# FROM THE ASSISTANT GENERAL MANAGER

*Katelyn Gray  
Assistant General  
Manager*

As the seasons are changing, fall is finally upon us. This is such a beautiful time of year and a welcome change from those long hot summer days. Just around the corner we will be greeted each morning with a chill in the air and I know we are looking forward to that. The change of the season also brings with it a change of pace. With school in full swing, fall sports taking off and gearing up for the holiday season, this is an exciting time around our community.

We ended out the summer with our SMGA, MGA and LGA Championships, and new champions were crowned. Congratulations to the winners and all association members on a great season! September also held our first father daughter dance, 'Ties & Tiaras'. It was a magical evening with lots of laughs, dancing and great memories. The girls looked absolutely beautiful and the dads sharpened up quite well! Thank you to those who attended, we look forward to next year.

October should be a busy and fun month for us all. Be sure to mark your calendars for the following

upcoming events, Trivia night on October 3rd, Homestyle Brunch on October 8th, WLWA Fall Fashion Show on October 17th and Fried Chicken Night on October 26th. And rounding out the month will be our annual Trunk or Treat on Saturday, October 28th! This is always a spooktacular time with food, drinks, crafts, Beetlejuice DJ, prizes and tons of candy! If you would like to volunteer to decorate your trunk, we would greatly appreciate it! (see ad for more details)

Now to our community, this month is a little extra special- October is Weston Lakes Proud Month! As we are all proud to live in Weston Lakes each and every day, we take this month to reflect on all the wonderful things that make this community so great. Our 4th annual WL Proud event will be held on Saturday, October 14th, 2023 and we look forward to celebrating with you. Please contact the clubhouse for more information about the event or to pick up WL Proud yard signs. (which can be displayed in your yard throughout the month)

We look forward to a great season ahead.

I am Weston Lakes Proud!

## GARDEN SOCIAL CLUB

You will not want to miss our first outing of the year on Tuesday, October 24th. We will meet in the club parking lot at 9:30 and then carpool to Enchanted Gardens. Just a short drive away, but like a truly enchanted world bursting with one of the largest varieties of plants anywhere in our area. Garden guru, Peggy May, will be speaking to us on various gardening topics. After our visit, we will regroup in the club's Waterside Grill for a delicious lunch and some chit chat time.

For those who want to get in on the action, you can pay your dues of just \$30 for the whole garden club year. You can drop off or mail your dues to Debby Deluca at 5118 Waterbeck. All Weston Lakes ladies are eligible to join, and please bring your friends and neighbors to be entered into the drawing for those who bring a new friend to our meetings or outings.

We have some really interesting garden-related presentations along with fun activities and outings. Some of us (as in me) are not the best of gardeners, but that doesn't mean we can't start from wherever we are and enjoy socializing along the way!

As a Houston native, I have wondered many times why big box stores and nurseries stock chrysanthemum and other cool weather plants starting in August. Answer: Just like seeing sweaters and coats for sale here in August, it's because the stores treat every part of the country similarly. Chrysanthemums prefer temps between 55 – 75. In Houston, temperatures start averaging around 75 degrees from late September to early October, so our trip to Enchanted Gardens is the perfect time to select your specimens if you so desire.

# GOLF ASSOCIATIONS

## SENIOR MEN'S GOLF ASSOCIATION

The summer heat is ending, and great golf weather is ahead. The golf course is in great shape, and the bunkers are better than they have been in years.

The SMGA Fall Match Play started in the middle of September, and results will be published in the next newsletter. Winners for low gross and low net in the season-long ringer competition will also be announced.

The SMGA Club Championship was held on September 14th and 15th. The Club Champion and flight winners will be announced in the November newsletter.

Special recognition and a big congratulations go to **Tom Lenney**. During a Wednesday round with friends, Tom had a hole-in-one on No. 16 using an 8 iron. Congratulations Tom!

Words from the Golf Bard – Oxymoron:  
An easy par three.

