FROM THE ASSISTANT GENERAL MANAGER

*Katelyn Gray
Assistant General
Manager*

These hot sunny days are upon us as Summer is in full swing! June kicked off the season with a lot of excitement around the Clubhouse, and many of you had the opportunity to join in on the fun.

Our first Spring into Summer Social was a big hit as our adult Members enjoyed spending time with fellow neighbors. And of course the kids had a

blast at our first Kid's Splash of the summer! For Father's Day this year, we took a whole weekend to celebrate Dad with our first Father/Child Golf Outing and Father's Day Homestyle Brunch. Thank you to everyone who participated, and a big thank you to all the great Dads out there for all you do!

Now there is no better way to beat the heat of summer than hanging out by the pool with friends and family, and 'The Park' Recreational Facility has been a very popular attraction for that since opening! The kids are really taking advantage of all the water fun and oh so many snacks and snow cones. If you haven't had the opportunity to go, I highly encourage you to come on out and enjoy the sun with us. As an update, starting this July through the end of the pool season, 'The Park' will hold earlier hours Tuesday-Saturday from 10 a.m. to 7 p.m. and continue Sundays from 12 p.m. to 7 p.m.

I can't mention the pool without giving a huge shout out to the Weston Lakers Swim Team! All of their hard work and dedication throughout the last few months came through and shined as the team went undefeated this season. Great job to all swimmers, parents and volunteers. Keep up the good work and thank you for being a great part of this community!

As we head into July, we have a ton of great events to keep you busy through the heat. Our annual 4th of July Parade and Celebration is coming up on Tuesday, July 4th, and you don't want to miss this! Our parade will kick off the celebration at 10:30 a.m. – line up starts at 10 a.m. in the Country Club parking lot. Please make sure to decorate your bicycle, golf cart, classic auto mobiles, etc., as we follow the Fulshear Fire Department Truck down Weston Drive and back around to the Clubhouse for more celebration! We will have water activities, food and drink specials and tons of fun. As a reminder, all Club facilities, including the Waterside Grill, Golf Shop, Fitness Center and 'The Park' recreational complex, will close at 5 p.m. on Tuesday, July 4th in observance of the holiday.

July will have lots more fun packed in. The MGA will 3/2/1 Tournament will be on Saturday the 8th, and Homestyle Brunch on July 9th. SMGA Lone Ranger will be on Thursday, July 13th, as well as Live Music. Our second Kid's Splash will be Tuesday, July 18th, and Summer Time Paint and Sip will be on Saturday, July 22nd. (Check out the ad for more details and make your reservation!) Then, rounding out the month, we will have Fried Chicken Night on the 27th. WL Women's Association will be holding a fun Murder Mystery night on Saturday, July 29th, so be sure to reach out to them if interested! It should be a great time.

As the sun and heat are here to stay for some time, be sure to come up to the Clubhouse to grab a refreshing drink, relax by 'The Park' pool and enjoy every moment left of summer! We look forward to seeing you around the Club!

Thank You,
Katelyn Surface Gray
Assistant General Manager

GOLF COURSE MAINTENANCE

Summer is officially here, and the temperatures are starting to get hot. The golf course is in great condition. The rains we received in May and June have helped us fill in some of the week areas in the rough. We have completed the fairway bunker renovation, and they came out great. We designed the complexes to be more player friendly as well as maintenance friendly. The maintenance staff has been busy keeping up with the mowing and edging to keep the course in good shape, and as always please repair your ball marks and sand your divots.

Shannon Donaway, Golf Course Superintendent

FROM THE GOLF SHOP

Keith Simmons
 Director of Golf

The summer heat has arrived so please make sure you take care of yourself while outside by drinking plenty of fluids.

Upcoming this month will include the MGA 3-2-1 Tournament on July 8th and the SMGA Lone Ranger on July 13rd.

Also, if you aren't a member of the Golf Association but would like to get involved with the LGA, MGA or SMGA, please check with our staff at the Golf Shop for more details. They have a great time together, and it is a good way to get involved and to make new friends at the club.

SENIOR MEN'S GOLF ASSOCIATION

The Senior Men's Golf Association lost a long-time member, great golfer and even better friend on May 31st. Clay Anderson always had a smile and a kind word for everyone, and he will certainly be missed.

