All of us at Weston Lakes Country Club hope that everyone had a wonderful Thanksgiving holiday with family and friends. As we come together during this time it is always nice to reflect on all the things we are thankful for and we at WLCC are so thankful for all the support we receive from our members and guests all throughout the year.

Reflecting back on November, we had a great month. First off, a huge thanks to all who participated in this year's Toy Drive! It was another big success. We had another wine night which was a perfect intimate evening. Be on the lookout for more of these events to come in the new year. And of course our annual Sip and Shop was a big hit! Members and guests were able to cross a lot of their Holiday shopping list. If you are a local vendor and are interested in participating in this event next year, please contact the club office.

And with the holiday being as busy as it was, our talented Chef's at the Waterside Grill prepared over 24 catering meals for our members. This is a great opportunity to have a delicious meal prepared for you and allow more time for relaxing and visiting with family and friends over the holiday. With that said, Christmas meals are now available for order, just call the Clubhouse and place yours and let us help make your holiday great.

## FROM THE GOLF SHOP

*Keith Simmons  
Director of Golf*

The cooler temperatures tell us the holiday season is in full swing. If you are looking for that special gift idea, now is a great time to take advantage with all the new fall merchandise and specials going on at the Pro Shop. So, stop by and check it out.

Also, don't forget to use your "Pro Bucks" before the end of the year!!!

At the first of the month, Weston Lakes Country Club change over to the New Course and Slope Rating, and New Hole allocations given to WLCC by the USGA and the R&A along with World Handicap System. The changes have been made to Ghin and Golf Genius along with new score cards. The hole allocations and ratings will look different under the New World Handicap System compared to the previous USGA method (formerly the USGA Course Rating System). There will be separate stroke

As we head into December we are all excited for the many festivities ahead. The Clubhouse is decorated in the holiday spirit and we are ready to share the joy with you! Holiday parties will fill the Clubhouse throughout the month. Our annual Brunch with Santa will take place on Sunday, December 10th. It is a magical event for all ages with delicious food, great company, and of course Santa will be here to visit, hand out goodies and take some fun pictures with those attending. This is a reservation only brunch, so be sure to make yours early, as we fill up fast! The last Trivia Night of the year will be on Tuesday, December 12th and you won't want to miss it! We will be holding our first Fitness Center and Golf Shop Open House on December 13th. As we showcase these great facilities, be sure to stop by for complimentary beer, wine and hor d'oeuvres and to check a few more holiday gifts off your list.

Also, as a reminder the golf course will be open for tee times on Christmas Eve and New Years Eve. All carts must be in by 4 p.m. and all Club facilities will close at 4 p.m. as well.

As 2023 is coming to a close, we again want to say to our Members how grateful we are for all your support and to our Club staff for all their hard work. May we all enjoy the cheer and blessings this season. We wish you all a very Merry Christmas and a very Happy New Year!

allocation holes for women and men without multiple per gender.

In general, the handicap stroke allocation that appears on the scorecard indicates the ranking of the holes in which a higher handicapped player most needs a stroke(s) in order to obtain a half in a singles or four-ball match play event. A common misconception is that the handicap stroke allocation is a ranking of the degree of difficulty of holes on the course, but it is not. A handicap stroke should be an equalizer and should be available on a hole where it would most likely be needed by a higher handicapped player.

A quick reminder! With the Daylight-Savings time change, the Pro Shop Hours of Operation are now 7 a.m. – 6 p.m.

The Pro Shop staff and I want to thank everyone for your support of our Golf Shop over the past year.

Our goal is always to provide a quality experience for all of our members and their guests.

**THANK YOU FOR ATTENDING THE  
HONOR OUR VETERANS BREAKFAST**

Veterans Day is about honoring our military veterans. The Brazos River Rotary Club and the Fulshear-Simonton Lions Club hosted a breakfast for veterans in our area on Friday, November 10th. Lt. Col. (Retired) Jon Eiche was our speaker who emphasized that "Freedom is not Free". Fulshear High School student K.C. Walla sang the National Anthem and led the entire crowd on God Bless America. Veterans were in attendance representing all branches of the military -- Army, Navy, Air Force, Marines, Coast Guard & Space Force. All in attendance enjoyed great fellowship with great service members!

## MEN'S GOLF ASSOCIATION

Believe it or not we're in the final month of 2023. Our season completed with the Fort Bend Cup against Falcon Point and the Weston Cup where we took on the SMGA. We also had a bunch of entertaining play days with great competition and lots of camaraderie. In case you've never joined us for an MGA play day I highly encourage you to do so. We have official games on Friday afternoon, Saturday morning, and Sunday morning. We also organize a couple of casual games at other times. If you are interested in learning more please reach out to westonlakesmga@gmail.com and we'll be happy to discuss.

