# FROM THE ASSISTANT GENERAL MANAGER

*Katelyn Gray  
Assistant General  
Manager*

As the summer is flying by, I hope everyone is enjoying each and every bit of what's left. We have missed seeing some familiar faces around the club as people squeeze in those last vacations with family and friends, but we look forward to gearing up for "back to school" by the end of this month. As school is approaching, a big applaud to the WL Garden Social Club on another great School Supply Drive this past month! Thank you to all our wonderful residents for supporting such a great cause.

July was a fun time around the club! Our annual 4th of July parade and celebration was the biggest turnout ever and thankfully the rain held off until the end – but that still didn't stop the kids from having more fun! All the decorated vehicles and happy faces made the celebration a blast. Thank you to all who participated and thank you again to Keep Weston Lakes Beautiful for leading us as our Grand Marshal!

The kids are sure enjoying the Splash Days at the club and with the new Splash Pad and Pool hours, you can keep getting some more fun in the sun this summer! Our first Sip and Paint was a big success and we enjoyed seeing our members creative art skills. And rounding out the month, WLWA held a successful, suspenseful and exciting Murder Mystery Dinner! Thank you to all who supported all the fun in June!

As we are rounding out the summer, don't miss some more excitement around the club. Our monthly events will keep on with Trivia night on August 1st, Homestyle Brunch on August 13th, Live Music on August 10th and Fried Chicken Night on August 31st. The last Kid's Splash of the year will be on August 8th so be sure to head up for water fun and Grill specials. And the excitement continues as Elvis is Back!! Our 'Rock'n Luau' will be on August 19th, and we are so excited to have Vince King entertain us with his award winning Elvis show. Be sure to make your reservations now as this event will sell out – and it will definitely be worth it!

If you are looking for some more activities after the summer ends, we have so many in the neighborhood to choose from. At the club, we host Poker Night, Bridge and Bunko. We also have some great associations to get involved in – WL Women's Association, WL Garden Social Club, Keep Weston Lakes Beautiful and men's and women's golf associations. All these groups are glad to welcome new members, so for more information please contact the club office.

We hope you all enjoy the rest of your summer and we look forward to heading into another great month!

Thank You,  
**Katelyn Surface Gray**

## Renovation Update:

I'm excited about the progress made over the last several years and the progress we will continue to make in the next five years. Several years ago, WLCC embarked on an approximately \$8,000,000 CIP program. Phase 1 & 2 have been completed with the development of a new Pro Shop, Fitness Center, 19<sup>th</sup> hole and Weston Room. We also upgraded the irrigation system for the golf course along with construction of the 716 Bunker Concession on the golf course. The opening of the new Weston Lakes CC Recreational complex, which includes 4 tennis courts, an 8-lane competition pool, a splash pad for the kids, a pavilion for restrooms and concession. The bunker renovations are complete and are in play now. While still a lot of work to go, we have begun the repair and replacement plan for the original golf paths, along with replacing and upgrading all course signage and markers.

Phase 3 is currently planned over the next year to 5 years. It will include:

- 1) Expansion of club parking lot
- 2) Upgrade of existing family pool and restrooms and convert to adult pool
- 3) Development of outdoor entertainment venue in adult pool area
- 4) Continued renovation and replacement of golf course cart paths

There are still many investments and improvements to be made. We will continue to invest available dollars in the upcoming years as we move to replace aging infrastructure and equipment. Some spending examples include HVAC units, fire alarm systems, kitchen equipment, maintenance equipment, facility updates, etc. We appreciate your patience while we are under construction on these projects. Our collective work aims to continue to grow our membership, improve our financial position, and make Weston Lakes Country Club the place we choose to spend time with friends and our families! I look forward to a fun, enjoyable, and successful year with everyone at Weston Lakes Country Club!

## GOLF COURSE MAINTENANCE

July ended with a few beneficial rain showers that really helped the golf course in some areas that don't have irrigation. The grass has started to grow very rapidly, and the maintenance staff is working hard to keep up with the growth. We had a few weeks last month that we got behind on the rough due to the rain, and this will happen from time to time, so we appreciate your patience during these rain events. I hope August brings a few showers like we had in July to keep us heading in the right direction. We started weed control in July and will continue into August. You will notice some yellowing of the turf in the roughs but don't be alarmed, it will green right back up in a couple of weeks. I hope everyone is enjoying the course conditions and, as always, please repair your ball marks and divots.