The SMGA welcomed Jim Jones as a new member in May. On June 1, Tim Christ and Gary Janik both shot net 65s, destroying their handicaps for the near future. Tim did further damage to his handicap by shooting a net 66 on June 8.

The SMGA Member/Guest tournament will be held on Friday, June 16th. A total of 66 people have signed up, so it looks like another good turnout. Winners will be announced in the next newsletter.

Some of the SMGA members will be traveling to Koasati Pines Golf Course at the Coushatta Casino and Resort in Kinder, Louisiana, on October 16, 17 and 18. The trip is limited to the first 24 men that sign up. If you are interested or need more information, please contact Ed Ruffin at 281-660-6712 or edruffin46@gmail.com.

MEN'S GOLF ASSOCIATION

Can someone turn on the A/C out here?! Make sure you all stay safe out in this heat. Now, is everyone ready for those handicaps to go back up? The course bunker renovation is complete and it's time to start truly playing it as it lies. The course is looking and playing great and should make for a fun remainder of the season.

Update

Quick catch-up on the MGA happenings since the last newsletter -- and lots has happened! Let's jump straight in and reveal the results of our Member/Member tournament. There was a ton of great competition between the 46 teams (split into 6 flights). Congratulations to all our winners!

Flight 1 (Gross): **Eric Echter / Alan Vasquez (-4)**.

Flight 2 (Gross): **Bruce Whitney / Les Stanbery (+3)**.

Flight 1 (Net): **Rusty Jackson / Ryan Nordt (-9)**.

Flight 2 (Net): **Jay Breen / Kevin Hunter (-10)**.

Flight 3 (Net): **Izze Dandia / Dan Masch (-11)**.

Flight 4 (Net): **Wayne Gibson / John Hamilton (-19)**.

Flight 5 (Net): **Greg Henning / Tom Walton (-15)**.

Flight 6 (Net): **Bruce Hunsucker / Adam Lesoon (-17)**.

This year we are introducing a new tournament at the end of our season for the top eight point earners throughout the year. Let's take a look at the standings through the Member/Member tournament:

1. **Dan Masch (280)**
2. **Ryan Nordt (260)**
3. **Richard Hanagriff (245)**
4. **Peter Fagot (245)**
5. **Ron Frank (240)**
6. **Steve Cox (200)**
7. **Bruce Hunsucker (200)**
8. **Wayne Gibson, Jay Breen, Rusty Jackson (190)**

With four more opportunities to earn points, these standings are sure to change, so stay tuned for future updates.

The next tournament is the 3-2-1, which debuted in 2022 and was a HUGE hit. This tournament consists of two-man teams, where each team member must play six holes from the normal tee box, six holes from the tee box behind them, and six holes from the tee box in front of them. The tournament is scheduled for July 8, so look out for results in a future issue. Last thing to mention is that our summer match play is in full swing, with the first round slated to be completed in early July. The final 16 for each bracket will be revealed in the next issue -- good luck to all participants! As always we are accepting new members (and nominations to be included in the accomplishments section). All inquiries and suggestions can be sent to westonlakesmga@gmail.com.

KEEP WESTON LAKES BEAUTIFUL

"To inspire community involvement in the preservation and enhancement of Weston Lakes natural beauty and environment"

As you relax by the pool with a cool drink on a hot July day, enjoy this quote from Lady Bird Johnson...

"Though the word beautification makes the concept sound merely cosmetic, it involves much more: clean water, clean air, clean roadsides, safe waste disposal and preservation of valued old landmarks as well as great parks and wilderness areas. To me... beautification means our total concern for the physical and human quality we pass on to our children and the future."

During her tenure as First Lady of the United States, Lady Bird Johnson served as a champion and advocate for conservation efforts and environmental legislation. She campaigned for improvement of the character of our highway systems. With the same enthusiasm and commitment, she initiated the "Beautification Project" as a solution to America's urban ills -- pollution, trash, blighted waterways, and fractured communities.

Her inspiration and legacy carries on in the efforts of Keep Weston Lakes Beautiful, an affiliate of Keep Texas Beautiful and Keep America Beautiful. As KWLB takes a short summer break from our kids activities, here are a few conservation and beautification tips.