**Burt Bure**,  
SMGA Secretary

## MEN'S GOLF ASSOCIATION

Well that was a brutal summer, no way to sugar coat it! But the worst is behind us, the course is in nice shape, and one of the best weather seasons around these parts is on the horizon. Time to play some golf. October is also a bit of a transition period for the MGA season as the club championship is behind us and we start to look toward our final tournaments of the year.

### Update

Quick catch-up on the MGA happenings since the last newsletter. Three major events take place in September. The first being our summer match play finals, which will be Chad Faucett vs. Ron Frank in the Weston bracket and David Calbert vs. Richard Hanagriff in the Lakes bracket. The second major event is the Club Championship, where Eric Echter looks to defend his title. The last event is the brand new season long points tournament, which is a 10-man playoff for the 10 highest point earners over the course of the MGA season. As of the writing of this article none of these tournaments have actually been played so you will just have to wait until next month to find out the results.

The season long point standings are tight:

1. **Ryan Nordt (396)**
2. **Richard Hanagriff (392)**
3. **Jeff Whitzel (372)**
4. **Peter Fagot (369)**
5. **Ron Frank (344)**
6. **Rusty Jackson (343)**
7. **Les Stanbery (302)**
8. **Dan Masch (300)**
9. **Jay Breen (297)**
10. **Steve Cox (290)**

And on the bubble are Gary Owens (281) and Paul Gray (271) .

One last opportunity for points, which is the club championship. Anything can happen still!

### PSA:

Now time for a public service announcement. I want to encourage all you golf members to join us for our MGA play days on either Friday, Saturday, or Sunday. We play a variety of game formats, and it's a fantastic way to meet other members in a laid back but competitive environment. We have great play day coordinators that work hard to tailor games to all skill levels, from scratch to high handicap. And I can tell you from experience, it's good for your game! When I joined the MGA, I was around a 16 or 17 handicap and now I'm down to a 7!, I look forward to seeing many more new faces out there in the coming months. Don't hesitate to reach out to us if you have any questions.

All inquiries and suggestions can be sent to [westonlakesmga@gmail.com](mailto:westonlakesmga@gmail.com).

Regards,  
**Dan Masch**  
Secretary, WLMGA

## FROM THE GOLF SHOP

*Keith Simmons  
Director of Golf*

With the kids back in school, and football season here it's starting to feel like autumn again... even in our new normal way of life with all the heat. With the slightly cooler weather it has been a Big Plus just being able to get out of the house and enjoy some time outside without the heat.

Last month the SMGA held its Club Championship on September 14th and 15th, followed by the MGA Club Championship on the 16th and 27th. We close out the month with the LGA Club Championship on September 29th and 30th. "Congratulations goes out to all of the winners."

As we move into October, we are excited about the upcoming 2023 Weston Lakes Member-Guest Invitational on October 5th through October 8th.

You want to make sure to come take a look at all of the merchandise that is left over from Member-Guest Event in the Golf Shop and take advantage of the tournament pricing! There are some really good deals, so don't miss out! Also, it would be a great time to pick up something for that "someone special" with the holidays just around the corner.

Our goal is always to provide a quality experience for all of our members and their guests.

**Keith Simmons,**  
*Director of Golf*

## GOLF COURSE MAINTENANCE

Fall is here and we are ready for some cooler days. We had very little rain in September, so we are hoping for a little in October to help us through the fall and winter. We had the SMGA, MGA and LGA Club Championship in September, and the golf course was in great shape for the tournaments. We are having the Member/Guest tournament this month and are looking forward to giving the members and their guests great playing conditions. Hope to see you on the course, and as always please repair your ball marks and sand your divots.

**Shannon Donaway,**  
*Golf Course Superintendent*

## WOMEN'S ASSOCIATION

Fall is in the air!!! What is the Weston Lakes Women's Association? We are a social group. We are a 501-3c non-profit group. We are a group of dedicated Women in our incredible neighborhood who get together to enjoy each other's company, give back to our community, raise money for the Weston Lakes Foundation, do crafts, have seminars, festivals, fun runs, etc., working to expand our reach in the community and most of all build lasting relationships with our neighbors. We meet once a month, for nine months of the year. Most meetings are held on the third Tuesday of the month at 10 a.m. for coffee and conversations, meetings starting 10:30-11:30, with many members staying for a delicious lunch. Membership is only \$30 for the year, with some larger events at an additional charge. To join our amazing group of women, please email [info@westonlakeswomensassociation.com](mailto:info@westonlakeswomensassociation.com)