### Update

Our premier event since the last newsletter was the third annual Fort Bend Cup against Falcon Point. In the previous two years, we didn't fare very well. To be frank, we were blown out both years. We had never won a single session in this Ryder Cup style tournament. But this year was a different story! On day 1, it looked to be more of the same. Falcon Point jumped out to an early 6-3 lead, easily taking care of business in session one, which was a "shamble" format. In session 2 (best ball), however, we came to life. We not only won our first session ever in the series, but dominated session 2 going 6.5-2.5. At the end of day 1 WLCC had a 9.5-8.5 lead and we did it on Falcon Point's home turf. Day 2 would be 18 singles matches at WLCC, and we needed 9 points to take the cup.

Falcon Point got off to a quick start in the final session, taking the lead in several early matches. But this year, we refused to lose! We stormed back and won the final session 10.5-7.5, giving WLCC a 20-16 victory over Falcon Point! It was a great event, and every player on the team won points in the tournament. Here's a photo of the winning squad:

## GOLF COURSE MAINTENANCE

The year is coming to an end and I would like to thank the Golf Course Maintenance Staff for all their hard work during the 2023 season. I would also like to thank the members for their patience during the 2023 season. The staff worked very hard to get the course into the condition it is now and are looking forward to giving the members even better conditions in 2024. The Maintenance staff would like to wish everyone a Merry Christmas and a Happy New Year. I hope to see everyone on the course and as always please repair your ball marks.

**Shannon Donaway,**  
Golf Course Superintendent

Needless to say we are all very proud to represent WLCC and bring home the cup for the first time. Now we look forward to defending it next year!

### Accomplishments

Although I don't have any aces to report, there were a lot of nice individual accomplishments this month.

- Mr. Sunshine himself, Gene Cain, shot his age! I won't post the score, but it was near even par. Way to go Geno!
- Wes Atkinson (5 handicap and the most improved golfer of Weston Lakes) shot a personal best of 75. Nice round Wes, I know you'll be going even lower soon.
- Richard Peterson (12 handicap) shot his lowest round in many years, a 75! Incredible round Richard, keep up the good playing.
- Scott Sipes (16 handicap) shot a personal best of 79 -- super impressive Scott! Keep riding that hot streak.
- Bruce Hunsucker (18 handicap) also shot a personal best of 83. Bruce is definitely challenging Wes for the title of 'most improved' -- keep it up Bruce!

As you can see, lots of great low scores and plenty of personal bests! Thanks to all that submitted recognitions.

If you have any inquiries or suggestions, please send to westonlakesmga@gmail.com.

Regards,  
**Dan Masch, Secretary, WLMGA**

## SENIOR MEN'S GOLF ASSOCIATION

We are finally having some good golf weather, and the SMGA participation is picking up. The course is in great shape and the recent improvements are appreciated.

The SMGA welcomed **Don Lough** as a new member in November.

The Fall Match Play is finishing up, and the results will be announced in the next newsletter. The results of the SMGA vs. MGA in the Annual Weston Cup will also be in the next newsletter.

If you know someone interested in joining the SMGA, please contact one of the board members:

## LADIES' GOLF ASSOCIATION

On Wednesday, October 18, we held our annual Pink Lady Scramble to help support the Susan G. Komen Foundation for breast cancer awareness. All participants were encouraged to wear pink. Our total donations this year were \$995. Way to go ladies! Everyone was a winner today.

In early October, four of us ladies traveled to College Station to help support the A & M College Ladies Golf program. We got to meet and play a few holes with the ladies and lunch with them as well. They are truly inspirational.

Our awards dinner is on December 14 in the ballroom. Be there at 6:30 for cocktails and caroling. Bring a \$20 wrapped gift to share.

Birthday wishes go out to these members for December: Colleen Millburg Dec. 7th, Paula Britt Dec. 8th, and Mary Peterson Dec. 12th.

*Merry Christmas everyone!*  
Paula

## WESTON LAKES FITNESS CENTER

Ross Kilpatrick  
Fitness Director

We've got the perfect Christmas present for your loved ones this year. With our Holiday Stocking Stuffers Special, you can purchase customizable gift cards for your family and friends. Certificates are available for purchase now through December 24th.

With the holiday season fast approaching, it's all too easy to get off track with our workout and nutrition choices. The Fitness Staff and I encourage you to let us be your accountability partners. Get involved in group fitness, schedule regular sessions with one of our personal trainers, or relax with a restorative massage. Most of us are great at overloading our schedules and deciding we can't work out because we don't have the time! We're challenging you to set aside 15 minutes a day. If you don't have 15 minutes, hold a two-minute plank, complete a round of squats in the kitchen while you wait on the oven timer to go off, get creative, but more importantly, just get moving!

