Those May flowers have started to bloom, and we are gearing up for the start of summer! It's hard to believe another season has come to an end so quickly but as quick as April past, it was full of excitement.

Easter weekend was another one for the books. Thank you to all who came out to our Annual Easter Festival!

Even with the rain, we celebrated with over 600 members and their families, and we all had a wonderful time. Easter Brunch was packed with great company and great food – make sure to make your reservation for next year if you didn't get a chance this year! We rounded out the month with "The Park" Grand Opening, and it was a fabulous event! Thank you to those who made it out, and we look forward to a lot more summer fun and events at our new recreational complex. Keep in mind, "The Park" family pool, splash pad and concessions will officially open for weekends starting May 20th and then for the summer season starting May 31st. Keep in mind, the club will be open on Monday the 29th for Memorial Day, and closed on Tuesday the 30th.

Our Cinco de Mayo Celebration will occur on Friday, May 5th, so that you can thoroughly enjoy our delicious Mexican Buffet (served 5:30 p.m. to 8 p.m.) and plenty of cervezas and margaritas! A Mariachi Band will be on hand to provide the music for the night. Make sure to come early to celebrate with us!

## GOLF

### GOLF COURSE MAINTENANCE

It's hard to believe that we are already in May we have had some up and down weather, and the grass is not sure what it wants to do. We are pushing the greens hard to transition into summer grass so green speeds will be a little slower than usual until we get full coverage on them. You might have noticed we have decided to renovate the fairway bunkers. We are reconstructing them to be more player and maintenance friendly. We are softening the faces and raising the bottoms to make easy access and flatter lies. All fairway bunkers are out of play until we complete the project, which should finish mid-June. Thank you for your patience during the construction we are hoping to have very little disruption in play. Hope to see you on the course and as always please repair your ball marks and sand your divots.

**Shannon Donaway,**  
Golf Course Superintendent

### FROM THE GOLF SHOP

Keith Simmons  
Director of Golf

I hope everyone has been enjoying the summer so far. As the days are getting hotter now please make sure to take care of yourself while out in the heat by drinking plenty of fluids. We have complimentary cups and lids in the pro shop for the water and ice machines.

Coming up this month is the SMGA Member-Member Thursday, May 4th, and the MGA will have their Member-Member starting Friday night May 18th with a Calcutta and play on May 19th & 20th. I would like to give a big "Shout Out" to all of our Operation 36 Junior Golf Academy students for the Great Job they did this last semester by taking their golfing skill to the next level. It is so much fun to see the improvement each week. Our next semester of Operation 36 Junior Gold Academy will start up on May 10th – June 28th for Semester 2. So, if you have a Junior that would like to be a part of our Op36 Academy program, please contact directly Ben Pustejovsky at 713 -392-9215.

One other quick note on the golf course: Make sure to rake the bunker when you enter at any time. Always enter and exit on the low side of a bunker – do not jump or climb up steep faces, even if it might be faster. Climbing steep grass faces can cause serious turf damage in an area where it is already hard to grow grass. Walking up and down in sand faces can cause the sand to shift and collapse, which creates playability issues and a time – consuming repair job for the maintenance team.

Our goal is always to provide a quality experience for all of our members and their guests.

**Keith Simmons,** Director of Golf

## KEEP WESTON LAKES BEAUTIFUL

*"To inspire community involvement in the preservation and enhancement of Weston Lakes natural beauty and environment"*

### KWLB Neighborhood Bird Sanctuary Grand Opening!!!!

The Bird Sanctuary became "official" with the ribbon cutting by POA President Rhea Ragle, Mayor Bob Wall, and KWLB Project Lead, Lucy Moyer!

There was a great turnout and loads of fun as KWLB President Janet Bartek welcomed the crowd and thanked the many sponsors, donors, hard-working resident volunteers, the KWLB Board, and the POA Board who made the Bird Sanctuary possible. Jim Butcher with Texas Master Naturalist (TMN) Coastal Prairie Chapter, recognized the TMN volunteers who helped with the project and awarded Dennis West, TMN and resident, with a prized "Blue Donut".

