FedEx Cup -- the most prestigious, highly coveted Weston Lakes Majestic Golden Lion Cup. Last year's points winner was Richard Hanagriff (coincidentally owner of the most majestic beard) - will he repeat?!

Here is a look at the 2023 MGA Tournament schedule:

- February 4** -- Kickoff Shamble/ Banquet night before
- March 25/26** -- MGA Ringer
- May 20/21** -- MGA Member Member (Calcutta the night before)
- June 10** -- Lone Ranger
- Summer** -- MGA Match Play Tournament
- July 8** -- New 3-2-1 Tournament
- Sept 16/17** -- MGA Club Championship

As always, we are accepting new members (and nominations to be included in the accomplishments section) -- all inquiries and suggestions can be sent to westonlakesmga@gmail.com.

Regards,

Dan Masch, Secretary, WLMGA

SENIOR MEN'S GOLF ASSOCIATION

December and January weather has been a combination of all four seasons -- Spring, Summer, Fall and Winter, but the SMGA has had good turnouts and some good scoring for the Play Days. A few scoring highlights include:

- I cannot tell you how old Terry Marlatt is, but he shot his age (78) on December 9th
- On January 10th, Tom Grey and Jerry Kanney had personal best scores with a 71 and a 78, very respectively

We have a new member, Perry Hill, and look forward to many more new members this year.

We are now collecting 2023 membership dues. If you are interested in joining the SMGA, you can contact any of the 2023 Board members:

President -- **Benny Bixenman**

CLUBS & ORGANIZATIONS

GARDEN SOCIAL CLUB

As I write this, it is a week after the mini freeze (as opposed to the big freeze of Feb. '21). Landscaping plants are now either mushy or brittle.

According to experts, the mushy parts must go immediately, but everything else needs to stay to prevent new growth that would be vulnerable to another freeze. Although I do not like chilly weather, a blanket of snow does cover a multitude of ugly vistas. The waves of cold followed by humid heat keep us guessing and going from A/C to heat.

Here is where the garden club comes in. We cannot save you any money on your energy bills, but we can help you navigate the vagaries of Houston weather. As we dive into February and beyond, I invite you to check out what is coming up for the rest of our calendar year. We always have fabulous door prizes, including a special drawing for those members who bring a guest. We also encourage everyone to stay for lunch. You can order from a delicious selection of items from the Waterside Grill. It is the perfect way for us to get to know each other!

Our meetings are on the 4th Tuesday of the month in the club ballroom. Arrival at 10 a.m. unless noted otherwise.

February 28th -- Ballroom

Outdoor Lighting Specialist will show us how to make our gardens an evening oasis.

March 29th -- Wednesday Evening -- Ballroom

Bourbon and Brushstrokes – A Celebration of Nature in Art, featuring our talented WL artists, and a Bourbon Tasting with Milam & Greene Distillery talented. Live music by Spanish Guitarist, Guillermo Serpas. Reservations for the tasting will be needed but not for the art show -- further info to come.

April (Date TBD) -- Museum of Fine Arts Houston

Florescence International Floral Exhibit is an amazing event and always a crowd pleaser. We will enjoy lunch in the big city while we are there.

May (Date TBD)

Touring the beauty in Weston Lakes. Visiting WL Gardens and the new Bird Sanctuary within our own community.

It is never too late to join our friendly group! Dues are now just \$####. We will be looking for you at our next meeting!

For those who may not know, our garden club President and longtime board member, Elizabeth Robbins, lost her husband, Carl on December 23rd. Please lift Elizabeth and her family in your thoughts and prayers as she goes through this most difficult season of life.

KEEP WESTON LAKES BEAUTIFUL

What is Keep Weston Lakes Beautiful (KWLB)?

Like many aspects of our very unique city, it might be confusing just what is KWLB. Is it a club? Is it part of the City government or the Property Owners Association (POA)? Who are the members? Do I have to “join”? Why does it exist and what does it do? Here’s a quick primer/reminder.

KWLB is a non-profit 501(c)(3) organization that is sanctioned by the city of Weston Lakes and works closely with the POA on projects that involve community spaces. The KWLB mission is *to inspire community involvement in the preservation and enhancement of Weston Lakes natural beauty and environment*. As an affiliate of Keep Texas Beautiful and Keep America Beautiful, KWLB contributes to the impact that volunteers make in beautifying and increasing the pride in local communities across the country.

It is a **network of volunteers** within the community. ANYONE can volunteer with KWLB. When you see a social media post or email regarding an event or project, just let us know you would like to help out. We would LOVE to have you. We do keep a list of volunteers who have worked with us and send emails letting them know about specific activities. Let us know -- we will add you to the list. In addition to our adult volunteers, we love our teenage volunteers who can help with Shred Day, children’s activities, trash pickup, and more.

KWLB is coordinated by a Board of Directors who plan projects and events in support of the mission. What do KWLB volunteers do? Here are some happenings from last year.

- Designed, raised funds, and built the KWLB Neighborhood Bird Sanctuary in unused community space that will be the Weston Lakes Nature Reserve
- Maintained the KWLB Butterfly Garden in Pecan Park
- Maintained public Adopt-a-Spot areas
- Spring and Fall highway trash clean-up
- Fun and educational Kids Events
(in collaboration with *Stroll Weston Lakes magazine*)
- Kid Fish with education on water quality
- Bee Sweet - education on native bees and honeybees
- Naomi’s Grace - water safety for children and adults
- All About the Birds - fun facts about birds and what they need
- Santa in the Park
- Shred Event - secure recycling of documents right here in the neighborhood
- Fund raising to support the events and programs

PROPERTY OWNERS ASSOCIATION

Happy New Year from the POA board! We hope everyone a blessed and peaceful new year. We are looking forward to another year of continuing to maintain and enhance the amenities and infrastructure of this wonderful community. Another year of approving home improvements and new construction, repairing streets, and maintaining gates. Another year of mowing, tree trimming, landscaping, and improving parks. Another year of budgeting and acting on behalf of the association in legal matters. Yes, another year of enforcing the Weston Lakes Covenants, Conditions, and Restrictions (CCRs) that are in place to protect, preserve, and enhance property values in the community.

Your Property Owners Association board consists of five elected volunteers who are your neighbors in the community. The recent election keeps Rhea Ragle and Allison Dewees for another two-year term. Bob Decker won a term on the board joining Rex Jarrell and Kevin Smith. The Architectural Control Committee (ACC) still consists of Mary Kanney, Jason Beal and Velda Faulkner. The ACC is also an elected group of volunteer property owners.

To kick off the new year, check out the newest additions in Riverwood Park – a new playground! That is not our only project. We also have a

new parking lot going in at the Bird Sanctuary, Sidewalk repairs in Weston Lakes Village, Street repairs and street crack tarring.

We want to send one last reminder that POA assessments were due January 31st. EZ tag privileges will be cut off anytime so please make that payment!

After yet another freeze, many residents have chosen to add generators to their homes. Please remember that an Application for Home Improvement must be submitted. The application can be found on the POA website westonlakespoa.com under Resident Documents, Architectural, Forms and Guidelines. As stated in the application, it must include the generator specification sheet, and it must be screened fully from the road right-of-way and any neighbor's yard. Questions can be addressed to the POA Office. The trees and shrubs from the Governor's Community Achievement Award granted to Keep Weston Lakes Beautiful (KWLB) continue looking great. Keep Weston Lakes Beautiful (KWLB) will be hosting a grand opening at the Bird Sanctuary March 26th.