For class schedules, or updates, please look for our E-blasts or check out our Facebook page at [www.facebook.com/wlccfitnesscenter/](http://www.facebook.com/wlccfitnesscenter/). For more information, or to schedule a massage or an appointment with a Personal Trainer, please email Ross Kilpatrick at [ross@westonlakes.net](mailto:ross@westonlakes.net). Happy Holidays Weston Lakes!

## KEEP WESTON LAKES BEAUTIFUL

*"To inspire community involvement in the preservation and enhancement of Weston Lakes natural beauty and environment"*

**A Ducky Donuts & Discovery Day with Stroll Weston Lakes** was a big hit when kids (of all ages!) used their own wind power to move rubber duckies and little sailboats down the KWLB ocean (aka big rain gutters). They had smooth sailing until they had to maneuver around plastic debris in our little ocean. Some duckies even ran into an oil spill and had to be carefully cleaned. Our local Texas Master Naturalists brought out an enviroscope to demonstrate how things that land on the ground can end up polluting our waterways. Green sprinkles represented lawn fertilizer, and chocolate sprinkles were dog poop. The kids decided those things shouldn't be in the water that we depend on!

*"Thank you so much for putting together such an amazing event! Not only did my kids walk away with some new understandings of water pollution, they had fun and were totally engaged. Such a well thought out event! Thank you for all the hard work you do for our kids and community!"*

**Welcome to our newest KWLB Board Member - William (Bill) Hannah!** Bill and his wife, Debbie, moved to WL a little over a year ago from Fort Worth, but both are native Georgians. They have three children and four grandchildren.

"By background I spent 45 years working in the accounting and consulting business, focusing on healthcare clients. I have a BBA Degree in Accounting and a Master's Degree in Health Policy. I was a partner with a major international accounting and consulting firm and spent a couple of years as the CFO of the Piedmont Heart Institute in Atlanta. I retired in August and now spend my time studying to become a Texas Master Naturalist and trying to stay out of Debbie's way.

I am excited to be asked to serve as Board Member of KWLB. We love the neighborhood, and I want to do something that will help all my neighbors continue to enjoy this beautiful place we have. In the past I served on several non-profit boards, including the Boys and Girls Club of Atlanta. I want to be able to contribute to the community and make a positive impact on my neighbors.

If you're out and about early, on most mornings you might see Debbie and me out walking our white Labs, Charlie Daniels and Molly Hatchett. You'll always see me with an HEB bag I use to pick up trash. It's not much, but it's what I can do to help. If you do see us out walking, please stop us and say hello. Debbie is tired of having to talk only to me, and she needs some conversation!"

**Coming Up - Photos with Santa December 10th, 2 - 3:30 p.m. at the Bird Sanctuary!!**

**Please help us keep our events and projects going!** You can volunteer, make a tax deductible donation, or receive more information by emailing [info@KeepWLBeautiful.org](mailto:info@KeepWLBeautiful.org) - or just text Joyce at 713-882-1331.

## DID YOU KNOW?

# *Waterside Grill*

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage. In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*

## FROM THE MAYOR

Hello Weston Lakes Neighbors,

Just a brief note this month to thank all of the citizens in the City of Weston Lakes for making it a wonderful place to live. Over the past 16 years, my wife and I have met so many great neighbors. I would like to wish each and every one of you a very Merry Christmas and all the best for a happy, peaceful and prosperous new year.

There is no city council meeting scheduled for December. We will have a city council workshop in January. The public is welcome to attend, so please check the city's website for date and time if you are interested in attending. Our next regularly scheduled city council meeting will be in the Weston Lakes ballroom on Tuesday, January 25 at 6 p.m.

## WOMEN'S ASSOCIATION

This month the Weston Lakes Women's Association hosted its second annual Fall Festival. It began with a 5k in the neighborhood, won by Drew Rosser as the 5K Champion. Then we were blessed with five amazing chili cook-off teams, who all made the most delicious chili. There were three categories: classic Texas Red, Dilly Chili (chili with beans), and Fan Favorite. Then there was a Corn Hole tournament, traditional New Orleans "Snow Balls," face painting and lots of mingling with neighbors.

Congratulations to our winners:

**1st Place:** Texas Red and Dilly Chili: Surface Construction;

**2nd Place:** Texas Red and Dilly Chili: Team "Ring of Fire,"

**3rd Place Tie:** "Carols Cooking Crew" and "Cool Beans."

Cornhole Winners: Austin and Joe

Wishing you all the very best, and most joyous holiday season and Happy New Year! January will welcome in a new year of fun and giving with the Women's Association, and we look forward to welcoming our members back from the holidays with a meeting focused on health.

Cheers to you and yours, and Happy Holidays to you all!