Residents and visitors enjoyed the beautiful views, watched birds, and checked out the native plants and Tribute Trees. Amanda Hurst, the emcee extraordinaire, directed everyone's attention to the Texas Master Naturalist tables to see lots of cool skulls and skins and learn more about our birds and mammals.

What's more fun than just planting native seeds? Making seed balls and throwing them!!

**March Shred Event.** Another successful (and cold and wet) Shred Day by KWLB, with 7250 pounds of residents' documents securely shredded and environmentally soundly recycled! Thank you to the volunteers and to all who made donations to help keep this annual opportunity available.

### Thank you to the generous sponsors of the KWLB Neighborhood Bird Sanctuary

## MEN'S GOLF ASSOCIATION

The weather is warm and the course is blooming, which makes the conditions ripe for some low scores and personal bests. Our official MGA playdays on Friday afternoon, Saturday morning, and Sunday morning have been attracting a lot of members, which makes for really fun game formats. If you have never played in one of our playdays, I definitely recommend it. It is a wonderful way to meet new members and play in a fun, competitive format.

### Update

Quick catch-up on the MGA happenings since the last newsletter. My personal favorite tournament of the year, The Ringer, was held at the end of March and we saw some very dramatic finishes! This year we had 60 players split into 4 flights, which offered some fierce competition. For those unfamiliar with the format of The Ringer, you essentially take your best score on each over the course of two rounds to make one 18-hole score. So if you make a big number like a 10 on hole #1 on day 1, don't worry! Like I always say "there's always tomorrow". On day 2, you could make a par and better your score by 6 strokes in a single hole! A really fun format and a great time was had by all. Without further ado, I present to you the winners:

**Flight 1 Gross:** Pete Roblyer (-5); **Net:** Ron Frank (-10)

**Flight 2 Gross:** Brad Boydston (-5); **Net:** Peter Fagot (-11)

**Flight 3 Gross:** Steve Cox (+1); **Net:** Wes Atkinson (-9)

**Flight 4 Gross:** Richard Hanagriff (+8); **Net:** John Blair (-10)

And in flight 4 I'd like to give an honorable mention to our 2nd place net winner. He's coming on strong as one of the most improved golfers. I see him on the range grinding away often. He loves Missouri State (or maybe its Mississippi State -- all I know is he says something about "more cowbell") and he almost took home the top spot in flight 4. The one and only Corky Lemieux! Way to go Corky (pictured here) and the rest of our winners!

If you haven't already signed up for future tournaments, it's not too late to get in the game. Our Member-Member tournament is coming up on May 20-21. Come on out and play in one of our playdays to find yourself a fellow member partner and get signed up ASAP!

### Accomplishments

There is one name and one name only to appear in this segment. And that name is Clay Middleton. First, Clay (8 handicap) comes out and shoots 9 under his handicap and wins first place by a laughable 10 strokes during a Saturday playday -- 9 under, 8 handicap, do the math. Clay shot a 71 and broke par for the first time ever!

OK, and as if that wasn't impressive enough, during that very same round, Clay made his first ever hole-in-one on the 16th hole! It can't get any better than that, right?

WRONG! Six days later -- yes, less than 1 week -- Clay makes ANOTHER hole-in-one on the exact same hole! From no aces to two in less than a week. Truly unbelievable stuff. Congratulations Clay. And you know I've heard good things come in threes. I'm staying tuned to see if another one is around the corner.

As always we are accepting new members (and nominations to be included in the accomplishments section) - all inquiries and suggestions can be sent to westonlakesmga@gmail.com.

Regards,  
**Dan Masch**, Secretary, WLMGA

## WESTON LAKES WOMEN'S ASSOCIATION

March was a whirlwind of activity for everyone in our association with the excitement of Spring Break, warmer weather and of course THE RODEO!!! The Weston Lakes Women's Association celebrated the Rodeo fun in our March meeting with our members. We dressed up, and showed up ready to learn how to line dance.

Scott Godelle, referred by a resident of our lovely community, graciously came out and taught us how to dance 3 extremely fun line dances. We turned the ballroom into a place full of country music, laughing and good times. We learned traditional line dances, the "Cupid Shuffle" and the "Cha Cha Slide"! Who said you're ever too old to dance??? NOT THIS CROWD!