The 5 Rs for Reducing Waste

- **Refuse** -- Even if it's free (such as promotional freebies like single use cups or knick knacks) politely decline anything you don't need.
- **Reduce** -- bring your own grocery bags, your own water bottle to events, or reusable cup at the coffee shop. Avoid single use containers
- **Reuse** -- Repurpose jars as containers. Donate gently used items that you don't need, and give it to someone who can continue to use it.
- **Recycle** -- If you can't reuse it and it's recyclable, recycle it correctly.
- **Rot** -- Create a valuable (yet free) resource from food waste and organics by home composting. Recycle your fruits, vegetables, and yard trimmings into a nutrient-rich soil fertilizer while reducing waste in a landfill.

GARDEN SOCIAL CLUB

Well, ladies, let's address the proverbial elephant in the garden -- the club dues! Now, I understand we're all green thumbs here, but unfortunately, money trees don't exactly sprout in our backyards. Wouldn't that be convenient? Alas, I propose we pay our dues early this year, before the roses start blooming. It'll not only keep our garden club blossoming, but also save us from the oh-so-terrifying 'Attack of the Late Fee Monster.' Plus, nothing says "I care about the club" like promptly paid dues. There's a little sunshine for your wallets, eh?

The sweet scent of summer brings with it the most delightful new garden club tradition: our May through August Grill and Chill meet-up. Join us at the Waterside Grill at 10:30 on the fourth Tuesday of the month for some gal pal chit chat. Picture this, ladies -- the sun is out, the flowers are in full bloom, and we're all gathered around, sipping on our refreshing drink of choice while getting to know each other better. All Weston Lakes ladies are invited to join us.

Plant Native! Why Native Plants?

- Drought-tolerant, naturally conserving our precious water resources.
- Provide habitat and food for birds, butterflies, bees, and other wildlife.
- Don't need special pampering or fertilizing.
- Natural to their ecosystem (native birds, butterflies, and bees need native plants).
- Help us to maintain biological biodiversity

Keep Our Lakes Beautiful

- Scoop the poop to keep bacteria out of the lakes.
- Keep grass clippings out of the lakes to minimize algae growth.

- Leave grass higher near the lake to filter runoff.
- Retain a six-foot vegetation buffer in the water, and manicure as needed to decrease erosion. You can prevent your bank edge from being sprayed with herbicide by posting the yellow marker sign available from the POA office.
- Avoid fertilizer on the lawn, but if using it, use low/no phosphorus fertilizer and do not fertilize within 20 feet of the water's edge to avoid algae growth

Enjoy your summer and keep it beautiful!!

As the last sunflower of summer begins to fade, fear not, because the start of our new garden club calendar is just around the corner in September. It's like New Year's, but with more gardening tips and fewer fireworks. From exciting new gardening workshops to stimulating guest speakers, we've got quite the colorful spread planned for you. So, let's look forward to turning over a new leaf together as we dive into yet another year of fabulous flowers, friendly faces, and fun-filled outings. Here's to blooming together, ladies!

Get a head start by paying your dues of just \$25 ahead of time. After our September meeting, the dues are \$30. You can drop off or mail your dues to Debby Deluca, Waterbeck.

The Weston Lakes Women's Association had an amazing turn out for our "Let's Taco-Bout the Future" dinner. We gathered together with the community to celebrate the accomplishments and honor our scholarship winners with Weston Lakes Women's Foundation. The community challenge is still going. Please donate to this incredible cause by emailing info@westonlakeswomensassociation.com for more information.

We had the honor and privilege to handout eight scholarships for 2023. The WL Club Ballroom was alive with excitement as The WLWA Foundation gave out \$8,650.00 to eight deserving high school seniors. These students are hard working and focused on a bright future. All are headed off to different schools, some local and some out of state. We have several Athletes this year. Baseball, Volleyball and Lacrosse are among the sports these students will be playing as they represent their Universities.

We are so glad to help these students on their road to College. They are Sierrha Guzman, Regan Barrett, Parker Hodges, Lilly Burton, Tyler Schumann, Ethan Behne, Rachel Nordt and Zach Nicholson.