What is the Weston Lakes Community Foundation? The Community Foundation benefits our high school seniors and community organizations. The foundation was formed in 2002 as a 501(c)(3) organization, as the philanthropic arm of the Weston Lakes Women's Association. Annually, the WLWA partners with the Community Foundation on the "Community Challenge" which is our opportunity as the community of Weston Lakes to give back to the graduating seniors with scholarships. The foundation contributes to student scholarships, community organizations and worthwhile charity events and programs. Stay tuned for the 2024 Community Challenge information that will come out in the spring.

## WESTON LAKES FITNESS CENTER

Ross Kilpatrick  
Fitness Director

Our Fitness Center would like to help you put your best foot forward this Fall. According to the International Health and Fitness Association, 75 percent of people who exercise are not getting the results they want, but of the 25 percent who are succeeding, 90 percent of them are working with a Personal Trainer. Whether you need to lose weight, are recovering from an injury, or just want to improve your general health, our certified Personal Trainers on staff are here to customize a fitness program specifically designed to suit your lifestyle, goals, and improve any physical limitations.

### Don't miss Donut Day & Discovery!

**Saturday, October 14th, 8:30 a.m.**, in the Bird Sanctuary. KWLB will be bringing some environmental education along with lots of FUN for the kids. They can join the rain gutter rubber ducky and sailboat races. Which duck is fastest, and can you move a sailboat faster with a little wind power? But what if your ducky gets caught up in plastic litter and then hits an oil spill?? Bonus - every kid gets to go home with a little rubber ducky!

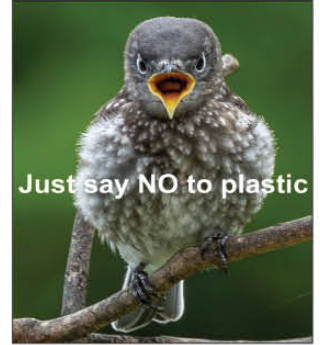

**Texas Master Naturalists** will be there with a cool tool called an Enviroscope for an interactive, hands-on demonstration of the sources and effects of water pollution. The kids (and adults) will love it!

### DID YOU KNOW???

Plastic on the ground and in our waterways is a hazard to birds and other wildlife. When ingested, plastic can cut soft tissues and damage internal organs. Swallowed plastics are often too big or plentiful to pass through the animals' digestive system, causing them to stop eating and die.

Ninety percent of the plastic items in our daily lives are used once and then tossed: grocery bags, plastic wrap, disposable cutlery, straws, coffee-cup lids. Take note of how often you rely on these products and replace them with reusable versions. It only takes a few times of bringing your own bags to the store, silverware to the office, or travel mug to the coffee shop before it becomes habit

## IN APPRECIATION OF OUR WESTON LAKES RESIDENT ELIZABETH ROBBINS

### Weston Lakes Proud

Weston Lakes Proud was established in October of 2020 to recognize and thank individuals in the Weston Lakes community who exemplify hard work and dedication to our community through involvement and leadership. We'd like to take this opportunity to thank Elizabeth Robbins for her outstanding service and recognize her during our 4th Annual Weston Lakes Proud month.

Mrs. Robbins support of the Club, various WL Associations, and organization of several community drives throughout the years have made a lasting impact inside and outside our gates. With all of her great efforts, Mrs. Robbins is always seen with a sweet smile on her face and filled with genuine kindness, continuously searching for new ways to help and never asking for anything in return. For that we honor Mrs. Robbins for being truly Weston Lakes Proud!

### What brought you to Weston Lakes?

-We were living the Big City Life near Memorial Park in a 3-story house I affectionally dubbed "Fort Robbins" for its gated surroundings and 10-foot back fence, standard for the urban area. Out of the blue one early morning, my husband said, "Let's move to Weston Lakes". After a stunned moment, I hardily agreed, assured we would find our forever home here. We never looked back. I hope to always live in this wonderful community surrounded by gracious homes and caring neighbors. It is surely a God Spot.