**Shannon Donaway**, *Golf Course Superintendent*

### Mind Your Divots on the Driving Range

You're here to practice, not to rototill the turf. Don't tear up every patch of grass at your disposal. Keep your divots in a vertical line, without digging too deep in a single spot. The maintenance crew will thank you. So will any golfer who comes next.

### Don't Purposely Aim at The Picker

The person picking the range is not a target and as tempting as it might be to aim at the cart he's driving, you shouldn't do it. Sure, it has a cover around it, but the sound of a golf ball hitting it to the person inside it's not a very good feeling. Let him do his job so you can hit balls. Aim at something else.

*Thank you for your support*

## FROM THE GOLF SHOP

*Keith Simmons*  
*Director of Golf*

As we move into August, I'm amazed at how quickly the summer is passing by. With the summer heat here, be sure to grab a bag of ice and bottled water from the pro shop before teeing off. And when you come in the Golf Shop, please take a few minutes to check out some of the new merchandise that has arrived. We will be running a variety of different sales for each month throughout the rest of the year.

Thanks to Shannon and his staff for the great job they are doing keeping up with regular golf course maintenance while all of the CIP work on the course is still going on. The new practice sand trap is now open to use, which gives everyone the ability to not only hit greenside shots but also fairway bunker shots.

Now with our new sand traps back in play, we are asking everyone to be sure that they rake the sand trap after entering. There is nothing more frustrating than hitting your ball into the bunker and finding your ball sitting in a divot or a foot print. So please get back into the routine of raking. Thanks for your cooperation.

Also, we are finding people doing activities on the golf course which are not allowed. The golf course is for golfing only (No bicycling, jogging, walking, skateboarding, roller-blading, unauthorized golf carts, walking dogs, fishing, swimming or wading in golf course lakes).

Our goal is always to provide a quality experience for all of our members and their guests.

## MEN'S GOLF ASSOCIATION

It's August. That means it's still hot and relief still really isn't quite around the corner. August is also a bit of a lull in our season as we prepare for the finale in September -- The Club Championship. Remember to stay safe out there by keeping hydrated and finding shade when you can!

### Update

Quick catch-up on the MGA happenings since the last newsletter. As of the writing of this article our 3-2-1 July tournament hasn't yet taken place, so those results will be shared in the next newsletter. One tournament has been completed since the last newsletter, that was the Lone Ranger. Always a nervy one that one is! This year we had 64 players making up 16 four-man teams that were split into three flights. There was some good competition and as always wild score swings. Here are the teams that came out on top when all was said and done:

**Flight 1:** Jeff Whitzel / Jordan Hall / Gary Janik / Billy Norris (-7)

**Flight 2:** David Mangel / Les Stanbery / Scott Saulters / Bill Stevens (-6)

**Flight 3:** Bill Whiting / Tom Walton / Mike Surface / Doug Stroud (-14)

Congratulations to all our winners! Let's see how that moves our season long point standings:

1. Richard Hanagriff (295)
2. Peter Fagot (295)
3. Ryan Nordt (290)
4. Dan Masch (280)
5. Jeff Whitzel (255)
6. Ron Frank (240)
7. Jay Breen (240)
8. Les Stanbery (235)

And on the bubble with 230 points are **Tom Walton** and **Steve Cox**.

With three more opportunities to earn points, these standings are sure to change, so stay tuned for future updates.

**Match Play update:** The final 16 for each bracket have been determined. Congrats to those moving forward!

**Weston Bracket:** Lee Sanudo, Jack Taylor, Eric Echter, Ron Frank, Rusty Jackson, Dan Cooper, Cliff Bottoms, Les Stanbery, Scott Leonard, Chad Faucett, Russell Braun, Eric Smith, Gary Owens, Gary Janik, Tony Alvarado, and Ryan Nordt.

**Lakes Bracket:** Allen Byerly, John Blair, Todd Segmond, Joe Fendley, David Calbert, Tim McCord, Roger Morse, Paul Gray, Scott Saulters, Adam Lesoon, Gene Cain, Scott Crabtree, Izze Dandia, Richard Hanagriff, Aaron Kirschbaum, and Kevin Hunter.