The spring and summer will be full of lots more fun for our members. In April we have an outing planned for a "Sip and Shop" at the Red Potato Market. In May we will honor our foundation Scholarship winners and are planning an afternoon of painting at "100 Shadex of VibeZ" our local DIY Paint Studio. "100 Shadex of VibeZ" is located just off FM 359 and they offer a full bar while you paint your selection of canvases.

## GARDEN SOCIAL CLUB

March was unusually windy this year! If anyone finds a grill cover, let me know because ours took off and was nowhere to be found. Now in April, we are finally getting showers, which will kick-start our lawns and gardens. However, with the unpredictable weather, who knows when we will have May flowers. Regardless, I will be tending to my garden to ensure it flourishes in May.

Our recent art show and whiskey tasting, Bourbon & Brushstrokes, was an immense success, with a fabulous turnout. The whiskey tastings were a real treat, offering a variety of whiskeys to try with tasty apps. Blair Ault of Milam & Greene did a fun and fantastic job of presenting. It was a terrific opportunity to learn more about the different types of whiskeys and to socialize!

The art show featured a variety of pieces from local artists, ranging from paintings using a wide variety of mediums to photography. It was wonderful to see so much creativity on display and to support the local WL arts community. There are many great pics of the artwork, but I had to pick one and I picked the offerings from our WL senior artist, Wayne Huffaker. Wayne was the Director of the Art Department at Conoco, and his work is on display at several dealerships. Everyone had a wonderful time at Bourbon & Brushstrokes, and we are already looking forward to planning our next event!

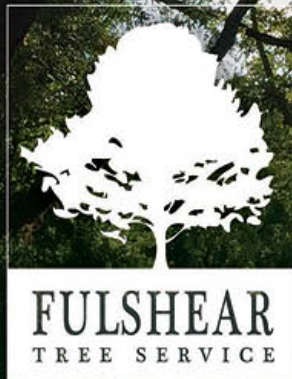

Our next meeting will be on Thursday, May 11th at 10 a.m. at the new Weston Lakes bird sanctuary located in Pecan Park. Bob Hoeffler, the owner of Wild Birds Unlimited, will be our guest speaker and will give a fascinating presentation on birds. It will be a great time to appreciate nature and learn more about our area's birds and how to attract them.

Join us for the upcoming summer Chill & Grill season, starting at 10:30 a.m. on Tuesday, May 23rd. We will be having casual get-togethers every fourth Tuesday from May through August at the Waterside Grill, where friends and new neighbors are welcome to attend. These gatherings are not meetings, but rather an opportunity to get to know each other better.

# 2023 District Champs Regional Qualifiers

Once again, the Fulshear Charger golf team would like to thank the LGA, MGA, SMGA, Weston Lakes Staff, and Weston Lakes golf members for giving our Charger golfers the opportunity to practice and use the facilities at Weston Lakes this 22-23 school year. Our Charger golfers were very successful in both the boys and girls classifications at the District Tournament this year as teams (both our girls and boys teams were qualified for the Regional Tournament) and individually. (Jace Parsell was the 2023 district MVP and Boys Champion followed by a 3-way tie for 2nd place between Eli Hanneken, Brayden Harrison and Sallor Lyons). Our girls team was the District Runner-up and will be competing in the Regional tournament as well. Reilly Gabbard ended up in a tie for 2nd place and was the leader of our girls team. We understand that none of this could have happened without your support and help, and we appreciate all that you do to help accommodate our young golfers on the course.

We would also like to thank all of you who have generously donated clubs, bags, golf balls, and other items throughout the year. Your continued support has given our kids the chance to love and enjoy the game of golf as much as you do while simultaneously preserving the great traditions of the sport for another generation and beyond.

If you have anything you have been considering getting rid of or would like to make a contribution, please consider donating it to our program to help it grow for years to come. If you have any questions, please do not hesitate to email me at [cmorse@lclisd.org](mailto:cmorse@lclisd.org). In addition, you can express your interest to help with the staff in the pro shop, and we can make time to meet.

Very Respectfully,

Chris Morse      Heather Turchi