WLWA is the fundraising arm for the Foundation. The generous citizens of Weston Lakes have helped us by contributing to our Community Challenge program, the Family Fall Festival and the Christmas Open Home Tour. We appreciate all those residents who have donated. We have also had generous contributions from our golf community, The Garden Club and the Surface Family.

We are Weston Lakes Proud.

FROM THE MAYOR

Hello Weston Lakes Neighbors,

Weston Lakes Reminder

Everytime we pass through our security gates, we are reminded of the wonderful and unique place in which we live. The City of Weston Lakes was incorporated to make sure you do not pay city taxes and are virtually free from municipal rules and regulations. Please keep in mind that with that freedom comes some individual responsibility. Please help make sure our neighborhood stays safe by obeying speed limits, keeping dogs on their leashes and being aware of where your children are after dark. Thank you for continuing to make Weston Lakes a great place to live!

Safety First: Just a reminder that if you are doing any digging in your yard (French drains, sinking new fence posts, digging new landscaping beds, etc.) please call 811 before you dig to make sure you do not hit any existing lines.

City Website: The most up-to-date city information can be found on the City of Weston Lakes website at www.cityofwestonlakes-tx.gov. For newer residents not familiar with the separate entities in Weston Lakes, the City of Weston Lakes is different from the Weston Lakes Property Owners Association and the Weston Lakes Country Club, each of which has their own website.

City Communications App: The City of Weston Lakes also has an app that allows residents to receive up to the minute messages and alerts from the city. The app can be downloaded from either the IOS or Android app stores. Use the words "Go City of Weston Lakes" to search the App Store, or use the following link: <https://onelink.to/gocityofwestonlakes> or scan the QR Code.

Bob Wall,
Mayor-Weston Lakes

ATTENTION MEMBERS:

The golf course is for golfing only. No walking, jogging, skateboarding, bicycles or unapproved golf carts are allowed on the golf course. Parents do not allow your children to play in the sand on the course. We have made extensive improvements to enhance our bunkers on the course which was put in for golfing only.

REMINDER TO GOLFERS:

All golfers must check in at the golf pro shop prior to golfing on the course. The golf course is not a practice facility. If you wish to practice please utilize the practice facilities at the clubhouse.

The course is closed on Mondays for the maintenance staff to perform cultural practices that we are unable to do during regular play and to give the course a break from cart traffic.

Weston Lakers Swim Team

Throughout the months of May and June, 140 of our youngest residents have been training at the new family pool in The Park as part of our very own Weston Lakers Swim Team. Our swim team is a non-profit organization that welcomes swimmers from ages 4 to 18. At the time of writing, they were halfway through their regular season, having won their first two meets of the season and are hopeful to finish out their year at the top of their division.

We are so proud of our Lakers! They work extremely hard all season, and the results show in the water as our swimmers continue to record personal bests time and again. The Weston Lakers swim team has been in place for over 30 years now with the purpose of providing a quality, competitive swimming environment where swimmers can experience personal growth, self-esteem and enjoyment, at the same time being introduced to the life-long health benefits of the sport of swimming. Our team fosters a fun, team environment while nurturing a competitive attitude in our athletes.

None of this would be possible without the support of the community and many of our local Fulshear businesses. To the Weston Lakes Residents, thank you for your encouragement and patience, especially on meet days

as we navigated traffic and parking. To our business sponsors, thank you for your support, year after year! We are dependent on business sponsorships to help cover the cost of operating the team, and we are overwhelmed by the generosity of the local business community, many of whom are resident business owners here in Weston Lakes.

While we cannot mention each sponsor by name, on behalf of the Weston Lakers Board and our swim families, we do especially want to thank the Surface Family and the Weston Lakes Country Club for this beautiful new facility that carefully considered the needs of our swim team. As our neighborhood has continued to grow, so has our registration, and the eight-lane pool finally allowed us to keep registration open to all the families wanting to join. The concession and storage spaces have helped our practices and swim meets to run smoothly, and the new location further back in the neighborhood has made it much safer on the roads during our swim meets with less congestion at the entrance to the neighborhood. The list of benefits goes on and on, as does the gratitude of our team!

Thank you from all 140 swimmers and their families!!!