### Accomplishments:

No holes-in-one to report -- been awhile since we've had one! But there are a few low scores to report.

**Lee Sanudo** (1 handicap) shot a 4 under 68 -- I don't care what your handicap is, that's an impressive round. *Nice job Lee!!*

**Ron Frank** (7 handicap) shot a 1 under 71 -- *Awesome round Ron!*

## KEEP WESTON LAKES BEAUTIFUL

*"To inspire community involvement in the preservation and enhancement of Weston Lakes natural beauty and environment"*

**Let's talk pollinators!** Did you know that one out of every three bites of our food, including fruits, vegetables, chocolate, coffee, nuts, and spices, is created with the help of pollinators!

**Why did KWLB build a Butterfly Garden?** Pollinators are in decline, especially due to habitat loss. Constructing a pollinator garden in a park or in your own backyard, provides food as well as a place for these critical creatures to live. Pollinators need all the help they can get, and our garden will make a difference! **Bonus** - it's a beautiful, peaceful place to enjoy and an opportunity to teach kids about butterflies, bees, and other pollinators.

KWLB appreciates all of the volunteers who help to maintain our Butterfly Garden, keeping it beautiful and healthy! We also appreciate the great neighbors who help to keep our volunteers hydrated and happy!!! Thank you to the Owens and Ragles for a special treat at the June workday.

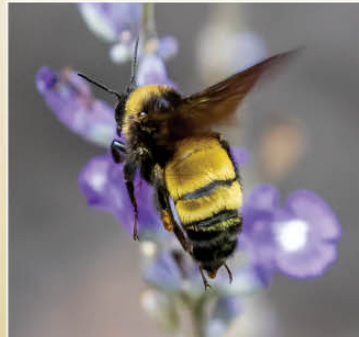

KWLB honored as Grand Marshal for the July 4th Celebration with the KWLB Board leading the parade!

A huge thank you goes out to the WLCC and the Surface family for this great honor!!! While KWLB Board members (present and past) led the parade, the honor goes to every volunteer, donor, and supporter who makes it all possible from building a Bird Sanctuary and Butterfly Garden to educational, fun events for kids and adults.

As a very special treat, Nancy Case joined the celebration. As president Janet Bartek said at the parade, Nancy is the Founding Mother for KWLB! It was Nancy's idea, her initiative, and her past experience with implementing Keep Texas Beautiful affiliates in other cities, that led to the creation of Keep Weston Lakes Beautiful.

If you would like to volunteer, make a tax-deductible donation, or receive more information, please email us at [info@KeepWLBeautiful.org](mailto:info@KeepWLBeautiful.org)

## FROM THE MAYOR

### Hello Weston Lakes Neighbors,

Thank You! We appreciate the positive feedback on our monthly article in this publication from those of you who take time to read it. Please encourage your neighbors to look it over each month as well. Staying informed is vital to maintaining a safe and cooperative neighborhood, especially as we approach the heart of the hurricane season. Our Emergency Management team is monitoring all weather-related communications from the state and county. Make sure you are in the loop by regularly checking our website or by downloading the app to receive up to the minute alerts. Information on both methods is included below.

**City Website** The most up-to-date city information can be found on the City of Weston Lakes website at [www.cityofwestonlakes-tx.gov](http://www.cityofwestonlakes-tx.gov). For newer residents not familiar with the separate entities in Weston Lakes, the City of Weston Lakes is different from the Weston Lakes Property Owners Association and the Weston Lakes Country Club, each of which has their own website.

**City Communications App** The City of Weston Lakes also has an app that allows residents to receive up to the minute messages and alerts from the city. The app can be downloaded from either the IOS or Android app stores. Use the words "Go City of Weston Lakes" to search the App Store, or use the following link: <https://onelink.to/gocityofwestonlakes> or scan the QR Code.

## SWIM LESSONS

This July, WL City Council offered free swim lessons to the children in our neighborhood at the new Park Recreational Complex. Instructors Nicole Balac-Davies and Janet Bartek helped dozens of kids learn swim basics and more. ... And did a fantastic job! We hope to offer more lessons and even parent classes for swim safety in the near future.

We want to extend a big thank you to them for all their hard work and dedication on keeping our little ones swim smart and safe!

We inspect,