### What do you do for your career?

-I was a Practice Administration Consultant, which allowed me to help doctors and lawyers learn to better manage the business side of their private practices. I'm pleased to say that all of my clients achieved the goal of doubling, sometimes tripling revenue in under two years.

An early retirement has now been a great blessing which has allowed more focus on community service as well as my businesses, Robbins' Nests Decor Refreshing and a riverfront VRBO home in Matagorda.

### Community involvement?

-Two weeks after moving in I visited several of the neighborhood social groups. What a gift to arrive as a stranger to meet life-long friends through Book Club, Women's Association, Fitness Center Classes and especially the tremendous blessing of serving on the Garden Social Club Board. Such a fabulous group of ladies!

-My mother gave me the beautiful gift of volunteerism at age 12, that with the deep gratitude I feel for being a part of this wonderful community created my desire to organize our annual toy and school supply drives. Which have been very successful throughout the years thanks to our supportive WL residents. It was

also an honor to gather the community for a 20th anniversary 9/11 commemoration in the park and volunteer at various neighborhood efforts through the years.

-Upon hearing of the plans for a new fire station, I felt called to start Four Friends, a community initiative to support the brave first responders of EDS4. Through the incredible generosity of our neighborhood, our first responders were welcomed with gorgeous handmade quilts for their new quarters, a fabulous BBQ grill from the golfing groups, landscaping funds through the Garden Social Club, a multitude of golf packages courtesy of the Surface family and Golf Shop, beautiful wall art and cards made by the dear children, and numerous homemade treats and meals provided by caring neighbors. The firefighters all report feeling very appreciated by our community.

Elizabeth Robbins

### Exciting things in the community you have experienced, done and been involved with?

-So much has happened in my 12 years here. Weston Lakes has evolved from a country retirement neighborhood to a vibrant family-centric community. While I miss hearing the lowing of cattle in nearby fields, the joyful sounds of families living beautiful lives here is a true gift to us all. The creation of so many wonderful new social groups and service groups like Keep Weston Lakes Beautiful is proof we are and will stay Weston Lakes Proud for generations to come.

Thank you again Elizabeth Robbins for your outstanding service to our community.

You can show your pride by placing a Weston Lakes Proud sign in your yard during the month of October. Signs are available for pick up at the Information Center and the Waterside Grill. Also, we invite you to attend the Weston Lakes Proud Event on Saturday, October 14th from 5pm-8pm. Weston Lakes is more than just a neighborhood. We are family who plans together, works together, faces challenges together and overcomes them together. We are Weston Lakes Proud.

## FROM THE MAYOR

### Hello Weston Lakes Neighbors,

Below are a few notes on items of interest concerning the City of Weston Lakes.

**Council Meetings** Our next regularly scheduled meeting will be in the Weston Lakes ballroom on Tuesday, October 24 at 6 p.m. The public is always welcome.

**No City Taxes** The City of Weston Lakes' 2023-2024 budget maintains our commitment to no city property taxes. This has been our city's policy since our incorporation in 2008.

**City Website** The most up-to-date city information can be found on the City of Weston Lakes website at [www.cityofwestonlakes-tx.gov](http://www.cityofwestonlakes-tx.gov). For newer residents not familiar with the separate entities in Weston Lakes, the City of Weston Lakes is different from the Weston Lakes Property

Owners Association and the Weston Lakes Country Club, each of which has its own website.

**Be Sure To Vote** Mayor Bob Wall, Alderman Bill Ragle and Alderwoman Linda Harnist are unopposed in seeking another two-year term. However, there are fourteen (14) Constitutional Amendments on the November 7th ballot. Weston Lakes traditionally has the highest voter turn-out in Fort Bend County. Please make sure that you are informed on each of those 14 amendments, and make your voices heard at the ballot box. Not voting or not researching the issues simply allows others with special interests to make your decisions for you. Please be an informed voter and vote on November 7th.

**Bob Wall, Mayor-Weston Lakes**

# Waterside Grill

## DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage. In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*
